

## Superintendent of Schools: Teacher and Principal Reports

### Scope and Content:

Reports provide information about attendance by grade and gender, employee salaries, condition of school facilities, volumes in school libraries, curriculum (High School October Reports), textbooks (High School October Reports), school district budgets and spending.

### Notes re. reporting of grades 1-8 (and in later years, Kindergarten)

1865-66 through 1903-1904 - Simply, Teacher's Report or Principal's Report

1904-05 through 1907-08 - Primary and Grammar School Teacher's Report; Primary and Grammar School Principal's Report;

1908-09 onward - Elementary School Teacher's Report; Elementary School Principal's Report

### Notes re. high school reports:

1865-1892 - High school student numbers reported by district by teacher and summarized with students of various levels by principal.

### Boxes 10-11 contain separate high school principal reports.

1892-3 to 1901-02 - Report: Principal of the \_\_\_\_\_ High School

1902-03 to 1925-26 - High School Principal's Report

1926-27 to 1948-49 - High School Principal's Annual Report (end of school year); High School Principal's October Report (October of current school year); For many years, Annual Report is missing
