

## UC Davis Special Collections

*This document represents a preliminary list of the contents of the boxes of this collection. The preliminary list was created for the most part by listing the creators' folder headings. At this time researchers should be aware that we cannot verify exact contents of this collection, but provide this information to assist your research.*

### **D-264 Tupper, C. John. Papers.**

#### **BOX 1**

C.J.T. Clinical Clerk Service Notes. University of Nebraska, 1947  
Paper: Guillain-Barre' Syndrome

Dictaphone Dictabelt Record

Various notepads, and notebooks

#### **BOX 2**

Photos taken 9/6/68 and July 8, 1967 at the Hippie Party  
Scrapbook 1 1972-1974  
Scrapbook 2 1968-1970  
Scrapbook 3 not dated

#### **BOX 3**

Scrapbook 4 1968

#### **BOX 4**

Folder 1: Surge 5. Memos; project planning guide for medical surge unit 5. (1973-1974)

Folder 2: Tempo West. Correspondence; Memos; blue prints. (1968-1969)

Folder 3: Tempo West. Correspondence; manuscripts; Memos; project planning guide for  
medical temporary west step 2. (1969-1970)

Folder 4: Site Planning; SMC. Report on Sacramento Medical Center site planning.

Folder 5: Medical Science Unit II. U. Hospital. Articles; Correspondence; Memos; MS II planning committee; Initial report on draft outline space program. (1967-1971)

Folder 6: Surge I. Correspondence, Memos, blue prints. (1968-1972)

Folder 7: Surge Unit 5. Correspondence, blue prints, Memos. (1967-1976)

Folder 8: Medical Science I. Correspondence; draft for PPG FOR MS I; agenda, Memos. (1966-1973)

Folder 9: Medical Science III Committee PPG. Correspondence; Memos. (1969-1971)

Folder 10: Speed Space. Correspondence; Memos; blue prints. (1966-1968)

Folder 11: Tempo X. Correspondence; Memos; medical school equipment request for speed space units. (1969-1970)

Folder 12: Enrollment Projections. Correspondence; growth plan enrollments; Memos. (1963-1971)

Folder 13: Project Planning Guide. Project planning guide; explanation and procedures; Correspondence. (1964-1971)

Folder 14: MS II Planning Committee minutes. MS II planning committee minutes.

Folder 15: MS Unit I Bldg. Committee 1972. Correspondence; project planning guide for Medical Science Unit I; Memos. (1970-1972)

Folder 16: MS I Bldg. Committee 1973-1974, Pt.1. Memos; Correspondence; cue book; groundbreaking ceremony medical science unit I; proposed memo to health science faculty.

Folder 17: MSI Bldg. Committee 1973-1974 Pt.2. Correspondence; Memos; staff report.

Folder 18: MSI Bldg. Committee 1975-1976. Correspondence; blue prints.

Folder 19: MSI Bldg. Committee 1977-1978. Correspondence; Memos; blue prints.

Folder 20: MSI Bldg. Committee 1975-1976. Correspondence; Memos; blue prints.

Folder 21: Sacramento Med. Center. Correspondence; Memos; A Medical-Legal Guide for the Health Science; Sales Representatives Guide; blue prints; Sacramento Medical Center Employee Handbook. (1975-1977)

Folder 22: University-County Joint Coordinating Committee. University-County Joint Coordinating Committee meeting; affiliation agreement; agenda; Correspondence. Memos; Principle Governing Option Coverage. (1966-1970)

Folder 23: Sacramento Medical Center 1978. Correspondence; statistical data; Memos. (1978-1979)

Folder 24: Hospital Affiliation SMC. Correspondence; Recommended Basis for UCD-Sacramento Affiliation; Memos; brief statement on affiliation. (1972)

Folder 25: Affiliation Agreement. SMC. Outline of terms of agreement for transfer of medical center; affiliation agreement; Memos; Correspondence; Recommended basis for UCD-Sacramento county Affiliation. (1972-1976)

Folder 26: Bylaws-SMC Pt.1. Bylaws of the medical staff of the Sacramento Medical Center of the University of California, Davis; Correspondence. (1976)

Folder 27: Bylaws-SMC Pt.2. Comment on draft of bylaws of the medical staff; rules and regulations governing the care of patients; Inter-office; Correspondence.

## **BOX 5**

Folder 1: SMC-Administrator Application. Correspondence; Memos. (1972)

Folder 2: Medical School Depts. Correspondence; Memos. (1967-1970)

Folder 3: Executive Committee. Correspondence; Memos; Inter-Department Correspondence; Inter-Office Correspondence; hospital policy, rules and regulations. (1966-1973)

Folder 4: Division of Surgical Science. Correspondence; Memos. (1972-1979)

Folder 5: Psychiatry. Correspondence; Memos; Psychiatry Annals; narrative description; psychiatric residency training agreement. (1972-1979)

Folder 6: Division of Surgical Science. Correspondence. (1972-1979)

Folder 7: Division of Mental Health. 1978-1979, Pt.1. Correspondence; Affiliation vs. Integration; Memos. (1978-1979)

Folder 8: Division of Mental Health. 1978-1979 Pt.2. Correspondence; proposal. (1978)

Folder 9: Clinical Psychology. Correspondence; Memos; Accreditation procedures and criteria. (1978-1973)

Folder 10: Division of Mental Health. 1972-1977. Correspondence; Memos; Mental Health Service Plan; A Developmental, Descriptive And Prospective Overview of the Division of Mental Health, University of California, Medical School at Davis; Psychiatric Residency Training Agreement; Master Agreement; 1973-1974 Addendum. (1972-1977)

Folder 11: Diagnostic Radiology. Correspondence; Memos; statistical data; blue print; Special Report. (1974-1978)

Folder 12: Radiation Therapy. Correspondence. (1976-1978)

Folder 13: Rheumatology. Correspondence; Memos. (1977-1972)

Folder 14: Radiology. Correspondence; Memos. (1976-1978)

Folder 15: Radiology Pt.2. Correspondence; Memos. (1973-1976)

Folder 16: Physical Medicine and Rehabilitation. 1978-1979. Pt. 1. Correspondence;

Memos; position paper-review of physician manpower-rehabilitation medicine (physical medicine & rehabilitation) undersupply, California, National Health Policies For Handicapped Persons; A retrospective of the Impact Associated With Exposure To Rehabilitation Medicine Education Experiences During Medical School; Proposal For Expanded Program In Graduate P.E. (1978-1979)

Folder 17: Physical Medicine and Rehabilitation. 1978-1979. Pt. 2. Correspondence; Memos; affirmative action plan. (1978)

Folder 18: Physical Medicine and Rehabilitation. 1977. Pt. 1. Correspondence; Memos; job description.

Folder 19: Physical Medicine and Rehabilitation. 1977. Pt .2. Requirements For Rehabilitation Services; Correspondence; Justification For Expansion of Martinez Veterans Administration; Memos; report of the legislation committee.

Folder 20: Physical Medicine and Rehabilitation. 1976. Correspondence; Memos; summary of events regarding S-5; A Program For Teaching and Rehabilitation of Chronic Disability At Stanford University School of Medicine; statistical data; Regional Biomedical Engineering Product Development And Evaluation Center. (1976-1978)

Folder 21: Pulmonary Medicine. Correspondence; Memos. (1973-1978)

Folder 22: Pediatrics. Correspondence; Memos; Proposal For Establishment of A Section of Cardiovascular Pediatrics. (1979-1973)

Folder 23: Pulmonary Medicine. Correspondence; Memos. (1972-1978)

Folder 24: Pediatric Cardiology. Correspondence; Memos; Proposed Program in Pediatric Cardiology. (n.d.)

## **BOX 6**

Folder 1: Donated Organ Program (Anatomy). Correspondence; Memos. (1966-1971)

Folder 2: Pharmacology. Correspondence; Memos; Biomedical Computing Activities; Neuropharmacology group. (1958-1968)

Folder 3: Behavioral Biology. Correspondence; Memos; Mental Retardation Research and Training Committee National Institute of Child Health and Human Development; Newsletter. (1967-1971)

Folder 4: Physiology. Correspondence; Memos; Subject: War Related Research, 1967  
Lecture Outline for: Mammalian Physiology 140 A & B a survey of mammalian physiology offered to freshman veterinary medical students, graduate students and advanced undergraduates by: The Development of Physiological Science School of Veterinary Medicine, University of California Davis, California. 1967-1971.

Folder 5: Sacramento Medical Center. 1974-1975. Pt. 1. Correspondence; annual report; attachments; financial reports; statistics. (1974-1975)

Folder 6: Sacramento Medical Center. 1974-1975. Pt .2. Correspondence; financial report; presentation outline; Quality Evaluation Program; Memos. (1974)

Folder 7: Sacramento Medical Center Accreditation. Correspondence; Memos. (1971)

Folder 8: Hospital Administrative Candidate Files. Correspondence. (1969-1971)

Folder 9: Administrative Applicants. Correspondence; curriculum. (1971)

Folder 10: Hospital Advisory Council. Correspondence; Agenda. (1967)

Folder 11: Hospital Pharmacy. SMC. Correspondence. (1971)

Folder 12: Federation of Neighborhood Organization. (FONO). Activity Plan for Visit of

O.E.O., Washington, D.C., Office of Health Affairs to Sacramento – Thursday,  
January 21 1971.

Folder 13: M.D. Faculty Travel To SMC Fiscal Year 1970-1971. Statistical data.

Folder 14: Long Range Planning For SMC. Long Range Planning for SMC. (1969)

Folder 15: Admissions. Admissions; Correspondence. (1969)

Folder 16: Library, Sacramento Medical Center. Correspondence; library agreement;  
proposal for the organization and administration of the Sacramento hospital  
library; blue prints. (1967-1970)

Folder 17: Langpage - UCD/SMC Study. Correspondence. (1971)

Folder 18: Junior Clinical Instructors, Senior Clinical Instructors. Correspondence.  
(1968-1969)

Folder 19: Hospital Administrations. Correspondence; Standard For Hospital Based  
Direct Service Medical Care Prepayment plans; Six dimensions Of Health  
Facility Combination, On A Scale Of Pluralism to Fusion. (1969-1970)

Folder 20: Interns And Residents of Sac Med. Center. Correspondence; National Intern  
And Residents Matching Program; Sacramento County Hospital Internship  
Applications. (1968-1970)

Folder 21: G.C. Conference. Correspondence. (1970)

Folder 22: SMC- Hospital Problems. Correspondence, Memos. (1969-1970)

Folder 23: Sacramento Medical Center. Correspondence. (1968-1970)

Folder 24: Sacramento County Hospital. Correspondence; Chapter Amendments;  
Memos; Procedure for Discharging Acute Hospital Patient to an Extend Care  
Facility; General Outline of Intern Training Program Sacramento County

Hospital; Bylaws of the Medical Staff of Sacramento County Hospital; Steps Necessary to Qualify City and County Hospital as a Community Hospital; Principles of Reimbursement for Services of Hospital-Based Physicians; Present And Future of the Sacramento County Hospital in the Program of Medical Education at Davis. (1967-1968)

Folder 26: House Stuff SMC. Correspondence; internship agreement; House Staff Salaries Revisited; Coth Survey of House Staff Policy – 1971 Part 1, 2; Memos, statistical data; staff directory. (1971-1968)

Folder 27: Hospital Problems. Affiliation agreement, Correspondence. (1971)

Folder 28: SMC Affiliation. Correspondence; report to the chancellor; lease; The Development of the University Management At Harborview Medical Center. (1966-1970)

Folder 29: Sacramento Medical Center. Correspondence. (1971)

Folder 30: Clinical Appointments Miscellaneous Information. Correspondence; clinical appointments, policy statements. (1966-1971)

Folder 31: Infection Committee. Correspondence. (1968)

Folder 32: Hospital Affiliation. Agreement Of The United Partnership The Attending Staff of Los Angeles County General Hospital, Unit I; Correspondence; A Resolution Adopting Governing the Administration and Operation of the Sacramento County Hospital; Proposed Affiliation Agreement Sacramento County Hospital, University of California, Davis, School of Medicine; Statement on County/Teaching Hospitals; Bylaws of the Sacramento County Hospital

Medical Group Association; Steps Necessary to Qualify City and Country  
Hospital as a Community Hospital. (1963-1969)

Folder 33: Affiliation Agreement SMC. Correspondence; report to the chancellor; case  
study; the Bennett Amendment; Financial and Operation Analysis Sacramento  
Medical Center; Memos, affiliation agreements. (1970-1971)

Folder 34: Pediatric Cardiology. Memos. (1970)

Folder 35: Sacramento Medical Center. 1972. Correspondence; memorandum of  
agreement affiliated residency in general surgery; Health Action Committee  
Newsletters #1 The U.C.D. Takeover; University of California Davis Sacramento  
Medical Center Alteration 1973-1974 Group II & III Moveable Equipment;  
Schedule of Attachments; Master Plan For Development of Sacramento Medical  
Center. (1967-1974)

Folder 36: Pulmonary Medicine. Correspondence; CTS Medical Issue; Memos, position  
paper Diseases in California 1970 for Task Force for Development of California  
State Plan for Health Submitted by Tuberculosis and Respiration Disease  
Association of California; Technical Review Panel Report on “ Comprehensive  
Care for Respiratory Disease Patients” University of California at San Diego,  
University Hospital; A Resolution On Research and Education Funds.  
(1968-1971)

Folder 37: Rheumatology. Correspondence; Memos. (1971)

Folder 38: Division of Science Basic to Medicine. Correspondence; Memos; Division of  
Basic Science; blue prints; The Basic Medical Science, The Revolution in  
Biology and the Future of Medical Education; Responsibilities of the basic

Science to Medicine. (1965-1971)

Folder 39: Anatomy. Correspondence; Memos; depart of human anatomy 1967-1968  
annual report. (1968-1971)

Folder 40: Nutrition. Correspondence; Memos; regular ranks faculty fiscal year (11-  
months), index, Committee on Procedures for Appraisal of Protein Calorie  
Malnutrition; The need to Establish Scientific Nutrition in Clinical Obstetrical  
Practice.

## **BOX 7**

Folder 1: Survey Report. The University of California-Davis School of Medicine. (1972)

Folder 2: Davis Grant USAF Hospital Affiliation. Correspondence; Memorandum of  
Agreement Affiliated Residency in General Surgery; affiliated agreement.  
(1966-1977)

Folder 3: How To Know When and How to Retire. How To Know When and How to  
Retire. (n.d.)

Folder 9: History Stuff Pt.1. Correspondence; the Bulletin of the American College of Physicians; What Is the Best Way to Prepare the Colon for Radiological Study; Ann Arbor Revisited; the Practice Physician and University Hospitals; School of Medicine; Discussion of Proposition One; the Origins of Planning; Progress Report; the County Medical Society Organized Medicine's Foundation; the View

From the Dean's Office; Notice of Termination of Affiliation Agreement; the Hyperactive Child: A Child of Woe; Application Information. (1966-1976)

Folder 10: Historical Stuff Pt. 2. Magazine: Hospital Physician; School of Medicine Reports. (1970-1980)

Folder 11: UC Davis-25<sup>TH</sup> Anniversary. 25<sup>th</sup> Anniversary Celebrating Operation Committee; UC Davis School of Medicine Alumni Association Proposed Calendar 1996-1997; Correspondence. (1995)

Folder 12: Faculty Roster. School of Medicine Faculty. (1969)

Folder 13: Historical Stuff. Correspondence; Report of Student Curriculum Committee; Agreement Between the Regents of the University of California and the County of Sacramento; School of Medicine; Supreme Court of the United States, Regents of the University of California vs. Bakke; Photos. (1966-1991)

Folder 14: CJT-CV Sept.16, 1997. Curriculum Vitae.

Folder 15: UCD School of Medicine Accreditation Surveys. Report of the Survey of University of California, Davis School of Medicine. (1971-1979)

Folder 16: Administration Organization. Space Utilization-Faculty Research Building; Correspondence; charts. (1966-1967)

Folder 17: Class Pictures. Pictures. (n.d.)

Folder 18: Bioethics Chair. Correspondence; UC Regents Approve Endowed Chair in Bioethics at UC Davis School of Medicine. (1992-1997)

Folder 19: Dean C.J. Tupper Society. Correspondence. (1995-1997)

Folder 20: C.J. Tupper Bioethics Library. Medical Center Library and School of Medicine Jointly Celebrate the C.J. Tupper, MD, Bioethics Library Collection;

Correspondence; Memos. (1994-1997)

Folder 21: UCD Medical School History info. Interview records. (1989)

Folder 22: General Research Support Review Committee. Correspondence. (1970-1976)

Folder 23: Group Coordinating Committee of Medical Services. Correspondence;  
Combined Meeting of the Chairman of Sciences Basic to Medicine and the  
Coordinating Group in the Basic Sciences. (1975-1976)

Folder 24: Joint Committee on the Siting of Teaching Hospitals. Testimony Presented to  
the Jointed Committee on the Sitting of Teaching Hospitals.(1974)

Folder 25: Jointed Committee on Health Science Education. Correspondence; Proposed  
Activities. (1974)

Folder 25: Judicial Board. Correspondence. (1973-1977)

Folder 26: Medical Training Resources Faculty Advisory Committee. Correspondence;  
Memos. (1974-1977)

Folder 27: General Clinical Research Center Committee. Correspondence; blue prints;  
Guidelines for Preparing a General Clinical Research Center Application; Ad  
Hoc Medical School Committee for Development of a Clinical Research Center.  
(1972-1975)

Folder 28: Surge Unit III. Pt.1. Correspondence, Memos; statistical data. (1967-1969)

Folder 29: Surge Unit III. Pt.2. Correspondence; Memos; University of California Major  
Capital Improvement Program Movable Equip (Group 2 & 3) Surge Unit III;  
Detailed Project Program University of California Davis Campus Medical Surge  
Unit. (1966-1976)

Folder 30: Surge Unit II- Sacramento Medical Center. Correspondence; Project Planning

Guide for Renovation and/or New Construction at Sacramento County Hospital.  
(Phase II). Memos. (1967-1969)

Folder 31: Surge Unit III Pt.2. Correspondence; Memos; University of California Major Capital Improvement Program Movable Equip (Group 2 & 3) Surge Unit III; Detailed Project Program University of California Davis Campus Medical Surge Unit. (1966-1967)

Folder 32: Class Conduct Committee-1980. Correspondence. (1977)

Folder 33: Salary Schedules. Academic Salary Scales; Correspondence; Memos; Increase in University faculty salaries and fringe benefits discussed by The Regents at their Riverside meeting on November 19. (1965-1967)

Folder 34: Budget Committee. Correspondence. (1971-1974)

Folder 35: Telephone listings. Correspondence. (1970-1971)

Folder 36: Tumor Board. Correspondence; Memos. (1968-1970)

Folder 37: Sacramento Surge I. Memos; Correspondence; blue prints. (1967-1968)

Folder 38: Sacramento Surge II. Correspondence; Memos; data sheet for contract and grant proposals; leasing agreements. (1969-1971)

## **BOX 31**

Folder 1: Nuclear Medicine Pt.1. Correspondence; Memos; proposal for nuclear medicine; hospital practice. (1970-1978)

Folder 2: Nuclear Medicine. Correspondence; Memos; financial analysis and recommendations for nuclear medicine; report of ACMP committee on nuclear medical departmental facilities; equipment list; “Diagnostic Method in Renal Disease and Renovascular Hypertension” a practical symposium on modern medical diagnosis, including presentations by outstanding specialists in nephrology, nuclear medicine, urology and radiology. (1972-1976)

Folder 3: Nutrition Pt. 1. Correspondence; Memos; tentative program agenda for Goldberger scholarship evaluation meeting; proposal for a foods and human nutrition research center at the University of California; AMA sponsored nutrition clerkships. (1977-1978)

Folder 4: Nutrition Pt. 2. Correspondence; Memos; nutrition on the Davis campus; a nutrition section in the department of internal medicine; meeting records. (1972-1977)

Folder 5: Infectious Disease & Immunology. Correspondence; Memos. (1973-1979)

Folder 6: Nephrology. Correspondence. (1973-1975)

Folder 7: Neurology. Correspondence; Memos. (1973-1978)

Folder 8: Cardiology. Correspondence; the perennial challenge to modern clinical investigation: proper balance between ethics-resources-priorities and scientific progress. (1973-1978)

- Folder 9: Dermatology. Correspondence; Memos. (1973-1979)
- Folder 10: Dietetics. Correspondence; standard established by the American dietetic association for the approval of a hospital dietetic internship. (1974)
- Folder 11: Endocrinology. Correspondence. (1977)
- Folder 12: Gastroenterology. Correspondence. (1975-1978)
- Folder 13: General Medicine. Correspondence. (1978-1975)
- Folder 14: Human Genetics. Correspondence; Memos. (1977-1978)
- Folder 15: Hematology/Oncology. Correspondence. (1974)
- Folder 16: Post Graduate Medicine 1972-1976. Correspondence; meeting records; postgraduate medicine policies; guiding principles for continuing medical education in community hospitals. (1972-1976)
- Folder 17: Division of Medical Sciences. Meeting records; department of medicine, department chairmen and section chief meetings. (1972-1978)
- Folder 18: Internal Medicine. Correspondence; meeting records; Memos; protocol form for research and investigation involving human subjects. (1972-1979)
- Folder 19: Family Nurse Practitioner Program. Correspondence; family nurse practitioner program support requirements; community preceptorship program; the Robert Wood Johnson Foundation Special Report ; budget; Memos; a proposal for a program of graduate studies in family nurse practice for the master of health services degree. (1972-1978)
- Folder 20: Physician's Assistant Program. Correspondence; Memos; rules and regulations re physician's assistants; essentials for education of the physician's assistant; notice of proposed changes in the regulation of the board of medical examiners of

the state of California. (1974-1976)

Folder 21: Postgraduate Medicine 1978-1979. Seventh annual family practice refresher course; fingers-to-the-toe an orthopedic approach for the family practitioner; continuing medical education newsletter; report of the systemwide study committee on university extension. (1978-1979)

Folder 22: Postgraduate Medicine 1977. Meeting records; Memos; the university of California and the Emerging world of continuing education in the health sciences; agreement for the joint sponsorship of the continuing education of the bar; annual report. (1977)

Folder 23: Community Health. Correspondence; proposal for course improvement and development program; application for undergraduate instructional improvement program funds; memo; health economic and preventive care. (1973-1977)

Folder 24: Family Practice 1977 Pt.1. Correspondence; Memos; statistical data; family practice pathway; "the house that John built" or an assessment based on Dr. John P. Geyman's "Prevention of complications in initial development of family practice residency program."; residents' research conference presentations. (1977)

Folder 25: Family Practice 1977 Pt. 2. Physician extenders not as productive as expected; Correspondence; Memos; family practice model center. (1977)

Folder 26: Family Practice 1978-1979. Correspondence; summary of AHEC legislation health professions educational assistance act of 1976. Family practice residency program school of medicine; proposed satellite residency training facility in the city of Elk Grove; technology in medicine: some associated problems, increasing costs and fragmentation of profession in response to 'technologic imperative' give

rise to criticism. (1978-1979)

Folder 27: Division of Sciences basic to medicine. Memos; Correspondence; a proposed change in the medical curriculum for years I & II; meeting records. (1972-1978)

Folder 28: Anatomy. Correspondence; Memos; report to the committee on educational policy concerning the teaching of gross anatomy; Memos; mission of the department of behavioral biology. (1972-1979)

Folder 29: Biological Chemistry. Memos; Correspondence. (1972-1979)

Folder 30: Medical Microbiology. Memos; the present status of vaccination against coccidioidomycosis in man. (1969-1979)

Folder 31: Pharmacology. Correspondence; remarks and responses to questions of Dr. Donald Kennedy, commissioner food and drug administration FASEB public affairs symposium. (1973-1978)

Folder 32: Physiology. Memos; Correspondence. (1973-1977)

Folder 33: Division of Community and Postgraduate Medicine. Correspondence; Memos; meeting records. (1973-1978)

## **BOX 32**

Folder 1: Research – Medical School. UC Davis Medical School research.

Folder 2: Public Relations. Correspondence; Memos; evaluation of the school of medicine P.R. Program and Present Incumbent. (1969-1976)

Folder 3: Public Law 94-484 Health Professions Educational Assistance Act 1976. Proposed rules; Correspondence. (1977)

Folder 4: Program Planning. Correspondence; results of survey of department chairman and section chiefs. (1977-1979)

Folder 5: Professional Series. Correspondence; proposal for a new professional series at U.C.D. (1976)

Folder 6: Planning & Development. Correspondence; report of the sub-committee on teaching program review procedures of the committee on academic planning and budget review. (1978-1979)

Folder 7: Picnic Day. Correspondence. (1974-1978)

Folder 8: Long Range Development Plan. Correspondence; the development of a comprehensive plan for medical and health sciences for the university of California 1970-1980, a progress report; blue prints. (1969-1977)

Folder 9: Medical School Departments. Correspondence. (1967)

Folder 10: Memo to Med. School Faculty. Correspondence. (1966-1973)

Folder 11: Non-Recurring Needs. Correspondence; Memos; application for a high-field Fourier transform nuclear magnetic resonance campus facility. (1974-1979)

Folder 12: Nuclear Magnetic Resonance. Memos; administrative plan for biological NMR facility; Correspondence. (1978-1979)

Folder 13: 1976 Health Science Bond Issue. Correspondence. (1974)

Folder 14: Health Science Research Laboratories and Instrument Facilities (HSRLI) Correspondence; Memos. (1973-1975)

Folder 15: Health Science Research Center. Correspondence. (1967)

Folder 16: Institutional Self-Study. Correspondence; evaluation of clinical departments by subcommittee of task force for institutional self-study; Memos.

Folder 17: Institutional Self-Study. Correspondence; evaluation of clinical departments by subcommittee of task force for institutional self – study; Memos; institutional

self – study task force part IX – student; admissions program; enrollment;

Memos. (1978)

Folder 18: Journal of Medical Education Paper. Correspondence; innovations in medical school planning; a historical summary of the creation of the new school of medicine on the Davis campus of the University of California. (1969)

Folder 19: Health Sciences Advancement Award Program. Memos; administrative plan for continuation of former HSAA central facilities; management of equipment and supplies acquired under project grants; HASS liaison groups as January 1970; Correspondence; policy of the University of California on organized research units; health sciences advancement award program. (1966-1974)

Folder 20: Affirmative Action. Correspondence; report of the affirmative action committees of the academic senate and academic staff organization; hiring warning to universities. A summary report on affirmative action employment of ethnic minorities and woman. Task force on special problems of affirmative action in academic appointments. (1973-1979)

Folder 21: Affirmative Action: Task force. Correspondence; statistical data; report of the task force for the studying special problems of affirmative action in academic appointments. (1974-1978)

Folder 22: Computer Aided Instruction. Correspondence; seminars in medicine of the Beth Israel hospital; University of California Davis Computing Plan; list of people interested in simulation. (1977-1978)

Folder 23: Animal Resources Services. Correspondence. (1975-1978)

Folder 24: Budget Pt.1. Correspondence; budget plans for the University of California,

Davis. Summary of changes in state appropriations; an overview of California post-secondary education; the 1979-1979 budget act; detail budget allocation for 1977-1978 instruction and departmental research; statement on the 1978-1979 governor's budget as it relates to the University of California. (1979)

Folder 25: Budget Pt.2. Correspondence; Davis campus budget process; detail budget allocations for 1977-1978 instruction and departmental research; Memos; Title II public works employment act; 1977-1978 budget for capital improvements; outline for discussion with systemwide officials relating to medical school support problem. (1973-1977)

Folder 26: Accreditation. Correspondence; University of California School of Medicine at Davis; Memos. (1973-1976)

Folder 27: Experimental Animal Resources Pt.1. Correspondence; meeting records; Memos; animal resources service operating and procedural policy; care and treatment of laboratory animals; proposal to establish an E.A.R. service facility; experimental animal resources school of veterinary medicine fiscal year 1970-1971 price and per diem rate listings for University of California; correctional industries commission; Memos; application for accreditation. (1969-1974)

Folder 28: Experimental Animal Resources Pt.2. Schedule of per diem changes and charges for services of the animal care facility; resume NIH animal resource grant procedures outline; initiation of plans and project design NIH animal resource grant procedures; experimental animal resources; proposal for expansion of services of experimental animal resources; Memos; department of agriculture; Memos. (1966-1969)

Folder 29: Davis Medical Associates. Proposal to establish non-profit corporation to be known as “Davis Medical Associates”; Correspondence; Memos; letter of agreement to participate as a Davis Medical Associates. (1969-1978)

Folder 30: Bylaws-School of Medicine UC Davis. Faculty of the school of Medicine University of California. (n.d.)

Folder 31: Capitation. Correspondence; from the “joint explanatory statement of the committee of conference; health science capitation funds. (1977-1978)

Folder 32: Clinical Faculty Title Series. Correspondence; utilization of clinical academic titles in the school of medicine. (1975-1979)

Folder 33: Compensation of Ph.D.’s with Patient – Care Responsibilities  
Correspondence. (1973-1975)

Folder 34: Faculty Organization. Statistical data; bylaws for the faculty of the college of medicine – UCI; principle recommendations of the workshop on medical school curriculum; by-laws faculty of the school of medicine University of California; Memos; alternative plans for the election of the six faculty members of the executive committee of the faculty. (1969-1971)

Folder 35: 1974 Faculty Retreat. Faculty curriculum conference; Correspondence; Memos; faculty questionnaire on curriculum and instruction. (1973-1974)

Folder 36: Ground Breaking Ceremonies. Medical sciences unit I groundbreaking ceremony; Correspondence. (1974)

Folder 37: Health Professions Special Improvement Grant. Correspondence; carpeting – a breakthrough in reducing housekeeping costs. (1968-1969)

Folder 38: FTE Needs. Correspondence. (1977)

Folder 39: FTE'S Medical School. Correspondence; department recruitment plans.

(1975-1978)

Folder 40: Medical Television. Correspondence; instructional media; videotape library;

Memos; need for additional equipment for instructional support; Schultz report on ETV and the Health Sciences: Reaction of the school of medicine; chronology of medical television discussions. (1972-1978)

Folder 41: Medical Illustration Unit. Correspondence; professional staff advisory group for photographic and illustration services. (1975-1977)

Folder 42: Biomedical Engineering. Correspondence; proposal for a section of biomedical engineering in the Department of Human Physiology; preliminary proposal on integrated electronics for biomedical applications. (1972-1977)

### **BOX 33**

Folder 1: Sacramento Medical Center 1971 (1). Charts to be reviewed and completed by attending physicians; Memos; medi-cal cost trim proposal – prepared for health review and program council meeting; Sacramento Medical Center medical staff application for membership; suggested statement by Eugene Gualco on problems and future; the AHA and Provision of health services; statement by Eugene T. Gualco, supervisor, forth district. (1971)

Folder 2: Sacramento Medical Center 1971 (2) Correspondence; remarks by Leonard W. Cronkhite, Jr., M.D. General Director the children's hospital medical center at the annual meeting of the association of American Medical colleges. Program data; California medical assistance program. (1970-1971)

Folder 3: Sacramento Medical Center (3) Correspondence; Sacramento Medical Center; lab control; status report on personnel, equipment and building modifications. (1969-1970)

Folder 4: CMERF (1) Correspondence; California's medical school and physician manpower needs; a proposed man for dissemination of health care information. (1971)

Folder 5: CMERF (2) Correspondence; medical care for seasonal agricultural workers developmental planning grant request; family planning developmental planning grant request submitting by California medical education and research foundation; perinatal and maternal mortality developmental component planning grant request; meeting of the board of directors of the California Medical Education and research foundation; merit scholarships. (1969-1971)

Folder 6: Advisory Committee on Research Using Human Subjects Correspondence; a study of thyroid function during rest in a neutral thermal environment, during 2 hours of cold exposure and during 2 hours of heavy exercises; investigation involving human subjects, including clinical research: requirements for review to insure the rights and welfare of individuals. (1966-1969)

Folder 7: Aging. Brighter vistas; a rural county cares for its aging; a new day for the older American; California's older people; the new A0A (Administration on aging); Correspondence; regional training of leaders to work with, the aged; philosophical principles; some data on resources available for older Californians selected counties; office evaluation of the aging patient; adult education for professional working with the aged; some data on resources available for older

California in selected counties. (1965-1966)

Folder 8: Building Committee. Correspondence; description of the duties and responsibilities of a building committee. (1966)

Folder 9: Chancellor's Dean's Council. University policy on continuous registration of graduate student and administration of the filing fee; proposal for funding administrative needs of graduate groups; remarks at luncheon of southern California business leaders; report and possible action on the 1969-1969 budget; supplementary instructions for implementation of basic policy on limitation of time graduate students may be counted for budgetary purposes. (1967-1969)

Folder 10: Committee for Center for Continuing Education. Correspondence; continuing education the case for a center. (1965-1967)

Folder 11: Curriculum Conference 1-19, 20, 21, 1967. Participants in curriculum conference U.C.D.; summary of University of California, Davis, medical school plans as submitted to AAMC for provisional membership consideration; general aims of the curriculum; Memos; project planning guide for medical sciences unit I. (1966-1967)

Folder 12: Faculty Organization. Correspondence; by-laws of the faculty of John Muir College; by-laws of the academic senate; by-laws faculty of the school of veterinary medicine. (1968-1971)

Folder 13: OME 1967-1970. (1). Correspondence; Memos; faculty participation in instruction; instructional media; annual report; curriculum content in the first two years; responsibilities and program of the office of medical education; Schering corporation workshop; tape list for the AMA audio news journal. (1969-1970)

Folder 14: OME 1967-1970 (2). Correspondence; model of a developmental screening center: a mechanism to aid in the education and training of child care personnel; Memos. (1968-1969)

Folder 15: OME 1967-1970 (3). Correspondence; office of medical education; Memos. (1967-1968)

Folder 16: OME 1971. Correspondence; task force on computing science; announcing a major new education program on hypertension; trends in medical education; the health science instrument facilities. (1971)

Folder 17: Allied Health Science. Correspondence; teaching programs; 1970 Annual Report W. K. Kellogg foundation; a Study for the reorganization of the division of allied health sciences into a separate school; institute on allied health science education; Memos; proceeding of institute on allied health science education; full-time medical school faculty participation allied health science teaching programs; recommendations for allied health science training program. (1967-1971)

Folder 18: Health Science Library. Correspondence; acquisition policy; health science library annual report; report of the university librarian; building program for the health science library at the University of California. (1967-1971)

Folder 20: Medical Illustration. Correspondence; visual/sonic medicine; Memos. (1968-1971)

Folder 21: Committee on Education policy. Correspondence; meeting records; administration council considerations of course staffing; committee on educational policy recommendations for curriculum revision in the first two years; Memos; suggested planning guide for a proposed academic department.

(1965-1971)

Folder 22: Medical Television. Health science television medical tutorial carrels;

Correspondence; color television camera for medical applications. (1966-1971)

Folder 23: MS VIII – F. New File Med. TV. Correspondence; newsletters. (1966)

Folder 24: Committee of Clinical Chairman. Clinical departmental chairman's meeting  
#4. (1971)

Folder 25: Core A-B Administration committee. Correspondence. (1971)
