Box 9

This box contains materials in the public domain selected by Andrew Majeske for the University's files on the Putah Creek Water Cases. Majeske was supervised by Sid England, whose office paid two-thirds of Majeske's salary. The Putah Cache Bioregion Project paid the other one-third. This material should be filed under The Putah Creek Water Cases.

An index to these materials is in the folder at the beginning.

Box 10

The materials in this box (1 of 2) and the following box have to do with San Juan Ridge. These are 1) drafts of The Ridge (unpublished) and 2) letters to and from the reinhabitory community and 3) audio tapes of interviews.

This box contains drafts of The Ridge and letters A-B and the audio tapes.

Note: Neither of these boxes contains my correspondence with Gary Snyder.

Box 11

The materials in this box (2 of 2) and the previous box have to do with San Juan Ridge. These are 1) drafts of The Ridge (unpublished) and 2) letters to and from the reinhabitory community and 3) audio tapes of interviews.

This box contains letters C-Z and four books by Donald J. Watters.

Box 12

This box contains notes and other miscellaneous materials re: West of Eden: A History of the Art and Literature of Yosemite. Most of the notes are on Yosemite Artists.

Box 13

This box contains:

- 1) Materials collected for an article on the Ansel Adams workshops (never written) and a few materials on Adams himself
- 2) Drafts of Real Matter
- 3) Materials collected for a book on the Yosemite Artist Packtrips. Book was never written. It's working title was Art in High Places, suggested by Ted Orland. Ted, Dave Forgang, and I were to be the authors.
- 4) Photography workshops I attended or was an assistant of.
