

UC Davis Special Collections

This document represents a preliminary list of the contents of the boxes of this collection. The preliminary list was created for the most part by listing the creators' folder headings. At this time researchers should be aware that we cannot verify exact contents of this collection, but provide this information to assist your research.

D-365 Annereaux, Ralph. Papers.

BOX 1

Folder 1: Reprints "Oversize" (1935)

Folder 2: Life History & Cercaria, etc. (1952)

Folder 3: Pictures & Mounting Pseudoscorpions (1931)

Folder 4: Dilepis Sp. (1930)

Folder 5: Trigonetrema Goto and Ozaki, Plehnia, Dendrochis (1476-1500)

Folder 6: Gatt. Hypoderaeam Dietz papers and notes (1909)

Folder 7: 2226-2250 Notes (1892)

Folder 8: Marketing Order for Cantaloupes, Honeyball or Honeydew Mellons (1954)

Folder 9: 11076-11100 Publications from the US national Museum (1932)

Folder 10: American Optical Company Magazines and Information (1948)

Folder 11: Acanthostomidae (1900)

Folder 12: Acanthocolpidae (1960)

Folder 13: Accacoelidae (1912)

Folder 14: Achillurbainiidae Dollfus (1939)

Folder 15: Aporocotylidae (1912)

Folder 16: Aspidogastridae (1907)

Folder 17: Azygiidae (1911)

Folder 18: Bivesiculidae (1939)

Folder 19: Brachycoelidae (1912)

Folder 20: Brachylaemidae (1934)

Folder 21: Bucephalidae Poche (1907)

Folder 22: Campulidae (1926)

Folder 23: Cephalogonimidae (1915)

Folder 24: Cephaloporidae (1934)

Folder 25: Clinostomidae (1901)

Folder 26: Coitocaecidae (1929)

Folder 27: Cryptogonimidae (1933)

Folder 28: Cyclocoelidae (1911)

Folder 29: Dicrocoelidae (1901)

Folder 30: Echinostomatidae (1902)

Folder 31: Eucotylidae (1924)

Folder 32: Fasciolidae (1895)

Folder 33: Fellodistomidae (1935)

Folder 34: Gorgoderidae (1901)

Folder 35: Gyliuchenidae (1933)

Folder 36: Haploporidae (1914)

Folder 37: Haploplanchnidae (1926)

Folder 38: Megaperidae (1934)

Folder 39: Megasolenidae (1942)

Folder 40: Mesometridae (1926)

Folder 41: Microscaphidiidae (1922)

Folder 42: Mesotretidae (1926)

Folder 43: Microphallidae (1921)

Folder 44: Monodhelminthidae (1937)

Folder 45: Monorchidae (1911)

Folder 46: Omatobrephidae (1926)

Folder 47: Opecoelidae (1925)

Folder 48: Opistholebetidae (1915)

Folder 49: Opisthorchiidae (1901)

Folder 50: Orchipedidae (1924)

Folder 51: Paramphistomidae (1901)

Folder 52: Philophthalmidae (1921)

Folder 53: Plagiorchidae (1903)

Folder 54: Psilostomidae (1911)

Folder 55: Rhabdiophoeidae (1926)

Folder 56: Rhopaliaidae (1932)

Folder 57: Schistosomatidae (1941)

Folder 58: Scerodistomatidae (1932)

Folder 59: Sphaerostomidae (1934)

Folder 60: Spirorchidae (1921)

Folder 61: Pronocephalidae (1902)

Folder 62: Stomlotrematidae (1936)

Folder 63: Syncoeliidae (1927)

Folder 64: Troglotrematidae (1914)

Folder 65: Urotrematidae (1926)

Folder 66: Zoogonidae (1911)

Folder 67: Waretrematidae (1939)

Folder 68: Index to Trematode Families

Folder 69: Index to Families, Subfamilies and Genera

Folder 70: Vierstra, Jacob (1936)

Folder 71: Unassigned genera (1944)

Folder 72: Lepocreadiidae (nothing inside)

Folder 73: Notes (n.d.)

Folder 74: Sheep-Parasites (1943)

Binder 1: Allocreadiidae

Binder 2: Hemiuridae

Binder 3: Lepocreadiidae

BOX 2

Binder 1: Vol. I Analgesinae Analges to Megninia Inc. (1877)

Binder 2: Vol. II Analgesinae Mesalges to Xolalges (1888)

Binder 3: Freyanidae & Epidermoptidae Dermoglyphidae (1953)

Binder 4: Genus Proctophyllodes (1957)

Folder 1: Collection Date Sarcoptides Plumicoles and Various papers (1968)

Pamphlet 1: A catalogue of the Acarina, or Mites, of the United States (1907)

Pamphlet 2: New Canadian Mites (1909)

Pamphlet 3: New Genera and Species of Acarians (1902)

Pamphlet 4: *Syringophilus bi-pectinatus* (1962)

Pamphlet 5: Three New American Chiggers (1939)

Pamphlet 6: New Species of Mites of the Subfamily... (1939)

Pamphlet 7: New American Mites (1910)

Pamphlet 8: Descriptions of some new mites (1906)

Pamphlet 9: New Predaceous and Parasitic Acarina (1911)

Envelope 1: Observations on the Labidostommidae

Envelope 2: *Halarachne Miroungae* Ferris Redescribed (1962)

Folder 2: Labidostamidae (1968)

Envelope 3: Biological notes on acaridae (1974)

Binder 5: Some Techniques for the preparation of terrestrial mites for taxonomic study

Folder 3: New Definition of the family Pterolichidae, Megnin and Trouessart...

Envelope 4: Empty

Binder 6: Manual of Mesostigmatic Mites (1958)

BOX 3

Binder 1: Key to the Superfamily Analgesoidea (1879)

Binder 2: *Proctophyllodes* Robin (1877)

Binder 3: Key to the tribes of the subfamily pterolichinae (1956)

Binder 4: Collection Accessions *Sarcoptes Plumicoles* (1947)

Binder 5: *Microtus montanus* (1967)

Envelope 1: Notes

Folder 1: Laboratory reports (1969)

Folder 2: Echo summit (1963); miscellaneous (n.d.)

Folder 3: Telephone directories, letters, catalogs, quick lists (1977)

Folder 4: Publications of Anthropoda, National Geographic, letters, miscellaneous

Folder 5: Books, pamphlets, papers on feather eating mites (n.d.)

Folder 6: Journals, letters, magazines, papers (1976)

Folder 7: Pamphlets, paper on parasites of fishes (1915)

BOX 4

Book 1: Interim List of Selected Scientific Books and Leaflets (1975)

Envelope 1: Empty (from Antiquariaat Junk)

Envelope 2: Empty (from South African Institute for Medical Research)

Envelope 3: Membership lists; letters (from Acarology Laboratory)

Folder 1: Notes, letters (1982)

Envelope 4: Pacific University Bulletin (1940) (from John D. Sherman, Jr.)

Folder 2: Little Booklet Bulletins (1888)

Envelope 5: Empty (from Dr. David T. Clark)

Envelope 6: Empty (from Indira Acarology Publishing House)

Envelope 7: Empty (from The American Microscopical Society)

Envelope 8: Empty (from Robert O. Schuster Dept. of Entomology, UCD)

Folder 3: A Directory (1968), Acarologists of the World

Folder 4: Notes

Envelope 9: American Society of Parasitologists Membership Information (1977)

Envelope 10: Member Lists of Acarological Society of America (1977)

Envelope 11: Empty padded envelope (from Academic Press Inc.)

Envelope 12: Notes, large pamphlet on Trematodes (1950)

Envelope 13: Empty (from the California Department of Agriculture)

Envelope 14: Piece of cardboard (from American Society of Parasitologists)

Envelope 15: Empty (from Department of Biology at California State College)

Envelope 16: Empty padded (from Department of Food and Agriculture)

Folder 5: Certificates (1974)

Envelope 17: Empty (from Agricultural Experiment Station)

Envelope 18: Empty padded (from Brigham Young University Press)

Envelope 19: Empty (from Illinois State Natural History Survey)

Envelope 20: Empty (from United States Department of Agriculture)

Envelope 21: Empty (from Library Associates at the University of California at Davis)

Envelope 22: Empty (from American Society of Parasitologists)

Envelope 23: Empty (from Transaction of the American Microscopical Society)

Envelope 24: Empty (from State of California Department of Food and Agriculture)

Envelope 25: Empty (from State of California Department of Food and Agriculture)

Envelope 26: Empty (from State of California Department of Food and Agriculture)

Envelope 27: Empty (from the University of Bridgeport)

Folder 6: Slides of Labidostomidae

Box 1: Skull of crow

Jar: Empty

Paperweight: Bug in gel mold

BOX 5

Folder 1: Parasites of reptiles and amphibians I (1927-1945)

Folder 2: Parasites of reptiles and amphibians II (1927-1945)

Folder 3: Parasites of mammals I (1930-1945)

Folder 4: Parasites of mammals II (1920-1948)

Folder 5: Parasites—general I (1925-1940)

Folder 6: Parasites—general II (1925-1940)

Folder 7: Parasites of fish I (1930-1936)

Folder 8: Parasites of fish II (1930-1936)

Folder 9: Parasites of fish III (1919-1940)

Folder 10: Parasites of fish IV (1919-1940)

BOX 6

Folder 1: Parasites of birds I (1928-1945)

Folder 2: Parasites of birds II (1928-1945)

Folder 3: Ecto-parasitic trematodes I (1918-1945)

Folder 4: Ecto-parasitic trematodes II (1918-1945)

Folder 5: Acanthocephala I (1935-1952)

Folder 6: Acanthocephala II (1935-1952)

Folder 7: Life History Studies I (1917-1948)

Folder 8: Life History Studies II (1917-1948)

Folder 9: Parasites miscellaneous I (1930-1950)

Folder 10: Parasites miscellaneous II (1930-1950)

Folder 11: Parasites of reptiles and amphibians (1930-1948)

BOX 7

Folder 1: Parasites of birds I (1901-1942)

Folder 2: Parasites of birds II (1901-1942)

Folder 3: Parasites of fish I (1927-1942)

Folder 4: Parasites of fish (1927-1942)

Folder 5: Parasites of birds and reptiles I (1930-1960)

Folder 6: Parasites of birds and reptiles II (1930-1960)

Folder 7: Parasites of mammals I (1913-1944)

Folder 8: Parasites of mammals II (1913-1944)

Folder 9: Parasites of fish I (1907-1945)

Folder 10: Parasites of fish II (1907-1945)

BOX 8

Folder 1: Parasites of mammals I (19101-1946)

Folder 2: Parasites of mammals II (1910-1946)

Folder 3: Life history studies I (1920-1941)

Folder 4: Life history studies II (1920-1941)

Folder 5: Parasites of birds and reptiles (1864-1946)

Folder 6: Parasites of birds and reptiles (1864-1946)

Folder 7: Parasites of fish (1901-1945)

Folder 8: Parasites of fish (1901-1945)

Folder 9: Parasites of mammals (1920-1950)

Folder 10: Acanthocephala (1917-1947)

Folder 11: Acanthocephala (1917-1947)

BOX 9

Folder 1: Parasites of birds and reptiles (1930-1951)

Folder 2: Parasites of birds and reptiles (1930-1951)

Folder 3: General parasitology (1930-1966)

Folder 4: U.S. Department of Agriculture—Parasites (1927-1950)

Folder 5: U.S. Department of Agriculture—Parasites (1927-1950)

Folder 6: Trematodes (1870-1950)

Folder 7: Miscellaneous II (1913-1944)

Folder 8: Miscellaneous II (1913-1944)

Folder 9: Parasites—general I (1921-1961)

Folder 10: Parasites—general II (1921-1961)

BOX 10

Folder 1: Parasites—general (1930-1953)

Folder 2: Parasites—general (1930-1953)

Folder 3: Parasites in mammals (1920-1941)

Folder 4: Mites I (1940-1960)

Folder 5: Mites II (1940-1960)

Folder 6: Mites III (1925-1950)

Folder 7: Mites IV (1936-1969)

Folder 8: Mites V (1938-1966)

Folder 9: Mites VI (1938-1966)

Folder 10: Mites VII (1800-1960)

Folder 11: Mosquitoes (1922-1944)

Folder 12: Mosquitoes (1922-1944)

BOX 11

Folder 1: Mosquitoes I (1920-1945)

Folder 2: Mosquitoes II (1920-1945)

Folder 3: Protozoology I (1910-1953)

Folder 4: Protozoology II (1910-1953)

Folder 5: Siphonaptera I (1923-1958)

Folder 6: Siphonaptera II (1923-1958)

Folder 7: Veterinary parasitology I (1926-1949)

Folder 8: Veterinary parasitology II (1926-1949)

Folder 9: Mallophaga I (1847-1950)

Folder 10: Mallophaga II (1847-1950)

BOX 12

Folder 1: Analgesoidea I (1906-1966)

Folder 2: Analgesoidea II (1906-1966)

Folder 3: Diptera I (1926-1960)

Folder 4: Diptera II (1926-1960)

Folder 5: Mallophaga and Anoplura I (1907-1957)

Folder 6: Mallophaga and Anoplura II (1907-1957)

Folder 7: Nematodes I (1917-1949)

Folder 8: Nematodes II (1917-1949)

Folder 9: General parasitology I (1927-1960)

Folder 10: General parasitology II (1927-1960)

BOX 13

Folder 1: Nematodes I (1922-1951)

Folder 2: Nematodes II (1922-1951)

Folder 3: General parasitology I (1920-1960)

Folder 4: General parasitology II (1920-1960)

Folder 5: General parasitology III (1920-1960)

Folder 6: Parasites in livestock I (1940-1959)

Folder 7: Parasites in livestock II (1940-1959)

BOX 14

Folder 1: Notes by Annereaux

Journals 1-7: *An Introduction to Nematology*: Section I, parts I and II (2 copies of each); Section II, parts I and II (2 copies each) (1937-1940)

Journals 7- 19: *Nature Motivates* (1965-1967)

Journals 20-24: General Natural History and Zoology (1962-1971)

Journal 25: Bulletin D'Information (in French) (1953)

Books 1-4: Texts in Russian (n.d.)

Book 5: *Records of the Indian Museum* by M. Sharif

Journal 26: *The Journal of Parasitology Index II* (1940-1959)

Book 6: *Faune de France* (in French) (1936)

Journal 27: *Helminthology* (n.d.)

Book 7: *La Nature et ses Trois Regnes* (in French) (1868)

Book 8: *New Mallophaga* by Vernon Kellog (1899)

BOX 15

Journals 1-26: *Memorias do Instituto Oswaldo Cruz*, Rio de Janeiro, Brazil (1940-1950)

Envelope 1: Photocopied pages of *Societa Veneto-Trentin Di Scienze Naturali* (1881)

Journal 27: *California Meat Inspection Regulations* (1959)

Report 1: Diseases of Chickens (1942)

Report 2: Venomous Animals and their Toxins (1965)

Journal 28: Hygienic Laboratory Bulletin no. 152 (1929)

Catalog 1: American and Foreign Periodicals in the Fields of Physical and Natural Sciences including Biology and Medicine (1955)

Report 3: Foreign Animal Diseases (1954)

BOX 16

Journals 1-2: *Beitrage zur Systematik Und Okologie Mitteleuropaischer Acarina* (1957-1959)

Journal 3: *University of Kansas Science Bulletin: Chigger Mites of Kansas* (1956)

Journal 4: *The Virginia Journal of Science* (1958)

Journal 5: *Foreign Animal Diseases* (1964)

Journal 6: List of serials in the U.S. Department of Agriculture (1953)

Journal 7: *Systematic check List of Mite genera and type species* (1950)

Journals 8-9: *Journal of Parasitology* (1949-1953)

Journals 10-15: *Anales de la Escuela Nacional de Ciencias Biologicas* (in Spanish) (1940-1950)

Journals 16-20: *Index-Catalogue of Medical and Veterinary Zoology* (n.d.)

Journals 21-27: *Program and Abstracts: Meeting of the American Society of Parasitologists*
(1963-1973)

Journal 28: *Zoological Society Bulletin* (1923)

Journal 29: *Some Snails and Slugs* (1960)

Journal 30: *Proceedings of the National Microscopical Congress and of the American Society of Microscopists* (1978)

Book 1: *Livro Jubilar do Professor Lauro Travassos* (1938)

Book 2: *Monographie des Strigeida (Trematoda)* (1938)

Book 3: *The Genus Amblyomma by L.E. Robinson* (1926)

Articles 1-16: general parasitology (1950-1965)

BOX 17

Journal 1: *University of Kansas Science Bulletin* (1954)

Journal 2-3: *Anopheline Mosquitoes* (1943)

Journal 4: *Canadian Journal of Research* (1945)

Journal 5: *Hilgardia* (1962)

Journal 6: *Les Acariens des familles Epidermoptidae et Rhinonyssidae parasites des fosses nasales d'Oiseaux au Ruanda-Urundi et au Congo Belge* (in French) (1957)

Journal 7-8: *The Eriophyid Mites of California* (1952)

Journal 9: *Zoologica* (1938)

Journal 10: *Bulletin of the Bureau of Fisheries* (1914)

Journal 11: *A Monograph on the Tetracapsulidae* (1925)

Articles 1-5: General parasitology (1929-1969)

Book 1: *Les Tenias des Oiseaux* (in French) (1932)

Journal 12: *Canadian Journal of Research* (May 1937)

Book 2: *The Cestodes of Mammals* by F.J. Meggitt (1924)

Book 3: *Memorias e Estudos do Museu Zoológico de Universidade de Coimbra* (in Spanish) (1959-1961)

Journals 13-22: *National Institute of Health* (1926-1933)

Journals 23-25: *Anales del Instituto de Biología* (in Spanish) (1948-1951)

Journal 26: *Zoology and General Natural History* (1968)

Journal 27: *Department of Agriculture Bulletin* (1963)

Journals 28-35: *Repertorium Librorum Scientiae Naturalis* (1967-1969)

Envelopes 1-2: Bulletins in French (n.d.)

Catalog 1-5: John Johnson's Natural History Books (n.d.)

BOX 18

Journals 1-14: *Anales del Instituto de Biologia* (1940-1950)

Book 1: *Tratado de Doencas das Aves* by A.S. Reis (1936)

Book 2: *Birds of North and Middle America by Ridgeway Part I* (1901)

Book 3: *Birds of North and Middle America by Ridgeway Part II* (1901)

Book 3: *Birds of North and Middle America by Ridgeway Part III* (1901)

BOX 19

Articles 1-17: Mites (1925-1960)

Journals 1-5: *Bulletin of the University of Nebraska State Museum* (1963-1966)

Book 1: *How to Identify Plants* by H.D. Harrington and L.W. Durrell (1957)

Catalogs 1-38: Natural history publications catalogs (1950-1968)

Report: Annual report of the Division of Animal Industry, California Department of Agriculture
(1965)

Journals 5-10: *Bulletin of the State of California Department of Agriculture* (1952)

Journals 11-13: *National Institute of Health Bulletin* (1938-1946)

Journals 14-15: Mosquito Atlas (1943-1944)

Journal 16: Proceedings on the Zoological Society of London (1948)

Journals 17-20 *Acarnia* (in German) (1941)

BOX 20

Journals 1-5: *University of California Publications in Entomology* Volumes 16, 61, 46, 11, 17)
(1956-1967)

Journal 6: *Memoirs of the Southern California Academy of Sciences* (1949)

Journals 7-29: *University of Illinois Bulletin* (1922-1936)

BOX 21

Book 1: *The Classification of Animals* by W.T. Calman (1949)

Book 2-3: *A Field Collector's Manual in Natural History* (2 copies) (1944)

Pamphlet 1: *Upland Game of California* by Donald McLean (n.d.)

Book 4: *A List of the Mammals of the Japanese War Area* by H.H. Tate (1944)

Catalogs 1-2: Natural history publication catalogs (1966-1968)

Book 5: *Guide to the Families of Mites* by E.W. Baker (1958)

Book 6: *The False Spider Mites* by Earl Richard and E.W. Baker (1958)

Journals 1-2: *Memorias d Instituto Oswaldo Cruz* (1911-1936)

Pamphlets 2-18: *Eriophyid Studies* (1969-1979)

Pamphlet 19: *Controlling Field Rodents in California* by Tracy I. Storer (1958)

Book 7: *Addenda to the Naturalist's Lexicon* by Robert S. Woods (1947)

Book 8: *International Rules of Zoological Nomenclature* by W.I. Follett (1955)

Book 9: *The Siphonaptera of Canada* by George P. Holland (1949)

Book 10: *North American Fauna* by Arthur H. Howell (1938)

Journal 3: *Special Publications The Museum Texas Tech University* (1975)
