Attention: Mr. W. Ray Johnson

Dear Mr. Lindley:

For your information in connection with Administrative Instruction No. 34 on Community Evacuee Government I enclose herewith three copies of (1) the June 5, 1942 memorandum referred to in the first paragraph of Instruction No. 34, (2) a part of the Block Managers' Manual issued by the Department of Community Services at the Tule Lake Relocation Center, and (3) a memorandum from the Project Attorney to the Project Director at the Manzanar Relocation Center analyzing the system of evacuee government at Manzanar.

A manual on organization of evacuee government is now being prepared and will be sent to the relocation centers as soon as it is completed. I hastily examined a rough preliminary draft of the manual which John Provinse was taking with him to Washington last week. It will contain complete and detailed guidance on various steps in the organization of the evacuee governments at the relocation centers.

Sincerely yours,

Jerry W. Housel
