

# “List of Negatives of Indians and Scenes Illustrating Indian Life”

by George W. Ingalls

**Transcription of the original manuscripts** in the collection. Note: there are two very similar versions of the list, with expanded descriptions for some entries. This transcription includes text from both lists.

The Huntington Library, George W. Ingalls Photograph Collection – photCL 275, Box 6

The far left column shows Ingalls’ number from his list. The next column has been added to show the corresponding Huntington number. Example: “32/32” is Folder 32, image (32).
