Notice of harmful language

This collection guide contains harmful language which was used by either the original creators or the prior stewards of the materials in this collection. Library staff made the decision to retain and repurpose this description because it may provide important context about its creators, custodial history, and/or source. We are committed to describing materials in a manner that respects those who create, are represented in, and interact with the collections we steward, as well as preserving the original context of collection materials. Ethically managing archival description is an ongoing and iterative practice, and we welcome your feedback and questions at speccoll@library.ucsc.edu.
