STUDENT BODY COUNCIL

Orden Ichinaga, President

Mike Shiratsuki, Vice-President

Dorothy Sakasegawa, Secretary

Kouichi Tanaka, Treasurer

Aileen Oita, Historian

Harume Kajihara, Boys' Athletic Manager

Dorothy Matsumoto, Girls' Athletic Manager

Esther Nanamura, Head Yell Leader

Frances Yoshida, Assistant Yell Leader

Elwood Ito, Assistant Yell Leader

Ted Kato, Senior President

Joe Tsuboi, Senior President

Henry Inagi, Senior President

Goro Kudo, Junior President

Tatsuo Tazumi, Sophomore President

Paul Dohi, Freshmen President

Joe Tsuboi, Senior Vice-President

Henry Inagi, Senior Vice-President

Alfred Terao, Senior Vice-President

Isao Kiyohara, Junior Vice-President

Henry Terao, Sophomore Vice-President

Charles Nakamura, Freshmen Vice-President

Marie Sunada, Senior Representative

Mitsuo Ikeda, Junior Representative

Toshiye Ichikawa, Sophomore Representative

Larry Onitsuka, Freshmen Representative

MR. ROBERT C. WELLS, ADVISOR

MISS KATHERINE EMBREE, ADVISOR

The first meeting of the newly elected student body cabinet and former council representatives was called to order by President George Obana in Room 3A during seventh period.

The minutes of the previous meeting were dispensed with since the secretary did not receive the minutes from the past secretary.

The purpose of this meeting, as announced by the president, was to decide whether the student body should appropriate the sum of \$21.47 to the Boys' Athletic Department.

A further report on this matter was given by Mits Ikeda who stated that the money will be used to purchase four gold baseballs to be presented to the most outstanding players. He announced that the sum will be dispursed as follows:

<u>Engraving</u>		<u>Raised Letter</u>		<u>Cost of Balls</u>	<u>Totals</u>
Menda	\$.30	P	\$.70	\$4.30	\$5.30
Ariyoshi	.27	P	.70	4.30	5.27
Ikeda	.36	P	.70	4.30	5.36
Yokoyama	.54	P	.70	4.30	5.54
				Total	\$21.47

Mits Ikeda recommended that the council make this allowance since it was felt by the other boys that the four boys chosen really earned and deserved the awards. It was announced that those who will receive the awards were: Tsugio Ikeda, chosen the most valuable player; Taro Yokoyama, as the most inspirational player; Suki Ariyoshi and Harry Menda as co-captains.

It was also announced that blocks were being provided for the boys through the Adult Education Physical Education Department.

After a bit of discussion Aileen Oita moved that the sum of \$21.47 be appropriated to the Boys' Physical Education Department. The motion was carried.

The question as to when and where the awards should be given was brought up. Suggestions given from the floor were: at the Senior Farewell Assembly

and the movies.

Haruko Yamamoto moved that certificates be presented to the boys at the Senior Farewell Assembly since the balls will not arrive by then, and when they do arrive, to present it at the movies. This motion was carried.

It was agreed by the body present to have the coaches present the awards at the designated places, but if in any event the coaches could not be present it was decided that Spooks Kajihara, Boys' Athletic Manager, present them.

Corky Tanaka was asked to see Mr. McLaren for the money as soon as possible.

With no further business the meeting was adjourned by President George Obana.

Respectfully Submitted,

Dorothy Sakasegawa
Dorothy Sakasegawa
Secretary

The meeting of the new council was called to order by President Orden Ichinaga in Room 4A at the beginning of eighth period.

The minutes of the last council meeting, June 21, 1943, stand approved as read by the secretary. The minutes of the last student body cabinet were read also.

Sachiye Mizuki of the Journalism Class was present at this meeting to discuss the school paper.

The first matter brought forth for discussion was the school paper. Ted Kato announced that the Journalism Class had plans to put out a school paper, and thus had a staff already chosen. He also mentioned that because the class felt that this should be a student body activity, it should be brought before the council for approval or rejection. The staff was announced as follows:

Editor-in-chief.....	Ted Kato
News Editor.....	Aileen Oita
Business Manager.....	Sachiye Mizuki
Art Editor.....	Isao Kiyohara
Production Manager.....	Dottie Matsumoto
Exchange Editor.....	Itsuko Miyanaga

It was revealed that a similar recommendation was made by the cabinet to bring before a council meeting. This recommendation was to have the Journalism Class and all those interested in publishing a school paper publish one with the aid of an advisor, but if in any event the Journalism Class would not be held the interested body will publish the paper as an extra-curricula activity and will elect the staff.

quite a lengthy discussion was held involving the expense, how much should be appropriated for the paper from the student body treasury for the school paper, whether the paper will be part of the activities for student body cards as recommended by the student body cabinet, what grades the paper should include, where the supplies will be available from, and various other

problems.

Mr. Wells, instructor for the Journalism Class was called at this time to help settle some of the questions. Mr. Wells estimated the cost of the paper for the year to be approximately \$40. He also suggested that if the student body could not meet the expenses of the paper, the paper could be easily sold at a small fee to meet the expenses. Mr. Wells also mentioned the reason the class had gone ahead and elected the staff was that since they were taking the journalism course, they felt that they should have the experience in publishing a school paper.

It was moved by Dotty Sakasegawa that the student body publish a school paper which will be handled by the Journalism Class and those interested in working on the school paper, and have the staff elected by the Journalism Class. This motion was carried.

It was then pointed out that it may be possible to have the paper published without any expense if we could obtain the supplies from the school. Since this was not certain, it was decided to have a certain sum set aside for the school paper. It was pointed out that this could hardly be possible unless we definitely knew what our income for the year would be.

The matter concerning the student body card was brought up. As recommended by the cabinet, a motion was carried to have the student body cards sold for 50¢ per card.

Though this motion was passed, Mike Shiratsuki argued that the amount for the cards would not be enough to meet the expenses for the year's activities. He reminded us that there was an estimate of \$40 for the school paper. Thus, Corky Tanaka moved that we have student body cards, but as yet do not set the price until we have a budget made out to estimate our expenses. This motion was carried.

At this time, Mr. Wells suggested that perhaps it would be wise to run

a student body card campaign to see how many cards could be sold, and if there were not enough sold we could always charge for the paper. Dorothy Sakasegawa also mentioned that if the student body cards cost more than 50¢ it would be too expensive. She suggested that we could easily raise funds by other means if in any event 50¢ per card would not meet our expenses.

Thus a third motion was made by Dorothy Matsumoto to have student body cards sold at 50¢ per card. This motion was carried.

It was agreed by the body to have \$10 set aside now for the first two issues of the school paper until further plans were made on the school budget.

At this time, a memo was read by the president from Mr. McLaren in regards to the adobe school. There was an urgent need for additional workers to complete the school buildings, and Mr. McLaren suggested that the council make plans for the students to work there starting next Saturday.

As recommended by the cabinet, it was announced that Mr. Wells and Miss Embree were suggested as our faculty co-advisors. The council unanimously approved of the recommendation. Mr. Wells, who was present, accepted the position and gave a short speech of appreciation and stated that he would do his utmost to fill the position capably.

The next matter brought up concerned the \$6.50 which was due to Mrs. Wakayama who had paid the additional charge of the four gold baseballs presented to the outstanding players of last year. It was pointed out that unless we pay this sum, the award would not be fully a student body award and the boys would have to pay for it.

Corky Tanaka announced that since the purchase was made last year, the receipts and sale ticket were lost by one of the boys in the P.E. Department

last year; therefore, we did not have actual proof present today to indicate that there was an additional charge made unless we investigate at the post office for the receipt of the C.O.D. slip. This was fully understood by the council members.

Ted Kato moved that we appropriate the additional sum and have the secretary send a note of thanks and apology, for the delay caused, to Mrs. Wakayama. This motion was carried.

Though the matter concerning the school calendar was brought up, no definite action was taken so the matter was laid on the table for further discussion.

The president announced the cabinet's recommendation of adding more members to the council to balance the voting power, naming the vice-presidents of each class as the choice for the new representatives. It was stated by the president that the cabinet had worked on this idea upon the suggestion of Mr. McLaren.

A majority of the council members approved of this recommendation when the president asked individually for their opinions.

Aileen Oita moved that the vice-president of each class attend the student body council meetings hereafter to balance the voting power, and thus become new representatives to the council. This motion was carried.

At this time, El Chaparral was brought forth for discussion. It was pointed out by Dotty Sakasegawa that work on the annual should have started last month if a bigger and better annual was expected this year.

Aileen Oita suggested that a meeting be called be called as soon as possible for all those interested in working on the annual, and this group, elect the annual staff since they showed special interest in working on the annual.

When called upon to express their opinions, a majority of the council

members were in favor of the suggestion.

With no further business, the meeting was adjourned by President
Orden Ichinaga.

Respectfully Submitted,

Dorothy Sakasegawa
Dorothy Sakasegawa
Secretary

The meeting was called to order by President Orden Ichinaga in Room 4A after school. The minutes of the previous meeting were dispensed with since the secretary did not have them completed.

Miss Embree and Mr. Wells were introduced to the council as our advisors.

Under old business the matter concerning the school calendar was brought up. The president announced that it was Mr. McLaren's wish to have a school calendar started as soon as possible. He suggested that a committee of three to four be appointed by the student body president to work with chosen members from the faculty to go over the school calendar on Friday, October 22, after each class and the student body had submitted their plans.

It was in doubt by a majority of the council members whether it would be possible to submit the plans of each class by Friday, October 22, as well as those of the student body's. However, the student body vice-president and the four class presidents were elected to serve on the school calendar committee.

The problem concerning the Student Voluntary Work on the school plant was brought up. It was announced by Mr. McLaren that if enough labor is secured, it will be possible to move into the adobe building by November 1. Mr. Crawford also made a similar statement.

Mr. McLaren stressed that it was very important to have the adobe building completed by November 1 since the state school inspector is expected to be in Poston in the early part of November to determine whether our school will be entitled to a Class A or B rating. The bases on which rating will be judged was disclosed as follows: school buildings, lighting and heating system, sanitation of school plant, school morale, equipment, conduct and language of the pupils. Mr. McLaren also mentioned that

probably the school morale will be higher if we did get into the new buildings, as well as an improvement in language and conduct of the students.

Quite a lengthy discussion was held in regards to how we should get the students out to the adobe plant to work. Ted Kato pointed out that if the same procedure as last year is used, it would not be successful. He also stated that unless the students did show their enthusiasm to finish the school, we could hardly expect the parents to volunteer their services.

It was stated from the floor that unless class time is used to work on the adobe, many of the students will not volunteer. Miss Embree stated that perhaps a better way of getting the students to work is by propagandizing the fact that it is only to their benefit that this work must be completed.

Corky Tanaka suggested that if a prize is offered to the class that puts the most effort in to complete the work, we probably have a greater showing. Upon the questioning of one of the students in regard to whether the Community Council would offer any prize at all, Mr. McLaren stated that they had not as yet, but perhaps there is such a possibility. Knowing that the student body treasury could not appropriate any sum for a prize, this suggestion seemed very useless. It was also pointed out by a member from the floor that if a prize is offered, the students would not be working on voluntary basis.

Upon the suggestion of Mr. Wells, a motion was carried to have the Student Council volunteer their services at the school plant tomorrow. In the meantime, the president was to find out approximately how many students could be used at one time, and the council could then make their schedule accordingly.

The question as to what the part-time worker should do was brought up. It was decided to leave this up to the discretion of the employee and his employer.

It was announced that we would meet in front of Room 4A tomorrow immediately after 3:30. The members were asked to change to work clothes during noon hour.

With the approval of the council, Esther Nanamura was appointed by the president to take charge of the student body cards and to see that they are published. She was asked to choose her own committee.

With no further business, the meeting was adjourned by the president.

Respectfully Submitted,

Dorothy Sakasegawa
Dorothy Sakasegawa
Secretary

The meeting was called to order by President Orden Ichinaga in Room 4A eighth period. The minutes of the previous meeting were dispensed with due to the lack of time.

The president announced that this meeting was called in order to work out a Student Voluntary Work Schedule to put into effect beginning tomorrow if possible, because there was an urgent need for additional workers to complete the school buildings.

Due to the fact that a newspaper meeting was also being held at the same time of this meeting several council members were absent. Realizing that we lacked one member to constitute a quorum, Advisor Miss Embree and those present today felt that it was in order for the body present to work out a Student Voluntary Work Schedule since this matter was of vital importance which needed to be completed before tomorrow.

After due deliberation, the work schedule that was approved by the council read as follows:

Friday, October 22.....	Sophomore-Freshmen
Saturday, October 23 (a.m.).....	Senior-Seventh Grade
(p.m.).....	Junior-Eighth Grade
Monday, October 25.....	Sophomore-Freshmen
Tuesday, October 26.....	Junior- Eighth Grade
Wednesday, October 27.....	Seniors-Seventh Grade
Thursday, October 28.....	Juniors-Eighth Grade
Friday, October 29.....	Sophomore-Freshmen
Saturday, October 30 (a.m.).....	Juniors-Eighth Grade
(p.m.).....	Seniors-Seventh Grade
Monday, November 1.....	Freshmen-Sophomore
Tuesday, November 2.....	Seniors-Seventh Grade
Wednesday, November 3.....	Juniors-Eighth Grade
Thursday, November 4.....	Seniors-Seventh Grade
Friday, November 5.....	Sophomore-Freshmen
Saturday, November 6 (a.m.).....	Seniors-Seventh Grade
(p.m.).....	Juniors-Eighth Grade

It was pointed out by the president that if in any event there is not a large enough showing on any particular day that it would be up to the council and class cabinets, as leaders of the school to volunteer on such

a day.

Since there wasn't any further discussion on the schedule, the meeting was adjourned by the president.

Respectfully Submitted,

Dorothy Sakasegawa
Dorothy Sakasegawa
Secretary

The meeting was called to order by President Orden Ichinaga in Room 18, eighth period. The minutes of the previous meeting stand approved as read by the secretary.

Under old business, Corky Tanaka announced that the additional charge for the four gold baseballs was \$6.51 on the C.O.D. receipt. Although it was only a mere difference of one cent, the correction was made and the body agreed to pay also the added one cent to the sum of \$6.50. The treasurer announced that he was still unable to get Mr. McLaren's approval on the matter since no receipt of the transaction was available to verify that the purchase was made. He stated that perhaps the C.O.D. receipt could be used as the verification.

Under new business, the president announced the following recommendation from the cabinet to the council: an amendment be made to the constitution to allow new organizations and clubs to form and function during process of the making of a new constitution.

This new constitution was explained to the council members by the president. He stated that the cabinet has been working as a committee in drafting a new constitution to replace the old one, which they felt to be very inadequate. Corky Tanaka added that the new constitution would govern everybody on the school plant forming a cooperative government. Until this constitution is ratified no new organization can be formed unless an amendment is made to the old constitution which will stand till the new document is ratified.

It was explained by the president that the amendment will not be submitted to the members of the student body through the regular procedure provided for in the constitution, but if the administration approves of the amendment, it will be taken to each core class for ratification.

Corky Tanaka moved to make the following amendment to the constitution:
New organizations and clubs can form and function during process of the
making of the new constitution provided permission is granted by the admini-
stration. This motion was carried.

With no further business, the meeting was adjourned by the president.

Respectfully Submitted,

Dorothy Sakasegawa
Dorothy Sakasegawa
Secretary

The meeting was called to order by Vice-President Mike Shiratsuki, due to the absence of the president, in Room 18 during activity period. The minutes of the previous meeting stand approved as read by the secretary.

Mike Shiratsuki announced that the purpose of this meeting was to decide whether or not the Student Council would approve to appropriate a sum of \$6 to pay for the estimated expense of the Student Body Social, Friday January 21.

There was very little discussion on the matter. Aileen Oita moved that the council appropriate \$6 to meet the expenses for the social. This motion was carried.

On considering the matter over again, it was brought up by Mits Ikeda that perhaps it would be wiser to make the previous amount larger to account for any necessary expense that was not realized at the time the estimated cost was figured. Aileen Oita added that any left over sum would naturally go back to the treasury.

A second motion was moved by Mits Ikeda to appropriate the sum of \$7.50 to meet the expenses for the social. This motion was carried.

At this time, a treasury report was given by Corky Tanaka as follows:

Balance of treasury prior to December 17.....	\$99.96
December 17, paid to Wakayama for baseballs.....	6.51
Balance.....	<u>\$93.45</u>
Received from classes for receipt books.....	.30
Balance to date.....	<u>\$93.75</u>

With no further business, the meeting was adjourned by Mike Shiratsuki.

Respectfully Submitted,

Dorothy Sakasegawa
Dorothy Sakasegawa
Secretary

The meeting was called to order by Vice-President Mike Shiratsuki in Room 18 during activity period. The minutes of the previous meeting stand approved as read by the secretary.

A memo from Mr. McLaren to the president, concerning the Study Room Supervision was brought under consideration. The president stated that the cabinet had approved to recommend to the Student Council, Mr. McLaren's suggestions and recommendations for their consideration.

When the matter was opened for discussion, Mr. Wells suggested the possibility of combining study rooms into two or three large study halls. It was pointed out that in this way not only one monitor be elected for a study room, but two or three monitors be elected and have entire supervision of the study hall. Mr. Wells also added that perhaps a group could get figures of how many study rooms were being held, the number of students in each, the periods, investigate what large rooms would be available, and other facts. It was also stated that if two or three monitors were responsible for one large study hall, the task would be easier for the monitors. It was suggested that the matter of study hall supervision be taken to the students in the various study halls instead of the core classes, as the former is the one involved.

Frances Yoshida moved to refer Mr. McLaren's suggestions to the students for the various study halls.

Mrs. Courage and Miss Decker were recommended as advisors, pending approval by Mr. McLaren.

Another memo from Mr. McLaren was read by the secretary in regard to the Student Body Social Calendar. Mike Shiratsuki announced that the social committee had met again and reconsidered the proposed Calendar. He stated

that the revised calendar had been submitted to the cabinet and was approved, and now was being referred to the council for their consideration. The calendar approved by the cabinet read as follows:

<u>Date</u>	<u>Event</u>	<u>Sponsorers</u>	<u>Guests</u>
February 5	Senior Ball	Seniors	Juniors
March 18	Sophomore Hop	Sophomores	9-12 grades
April 1	Student Body Benefit	Student Body	9-12, Community
April 22	Junior-Senior Prom	Juniors	Seniors
May 19	Freshmen Dance	Freshmen	9-12 grades
June 3	Senior Banquet	Seniors	Seniors
June 8	Student B. Farewell Social	Student Body	9-12 grades

The vice-president stated that the Student Body Benefit was to raise funds for all the classes. He said that Mr. McLaren preferred to have one big organization put on a benefit and divide the profits among the various organizations participating. Mike Shiratsuki also stated that in order to raise a reasonable profit, the residents of the community would have to be invited. A vote was taken on whether the camp should be invited or not. The council unanimously approved to have the Student Body Benefit for the entire community.

Some suggestions made for the benefit was a carnival with the individual core classes and other organizations setting their own booth, or to have a benefit dance and sell raffles.

There was also some discussion on changing the date of the Student Body Benefit in order for the Sophomore Class to have a better backing before they put on their hop. No alterations were made on this matter.

Frances Yoshida announced that the Art Club would like to submit their date for their dance. She stated that the club had received \$25 from the Community Enterprise, not in cash, but in exchange for goods purchased there free-of-charge. Some art equipment had already been purchased, but yet there was part of the sum left, and the club had decided to sponsor a dance on April 1.

As the date of April 1 had already been taken, and the possibility of combining the dance with the Student Body Benefit met with little approval, the Art Club Social was submitted on the calendar as May 12.

Dotty Matsumoto announced that the El Chaparral had made a few plans to have their benefit on February 26. Mike Shiratsuki stated that Mr. McLaren had agreed to this benefit dance since the additional money was needed urgently to cover the expense of publishing the annual. This date was also submitted on the calendar.

It was pointed out by Dotty Sakasegawa that perhaps the Freshmen Class would not want to sponsor their social for the entire student body. It was the understanding of the body that the decision would be left to the Freshmen Class.

The final calendar which was unanimously approved by the council read as follows:

February 5	Senior Ball
February 26	El Chap Benefit
March 18	Sophomore Hop
April 1	S. B. Benefit
April 22	Junior-Senior Prom
May 12	Art Club Social
May 19	Freshmen Dance
June 3	Senior Banquet
June 8	S. B. Farewell Social

The following report on the cost of blocks for athletic awards was given by Spooks Kajihara:

<u>Team</u>	<u>Size</u>	<u>Price</u>
A's	7"	\$12.84
B's	6"	16.44
C's	5"	11.46
(Postage included) Total		\$41.53
With discount		\$38.10

For the baseballs estimated cost amounted to \$30 and for the basketballs--\$35, making a total of \$103 for all three sports.

There was quite a lengthy discussion on what per cent of the cost

should be appropriated by the student body funds. Corky Tanaka moved that the student body subsidize one-third of the cost for the blocks of all sports, the cost not exceeding the ceiling price of \$35. This motion was carried.

The matter of organizing a Block "P" Society was brought up by Spooks Kajihara. He stated that the society could not be organized till approval is granted by the council as well as Mr. McLaren. He stated that the purpose for the Block "P" Society was to create sportsmanship.

Upon taking a vote, the council agreed that a Block "P" Society be established. This was by a majority vote.

Since time was getting short, the meeting was adjourned by Vice-President Mike Shiratsuki.

Respectfully Submitted,

Dorothy Sakasegawa
Dorothy Sakasegawa
Secretary

The meeting was called to order by President Orden Ichinaga in Room 18 during activity period. The minutes of the previous meeting stand approved as read by the secretary.

Under old business, the matter concerning the school calendar was brought up. Mike Shiratsuki announced that he had spoken to Mr. McLaren about it, and the latter stated that on a second thought he felt that it would be better not to have the Student Body Benefit, but instead have the various organizations sponsor individual benefits if they so desired. An objection was raised to this by a member stating that if one big organization sponsored the affair, there would be a greater fund raised; whereas, if the various organizations had their own benefits, there would hardly be a reasonable profit made. It was revealed through a unanimous vote that the council approved to leave the social calendar as previously passed.

Mike Shiratsuki was asked by the president to see that the calendar is submitted to Mr. McLaren for his approval and also to submit it to the Parents' Teachers' Association for their consideration. If both party approves then it will be posted in the school bulletin.

Under new business, the matter of a Student Body Assembly was discussed. The president stated that at the last cabinet meeting, February 11, plans were made to have a student assembly this Friday, February 18, with Dr. H. B. Dunlap of Los Angeles as speaker, but as it was impossible to get the speaker here on Friday, the assembly was cancelled. Mike Shiratsuki announced that tomorrow, Thursday, February 17, the periods will be cut short for a basketball game commencing at 2:40 p.m.

Opinions on future assemblies were asked for. Unanimous opinions were: we should have assemblies, perhaps every Friday having various organizations sponsoring them.

The president introduced George Oki as chairman of the Student Film Committee. This committee was explained by Corky Tanaka as the committee who will be in charge of showing pictures for a very minimum cost. Word was received from Mr Wells' Periods 3-4 Core Class, through George Oki, that the project projector will be available for all three schools, as soon as it comes back from the repair shop in Los Angeles. He also stated that educational films will be available. The only cost involved will be the postage and the rentals of the films. The cabinet had already approved to set aside a \$7.50 revolving fund.

Members of the committee were announced as follows: George Oki, Chairman; Sally Imoto, Dan Inouye, Corky Tanaka, and Henry Iyemura. George Oki also stated that possibly the students would be charged a small fee to pay back the money set aside, perhaps somewhere around two to five cents.

Mike Shiratsuki moved that the sum of \$7.50 be set aside from the student body funds for a revolving fund to finance the showing of the movies. This motion was carried.

George Oki was asked by the president to see Mr. McLaren in regard to this matter to get his approval.

The president then gave a report on the Study Room Supervision. As was passed in the last council meeting to refer Mr. McLaren's suggestion to the students of the various study halls, a regular procedure was planned by the secretary to be taken to all study halls and Mr. McLaren. Procedure was as follows: Every study hall will be requested to elect officers if they have not as yet by Monday, February 21. On Tuesday, February 22, a meeting will be held for all the study room representatives to set up rules of conduct for all study halls. The rules are to be submitted to this council on Thursday, February 24, 1944.

Also at the last cabinet meeting, February 11, a memo was received from Mr. McLaren requesting a Student Social Conduct Committee be organized to set up definite rules and standards of conduct for evening activities of the school. It was approved by the cabinet to set up this committee.

Corky Tanaka moved that a Student Social Conduct Committee be organized. This motion was carried.

The president appointed Mike Shiratsuki as chairman of this committee, and the four class vice-presidents to serve on this committee--Joe Tsuboi, Lefty Kiyohara, Henry Terao, and Charles Nakamura. Mike was asked to be ready to submit a report to the council by February 24.

The matter concerning the athletic awards was again brought up. Contrary to the previous motion passed at the council meeting of February 4, to subsidize one-third of the cost for the blocks and emblems of all sports--the cost not exceeding the ceiling price of \$35; it was moved by Corky Tanaka at the last cabinet meeting of February 11, to pay 50 per cent of the cost of the letters for the first time the boys earn it and only the first time--this cost not to exceed \$35; the only exception to this is when a person progresses from a lower to higher division he will receive another block of which the student body will pay one-half. No player will receive an additional block if he declines in rank. Emblems and stars for captaincy will be paid fully by the cabinet.

There was some objection to this. A question was brought up regarding whether the 50 per cent will exceed far above \$35. Since quite a few members doubted whether this plan would work, the matter was laid on the table. Corky Tanaka and Harumi Kajihara were asked to have a full report on this and the the actual figures on paper.

In regard to the Block "P" Society, a memo was read from Mr. McLaren to

Spooks Kajihara. Mr. McLaren stated that unless a very good purpose for this society could be established, it should not be brought to existence. He also asked how would this society fit under the new government?

At the last cabinet meeting, it was not yet approved by the cabinet whether to have the Block "P" Society organized, since the purpose and qualifications handed in by Kajihara was found inadequate and was returned to him for further consideration.

There was a confliction in this since it was approved at the last council meeting to organize a Block "P" Society. The body did feel, though, that the organizing of the Block "P" Society should not be prevented by the drafting of the new constitution. In all probability, it would be quite sometime before the constitution would go into effect and until that time the society could be organized. The body felt that there should not be any stop in school activities just to wait for the new constitution.

This matter was also laid on the table for further consideration.

With no further business, the meeting was adjourned by the president.

Respectfully Submitted,

Dorothy Sakasegawa
Dorothy Sakasegawa
Secretary

The meeting was called to order by President Orden Ichinaga in Room 18 during activity period. The minutes of the previous meeting stand approved as read by the secretary.

Under old business, the secretary read the report submitted by the Study Room Rules Committee. (Attached)

Mr. Wells stated that the rules should be more definite. He explained that as it is, for example, Rule 8 states that, "When the bell rings, all chairs should be picked up carefully so the noise will be less as possible; whereas, it would be more practical if the rule read: If the occasion arises to move the chair at anytime, chairs are to be lifted and not dragged so as to eliminate the noise.

After due discussion, alterations, comments, and additions, the Rules of Conduct for Study Halls which was amended and approved by the council read as follows:

Rules of Conduct for Study Halls

The following rules have been made up for the purpose of better conduct and cooperation among the students during the study periods. Let us remember that this period is not a place for social conversations, but a place to study.

1. Talking must be held to the minimum. If a person becomes a nuisance, his name will be submitted to the office by the monitor or secretary, when the person will be requested to report immediately. The decision of the office, in regard to discipline, will be final.
2. All students should be in their seats three minutes after the bell, for the attendance will be taken at that time.
3. A seating chart is requested to be made by each period, so the secretary can take the roll.
4. Passes for the library should be of either one of these two purposes: (1) research work (2) to secure or return a book.
5. All students who finish their business at the library should come back immediately and give up their passes to others, for a certain limited number is admitted from each class to the library.

6. All students must remain in their seats unless they are leaving the room.

7. Passes to other places besides the library, such as the office, maybe secured providing an adequate reason is give to the monitor. The decision of whether the reason is acceptable or not will rest on the monitor.

8. These rules are applied to all study halls regardless of monitors or teachers.

The original Rule 4 was eliminated for the body felt that Rule 1 covered it sufficiently, and the council also felt that all persons attending study hall should come with the idea of studying; therefore, Rules 4 was regarded as unnecessary.

Elwood Ito was appointed by the president to secure the names of the officers of the study halls to be published with the rules when they are duly established.

At this time, George Oki gave a report on the Student Film Committee. He stated that letters were written to various company for films. He also informed the council that he had received Mr. McLaren's approval on this matter.

Mr. Wells announced that the projector will be available every Thursday from Unit 3. He added that the movie "Desert Victory" will be available for our use on April 13.

Upon the questioning of George Oki as to what grade level the movies should be shown, quite a lengthy discussion was held. The president stated that according to the present constitution, those from ninth grade through twelfth grade will be permitted to see the movies. Mr. Wells stated that it will be senseless for the entire Student Body to see certain movies, such as math, science, or any of the subjects in the technical fields, for only those interested in the subjects will be interested in the movies.

Questions that followed were: (1) How about the time limit on the

pictures? (2) Will the movies be shown during class hours? In answer to this, the majority of the council members felt it should since the films were educational and were intended for such, and if given after school hours, many students may not be able to attend. (3) Where will movies be shown for the entire student body? (4) How does an individual taking Core 6-7, get to see a picture sixth period on science of which he is interested in?

It was suggested that the Film Committee plan a regular schedule and submit a report to the council in answer to the above questions. This suggestion was made into a motion, second, and then passed by unanimous vote of the council.

The following report was submitted to the council by Corky Tanaka in regards to the athletic awards.

Working on the basis that approximately 68-70 athletes will be eligible for awards, the four possible amounts that might be appropriated by the student body was figured as follows:

System 1--One-third on the cost of Block "P's" and full cost on the emblem and star. Block given in every sport--totaling \$39.84.

System 2--One-half on the cost of blocks and full cost on the emblems and stars. Block given once--totaling \$43.52.

System 3--One-third of blocks under same system as No. 2--totaling \$31.51.

System 4--Same system as No. 2 except one-half on emblems and stars--totaling \$39.77.

Corky stated that the above figures did not include discounts. He also stated that only football, basketball, and baseball were taken into consideration; while awards for coaches, managers, and track were not provided as yet since the Boys' Physical Education Department has not made definite plans for track.

System 3 seemed to be the most favorable price, but after the track and other miscellaneous awards (coaches, managers, etc.) are added to this, the council felt that it would exceed the amount which the student body could appropriate.

It was suggested that perhaps the best thing to do was to ask the Boys' P. E. Department to state more specifically what their plans are and then submit them to the council. This would then eliminate the waste of time in having long discussions which seem to get us nowhere since we do not have the needed information.

It was moved by Corky Tanaka to leave this matter on the table till such a time when the Boys' P. E. Department is ready to submit a report to the council. This motion was carried.

In regard to the student assemblies, it was decided by a majority vote to have the Student Council be the controlling body of the assemblies, with various organizations participating by being sponsors. It was suggested that assemblies could be easily held between the adobe buildings or in front of the building, with each student responsible to bring and to take back his own chair.

Marie Sunada recommended that student assemblies be held every other Friday from 1:45 to 2:45 p.m. for grades nine through twelve. This recommendation was unanimously agreed upon by the council.

Mr. Wells suggested that Henry Inagi be consulted about the stage, and perhaps arrangements could be made to have the Wood-Shop construct the stage.

The secretary was asked to get Mr. McLaren's approval on the matter of assemblies before March 3.

Under new business, Mr. Wells asked the council what our opinions were in regard to the special issue of El Bullador on school government. Many members felt that it did the cabinet, council, and the school as a whole a lot of

good to take aware of the school government. Both Dorothy Sakasegawa and Corky Tanaka stated that perhaps one of the most important error made was that no mention was made of the students and their failure to cooperate many times and give wholeheartedly their support to the school.

Corky Tanaka suggested that perhaps it would be wise to circulate a sheet of paper in each core class and ask for suggestions on future and better student body activities. This way we could make another start and show that the council wants to cooperate with the rest of the student body members.

This suggestion was made into a motion and unanimously passed by the council.

With no further business, the meeting was adjourned by President Orden Ichinaga.

Respectfully Submitted,

Dorothy Sakasegawa
Dorothy Sakasegawa
Secretary

RULES OF CONDUCT FOR STUDY HALLS

(Submitted by the Study Room Supervision Committee)

The following rules have been made up for the purpose of better conduct and cooperation among the students during the study period. Let us remember that this period is not a place for social conversation, but a place to study.

1. Talking is permitted to the extent that it will not disturb the other students, and not for pleasure, but for reference.
2. All students should be in their seats three minutes after the bell, for the attendance will be taken at that time.
3. A seating chart is requested to be made by each period, so the secretary can take the roll.
4. All names of persons who do not have anything to occupy themselves and disturbing others, should be taken and reported to the office.
5. Passes for the library should be of good reason and not just for the sake of getting out of class.
6. All students who finish their business at the library should come back immediately, and give up their passes to others, for a certain limited number is admitted from each class to the library.
7. All students must remain in their seats as much as possible during the period. (until the sound of the bell.)
8. When the bell rings, all chairs should be picked up carefully, so the noise will be less as possible.
9. These rules are applied to all study halls regardless of monitors or teachers.

REQUEST

It has been requested by some persons, that more tables and chairs be brought in study hall #14 especially during the fifth period. There as not been enough chairs for all the students.

It has been suggested that some of the fifth period study students of Room 14 be transfered to Miss Wrenchey's fifth period study .

The meeting was called to order by Vice-President Mike Shiratsuki in Room 18 during activity period. The minutes of the previous meeting stand approved as read by the secretary.

The first matter brought forth for discussion concerned the re-recommendation of the student body cabinet and council advisor. This matter was explained further by Dorothy Sakasegawa who stated that at the last cabinet meeting, February 29, it was brought to the attention of the cabinet.

A memo to the president from Mr. McLaren in regard to the School Administrative Calendar was presented to the cabinet. Carbon copies of this memo were sent to the presidents of the various school organizations and their advisors.

It was apparent by reading the memo that Mr. McLaren had not yet approved officially the recommendation of Mr. Wells as advisor of the Student Body Council and Cabinet since no name appeared on the memo sheet. The president stated that it was the fault of the cabinet not to have secured Mr. McLaren's approval from the beginning. As it was over six months now since the error was made, and Mr. Wells has been acting in the capacity as advisor since then, it was the understanding of the council that Mr. Wells and Miss Embree were our advisors officially:

It was also pointed out that there were many times during the past six months when it was brought to the attention of Mr. McLaren that Mr. Wells was mentioned as our advisor, but yet there were no comments made.

The president suggested that the only possible thing to do to have Mr. Wells as the official advisor was to make another recommendation and carry it through the regular procedure as provided for in the constitution.

To this suggestion, the council raised no objection. Elwood Ito moved to recommend Mr. Wells as advisor of the Student Body Cabinet and Council. This recommendation was approved by unanimous vote.

Dorothy Sakasegawa suggested that we have two advisors to avoid any meetings without an advisor if in any case Mr. Wells will not be able to attend all the meetings. Mr. Wells added that perhaps this would be wise since he was uncertain about his stay here.

Mits Ikeda suggested Miss Smith as the co-advisor if she was too busy. Mr. Wells stated that after the school play is over with, Miss Smith will not be too occupied with her work.

Aileen Oita recommended Miss Smith as co-advisor with Mr. Wells. This recommendation was unanimously approved by the council.

As requested by Mr. McLaren, Mike Shiratsuki announced that the cabinet had made a schedule for all future student body events for the School Administrative Calendar. The schedule submitted to the council read as follows:

March 2	Council Meeting--Plans for benefit
10	Cabinet Meeting--Plans for benefit, Plans for S.B. Assembly
13	Council Meeting--Plans for S.B. Assembly
17	Assembly sponsored by student body
24	Cabinet Meeting--Work on benefit
27	Council Meeting--Work on benefit
31	Assembly sponsored by Sophomore Class
April 1	Student Body Benefit
3	Council Meeting
14	Assembly sponsored by G.A.A.
21	Cabinet Meeting
24	Council Meeting
28	Assembly sponsored by Junior-Freshmen Classes
May 1	Council Meeting--Preparation for election
12	Assembly sponsored by faculty
19	Cabinet Meeting--Election turnouts
22	Council Meeting--Plans for S.B. Farewell Social
26	Assembly sponsored by S. B. (Installation of Officers)
June 8	Student Body Farewell Social

There was some discussion held in regard to the Student Body Farewell Social. Aileen Oita pointed out that June 8 was not the best date since the commencement night was tentatively scheduled for the following nite; whereas it would be more convenient to have commencement on the eighth and the social the following night. Mr. Wells stated that the changing of the commencement

date would be left to the Senior Class. The body agreed that the Senior Class should have preference to dates first.

Charles Nakanura stated that he was rather hesitant about the Freshmen Class participating in the assembly on April 28. Mr. Wells stated that no organization would be forced to participate for there were probably other clubs willing to take part in assemblies. He suggested that a report be submitted to the council by the sponsorers of the assembly about a week before their date. This would eliminate any indecision of whether there would be an assembly or not as scheduled.

Kouichi Tanaka moved to accept the schedule of events as submitted by the cabinet. This motion was carried by unanimous vote.

The following report was submitted to the council by the Social Conduct Committee. (attached)

Major alterations were made for the following reasons:

Rule Two: "The social must end by 11:45 p.m. at the latest" was omitted for it was pointed out that during the summer if any socials are held, they would probably not start until late in the evening, therefore it would most likely last a little longer if four hours were permitted for the length of each social.

In Rule 12, the P.T.A. was omitted for this body was not easy to bring together and seldom met except for the executive board. It was suggested that in order to have a voice of the P.T.A. in regard to the socials, they submit their recommendations to the council and then the council would follow them out if approved.

The additional clause was added to this rule to assure that no body would have too much power, and if two bodies unanimously approves of an event, there should be no reason why the event could not be put on.

Also, during the discussion of this rule, Henry Terao read a memo from

Mr. McLaren in regard to the Sophomore Hop addressed to Vice-President Henry Terao of the Sophomore Class and Advisor Mrs. Harris.

In Rule 14, the council agreed to have the student body treasurer approve or disapprove of whether admission fees should be necessary or not, together with the sponsoring organization, since he was in charge of all class treasury and would know the standing of each account.

Many minor corrections and additions were made to the Rules and Regulations for Conduct of Social Events. Rule 12 was added to enforce all eleven rules.

Dorothy Sakasegawa moved to approve the final copy of the Rules and Regulations for Conduct of Social Events, and Rules and Procedures for all School Social Events. This motion was carried by unanimous vote. The final copy read as follows: (attached).

Since time was getting short, Mike Shiratsuki moved to adjourn the meeting. The meeting was then adjourned.

Respectfully Submitted,

Dorothy Sakasegawa

RULES AND REGULATIONS FOR ALL SCHOOL SOCIAL EVENTS

(Submitted by Social Calendar Committee-Original)

1. There will positively be no smoking inside the mess hall.
(The "location" mentioned anywhere in these rules and procedure refers to the 210 Mess Hall, unless otherwise stated since nearly all social events at night will be held at the 210 Mess Hall.
2. All persons caught smoking inside will be subject to being ordered outside for the rest of the evening and not allowed inside. Also, their names will be immediately reported to the school administration and its members' decision will be final in mustering punishment.
3. No profanity must exist as persons connected with it will be subject to the above statements in #2.
4. There will be no gate crashing. All those guilty will be subject to action against them as mentioned in #2.
5. Dance hall courtesy must exist.
6. Rowdiness shall not exist.
7. All rowdism and language profanity and other disorderly conduct will be reported to the school administration and its members' actions will be final in the dealing of any party and will also decide on the continuance of future events, in case of the above mentioned conducts.
8. Cooperation must be given from everyone in time of games, and other directions from the recognized chairman or speaker of the event.
9. Stag lines must necessarily obey the speaker and obey his directions in moving back if necessary.
10. No one will touch the light gloves except recognized committee members.
11. No students will be allowed to go back of the counter.

RULES AND REGULATIONS FOR CONDUCT OF SOCIAL EVENTS
(Approved by the Student Council)

1. There will positively be no smoking inside the mess hall. (The "location" mentioned anywhere in these rules and procedures refers to the 210 Mess Hall, unless other wise stated since nearly all social events at night will be held at the 210 Mess Hall.)
2. All persons caught smoking inside will be subject to being ordered outside, by the policeman on duty, and will not be allowed inside for the rest of the evening. Also, their names will be immediately reported to the school administration and its members' decisions will be final in mustering punishment.
3. No profanity must exist as persons connected with it will be subject to the above statements in #2.
4. There will be no gate crashing. All those guilty will be subject to action against them as mentioned in #2.
5. Dance floor courtesy must exist.
6. Rowdiness shall not exist.
7. All rowdism and language profanity and other disorderly conduct will be reported to the school administration and its members' actions will be final in the dealing of any party, and will also decide on the continuance of future events in case of the above mentioned conducts.
8. Cooperation must be given from everyone in time of games and other directions from the recognized chairman or speaker of the event.
9. Stag lines must necessarily obey the speaker and obey his directions in moving back if necessary.
10. No one will touch the light gloves except recognized committee members.
11. Only recognized committee members will be allowed to go behind the counter.
12. If the above set rules are violated in any way, all future social events of this high school will be cancelled.

RULES AND REGULATIONS FOR ALL SCHOOL SOCIAL EVENTS

(Submitted by the Social Calendar Committee...Original)

1. The length of the night social event will not be more than four hours.
2. The social must end by 11:45 p.m. at the latest.
3. Chaperones must be present at all night social events.
4. A minimum of two couples chaperones must be provided regardless of size of crowd.
5. All school social events must have a minimum of one representative of the school faculty or administration present.
6. A minimum of one police department representative on active duty, must be present.
7. At least one member of the local Fire Department should be present.
8. A written and signed permission paper should be obtained from the Steward's Office for proper use of the 210 Mess Hall if that location is wanted.
9. Permission must be granted for use of the 210 Mess Hall from the chef of that hall.
10. Permission must be granted from the Fire Department for any sort of interior or exterior decoration of the hall.
11. All social events must be listed properly on the Registration of Events form.
12. All social events must meet the approval of the Social Events Calendar, school principal, and the Student Council, and if necessary, the P. T. A.
13. In case of benefits, a fairly accurate budget must be made out for judgment by the above mentioned three parties.
14. Admission fees will be charged if deemed necessary.
15. The group or organization responsible for the event must ascertain that the location used be left in the same or better condition as found before the event.

RULES AND PROCEDURES FOR ALL SCHOOL SOCIAL EVENTS
(Approved by the Student Council)

1. The length of the night social event will not more than four hours.
2. Chaperones must be present at all night social events.
3. A minimum of two couples as chaperones must be provided regardless of size of crowd.
4. All school social events must have a minimum of one representative of the school faculty or administration present.
5. A minimum of one representative from the police department, on special assignment, must be present.
6. At least one member of the Local Fire Department, on special assignment must be present.
7. A written and signed permission paper must be obtained from the Steward's office and the mess hall chef, one week prior to the date of the event.
8. Permission must be granted from the Fire Department for any sort of interior or exterior decoration of the mess hall, one week prior to the event.
9. All social events must be listed properly on the Registration of Events Form.
10. All social events must meet the approval of the Social Events Calendar Committee and advisor, school principal, and Student Council and advisor.

In the event of a disagreement between these three groups concerning a social event, the unanimous vote of any two groups in favor of a proposed social will override the veto of the third group.
11. In the event that a benefit is proposed, an accurate budget must be presented by the organization to the above mentioned three parties for approval.
12. Admission fees will be charged if deemed necessary by the organization sponsoring the affair and if approved by the student body treasurer.
13. The group or organization responsible for the event must ascertain that the location used be left in the same or better condition as found previous to the event.

Submitted to all high school core classes.....March 9, 1944

It has come to the attention of the Student Council that recently there has been a bigger demand for more and better student activities.

The council has been earnestly working on various activities--namely, assemblies and a Student Body Benefit, which are both awaiting approval by Mr. McLaren.

The Student Body Benefit has been suggested to raise fund for the classes, instead of each class sponsoring their own benefit. Thus, it will be necessary to have it a big affair, perhaps a carnival or the like.

Before making any further plans, we would like you to make your suggestions in regard to this matter and also other recommendations for possible student activities to be held in the future.

(Please submit your recommendations and suggestions to the Council in written form below on or before March 13, 1944.)

SUMMARY OF STUDENT BODY ACTIVITIES

1943

July 13, 31, August 1, 13, 21, September 18 the Student Body Cabinet met during the summer making tentative plans for the coming year under the presidency of George Obana.

A few of these did not meet the approval of Mr. McLaren, while the Student Co-op was not possible because of the W. R. A. Regulations and thus at the beginning of the year all these plans were dropped.

- September 21....Plans made for social for Tule Lake segregants. Approved to have the upper three classes and student body to share expenses and committees.
- October 15.....Council unanimously agreed to have the Journalism Class take charge of the school paper with interested students, aside from the class, to also be able to work on the paper.
- October 21.....A work schedule at the adobe plant was made by the cabinet.
- October 25.....Council approved to have all those interested in working on the school annual to meet to discuss plans and to elect the staff.
- November 1.....Cabinet met with school administrators and Core Class instructors to plan dedication ceremony for the new buildings. Vice-President Mike Shiratsuki and the other four class vice-presidents: Joe Tsuboi, Isao Kiyohara, Henry Terao, and Charles Nakamura were appointed to serve on the committee.
- November 12....Date set for Dedication Ceremony postponed till science department is completed, due to windstrom.
- November 7.....The drafting of a new constitution, the Cooperative Government was started for in many ways the present constitution was proven to be inadequate.
- December 3.....Proposed new constitution was submitted to the faculty for their consideration.
- January 14.....Plans started for student body social which was held January 21, Friday.
- January 24.....The first school calendar was submitted to the cabinet by the Social Calendar Committee. This was rejected by both Mr. McLaren and the cabinet since it had every week end filled.
- Boys' P. E. Department asked for appropriation of blocks.
- February 25....Since the meeting of January 24, the council and cabinet had many discussions on the blocks, but as the department did not have definite plans set for how many sports they were going to engage in, final action could not be taken.

The following are now awaiting Mr. McLaren's approval:

1. Rules and regulations for all school events. Procedures for all school socials.

2. Rules and regulations for conduct of study halls. Drafted by the study hall representatives with Mary Kanagawa as chairman and Mrs Courage as faculty advisor.

3. Student Film Committee: George Oki, chairman; Sally Imoto, Dan Inouye, Corky Tanaka, Lefty Kiyohara, and Henry Iyemura, with Mr. Robert C. Wells as faculty advisor.

As approved by the council, it has been planned to have these films to be shown during school hours charging the students from one to five cents to cover the cost of postage and rental of the films.

4. Student Body Schedule of Events....The council approved to have an assembly every other week hereafter on Friday from 1:45 to 2:45 p. m.

March	17	Assembly sponsored by student body
	24	Cabinet Meeting
	27	Council Meeting
	31	Assembly sponsored by Sophomores
April	3	Council Meeting
	14	Assembly sponsored by the G. A. A.
	14-15	Student Body Carnival
	21	Cabinet Meeting
	24	Council Meeting
	28	Assembly sponsored by the faculty
May	1	Council
	12	Assembly sponsored by the Juniors-Freshmen
	19	Cabinet Meeting
	22	Council Meeting
	26	Assembly sponsored by Student Body
June	8	Student Body Farewell Social

The meeting was called to order by President Orden Ichinaga in Room 17 during activity period. The minutes of the previous meeting stand approved as read by the secretary.

The president announced that at the last cabinet meeting Mr. McLaren stated that the re-recommendation of Mr. Wells and Miss Smith as co-advisors could not be approved since the constitution made no provision for co-advisors. A recall was made on the previous recommendation of the last council meeting and Mr. Wells was again recommended by the council to be the advisor of the Student Body Cabinet and Council, which he had been serving in that capacity for the past six months, although not officially approved.

The student body assembly scheduled for Friday, March 17 was brought forth for discussion. The president announced that the assembly would be held from 1:45 to 2:45 for grades 7-12, on the school play stage near Room 18 as previously planned at the last council meeting.

Possible suggestions for the assembly made by various council members included--publicity for the school play, impersonations, monologues, and other entertainment.

It was decided by the council for the secretary and treasurer to give reports, a message from Mr. McLaren, for the president to open the assembly, and to have the vice-president take general charge of the assembly.

At this time, the secretary read the various reports received from the core classes. On March 9, a request was sent to all core classes asking them to make suggestions for future S. B. activities, and if they favored to have a S. B. Benefit, possibly a carnival.

Though the response to this request was not great or 100%, the classes that did submit their recommendations all favored a carnival for the S.B. Benefit to raise funds for the various organization, instead of each one sponsoring their own benefit. Many of the classes gave suggestion for the

carnival, while others made recommendations for improvements of the school and future student activities. (Recommendations attached)

It was moved by Corky Tanaka to have the S. B. Benefit a carnival. This was unanimously agreed by the council.

Mike Shiratsuki pointed out that there were only two and a half weeks before the date set for benefit, therefore it should be extended perhaps two more. The council unanimously agreed with this suggestion and passed to have the date set on April 14 and 15.

The following organizations were suggested to participate in the carnival:

Art Club	Pen Pal Club	Student Body
El Chaparral	Nat'l. Honor Society	Senior Class
G. A. A.	Glee Club	Junior Class
El Bullador	Boys' P.E. Dept.	Sophomore Class
Spanish Club	Red Cross	Freshmen Class
	Film Committee	

It was decided to hold a meeting of all organizations on Friday, March 17, 1944, to discuss plans further with the president, vice-president, secretary, and advisor of each organization.

In the meantime, the president and vice-president were appointed to see how the Community Council felt towards this affair. Corky Tanaka was appointed to investigate matters concerning food.

The council was reminded that everything was as yet tentative, and though a memo was sent to Mr. McLaren sometime ago, in regard to the student body benefit, no reply has yet been received.

A memo was read by the secretary from Mr. McLaren in regard to landscaping of school grounds. A vote taken revealed that the council was interested in seeing the student body working on this project.

As suggested by Mr. McLaren, the following people were elected as a potential committee to investigate possibilities for landscaping and grading the school campus: Fred Yasukawa, Elwood Ito, Joseph Ogawa, Alfred Terao,

Hideko Kawashiri, and Miho Takizawa.

Various suggestions made by the council as to things needed on the campus were as follows: lawn, trees, flagpole, sidewalks, morning glory, benches, gardens--cactus, rock, pavements or roads, and various kind of flowers.

Upon the request of Goro Kudo, President of the Junior Class, the council agreed to change their assembly date with that of the faculty in order to give the Junior Class more time for preparation since they were busy with other activities at present.

At this time, Burton Endo, President of the Junior Red Cross was called in to discuss the possibility of combining the Red Cross Bazaar with the carnival.

Burton stated that the Red Cross had gone ahead with some plans already, but he did favor the idea of combining the affairs. He stated that he would have to report back to the Red Cross Council to get their opinions, and then on Friday they would submit their reply to the council when all the organizations of the school will meet.

With no further business, the meeting was adjourned by President Orden Ichinaga.

Respectfully Submitted,

Dorothy Sakasegawa
Dorothy Sakasegawa
Secretary

RECOMMENDATIONS AND SUGGESIONS SUBMITTED BY CORE CLASSES

Miss Wrenchy--Sixth and Seventh Core

We favor a carnival to raise funds instead of each class sponsoring its own benefit.

Activities suggested included: dances, socials, field days, picnics, plays, talent shows, pageants, movies, speeches, play day, and Monday dances.

Mr. Wells--Sixth and Seventh Core

Suggestion for the carnival included: movie, game booths, sell things made by shop and homemaking classes, dance--one night, talent show or skit, and play.

Mr. Wells--Third and Fourth Core

Suggestions for the carnival included: Donation Dance...admission donation over \$.25. Stags and stagettes allowed. Not a strictly couple affair or no couples allowed--more people will come.

Some kind of food sale, as doughnuts, cookies, drinks, etc.

Student talent show or movie or truth and consequences--charge so much.

Miss Wrenchy--First and Second Core

We favor a carnival instead of each class sponsoring its own benefits.

Other suggestions for activities: plays, dances, cotton fiesta as last year, movies, victory ball for basket ball teams.

Mrs. Harris--Third and Fourth Core

Improvements: The conduct of the lower classmen--eighth and seventh grade, also a better bell system, more greenery around the campus.

We would like to have a carnival.

Suggestion: to have more student body socials because the few we had were good.

The meeting of the Student Council and representatives of the various organizations of the school was called to order by President Orden Ichinaga in Room 18 during activity period. Since the minutes of the last council meeting were read at the assembly, they were dispensed with. Roll call was taken by the secretary.

The president announced that the purpose of this meeting was to make tentative plans for the proposed carnival, scheduled on April 14 and 15, to raise funds for the various organizations.

Discussion was opened on the method of disbursement of the profits. Suggested plans included (1) by percentage--each organization take a certain percentage of the profits made and then give the rest to the student body fund. If further funds are needed by any organization they shall draw up a budget and present it to the council where the decision will be made, (2) total profits to the Student Body and each organization presenting their budget, and (3) by members of the organizations based on per capita. After due discussion on the three plans, a vote was taken which revealed that the majority of the body present favored the percentage plan.

Suggested concessions and other activities for the carnival included:

Penny throw	Fishing Pond
Baseball throw	Dart Throw
Basketball	Raffles
Football	Bingo
Fortune Telling	Refreshment
Voice Recording	Coffee-doughnuts
Ring Throwing	Sandwiches
Novelty Shop	Rice Cakes
Bean Guessing	Chocalate-Tea
Crazy House	Cookies
Stag Show	Noodles
Movie	Pop Corn
Coronation Ball	Cold Drinks
Open House	Ice Cream
	Sno-ko
	Tamales

In regard to the booths on "wheel of chance," "bingo," and also to have raffles, Mr. McLaren stated that it was unwise to have this because they suggested gambling. There were some objections to this, because the majority felt that the aforementioned are the ones that brings in the most profits. Before deciding definitely on these three concessions, Mr. McLaren suggested that a letter be written by the secretary to the State Attorney General.

When the suggestion of open house was brought up, Mr. McLaren asked if this was wise. He commented against this for the following reasons:

1. Since the object of the carnival was to raise money, the free showing would take considerable business away.
2. Undertaking two things at once is quite difficult, therefore one should be left aside.
3. Public school week will be coming during the first week of May, and then would be the proper time for a successful open house.

Several students were called upon to give their opinions and they too felt that if open house is held later both affairs, carnival and open house would be more successful events.

A vote was taken on this matter, and the body unanimously agreed to have the open house separate.

Mr. McLaren added that he hoped each student voted on that matter with the idea of supporting the open house wholeheartedly, as they would if it were to be held with the carnival.

In choosing for the concession, Mrs. Hall expressed her opinions frankly that she felt the Red Cross should have first choice, since they had previously planned to have a Jr. Red Cross Bazaar on April 14 and 15, and other arrangements were already made. She also stated that the Jr. Red Cross was greatly in need of money to establish a toy-room library and if the body was willing to give them first choice, they would choose the concession that would be the most profitable.

The body agreed to have the Jr. Red Cross take first choice, and El

Chaparral second choice.

The Red Cross upon choosing movies for their choice met quite an objection. A number of members felt that this should be left to the student body, under George Oki, chairman of the Films Committee for there would hardly be any work involved towards preparation, with the exception of operating the projector and perhaps a few assistants.

This led to a further discussion and several hasty votes were taken. It was rather difficult situation to handle with the majority of the body present being so disorganized and noisy.

Finally a third vote was taken which settled the matter. It was passed by a majority vote to have the Junior Red Cross get the movies one night and the student body the other night. As a second choice, the Red Cross chose refreshments.

The organizations in choosing their respective concessions met a difficult problem over food. It seemed various clubs were taking some sort of food for their booth, which left the Red Cross without a cafe to run.

It was suggested that possibly the campus cafe could serve various menus such as: (1) coffee or chocolate with doughnuts, (2) noodles, (3) tea-rice cakes, (4) Punch with cookie or sandwiches. Then things like cold drinks could be sold at one stand; peanuts and pop corn at another, while sno-ko and ice cream at a third booth.

Mrs. Hall stated that cold drinks weren't too favorable, while the ice for sno-ko and pop corn was not very easy to get. She added that ice may be available if it is distributed to the blocks by April 14.

In regard to Mr. McLaren's previous statement that bingo and raffles suggested gambling, Mr. Wells pointed out that they are same as the other sports for a winner is always found. The body agreed to leave the concessions, bingo and raffles, on the list.

The concession chosen by each organization read as follows:

Junior Red Cross	Movies--one night, Refreshment
Student Body	Movies--one night
El Chaparral	Bingo
Senior Class	Penny Throw
Junior Class	Baseball Throw
Sophomore Class	Darts
Freshmen Class	Sno-ko
G. A. A.	Coronation Ball
Spanish Club	Tamale Sale
El Bullador	Stage Show

Without any further discussion and seeing that everyone was anxious to get home, the president adjourned the meeting.

Respectfully Submitted,

Dorothy Sakasegawa

Esther Nanamura	Aileen Oita
Tomiko Shiba	Virginia Yanogisako
Mary Nomi	Kinuye Kadani
Kikuye Sukekane	Dotty Matsumoto
Mike Shiratsuki	Frances Yoshida
Larry Onitsuka	Teruko Shigemoto
Paul Dohi	Dotty Sakasegawa
Charles Nakamura	Orden Ichinaga
Kouichi Tenaka	Tayeko Kitamura
George Oki	Miyoko Hironaka
Burton Endo	Joe Tsuboi
Marie Sunada	Lillian Yoshizumi
Itsuko Miyanaga	Mr. Dallas C. McLaren
Mrs. H. Hall	Miss C. Wrenchey
Mr. Robert C. Wells	Mr. Robert Kanagawa
Miss V. Kerber	

The meeting of the Student Council and representatives of the various organizations of the school was called to order by Corky Tanaka, due to the absence of both the president and the vice-president, in Room 18 during activity period. The minutes of the previous meeting were read.

A correction was made by Mr. Wells who stated that no connection should be made with his statement on bingo and raffles and with that of Mr. McLaren's.

Mrs. Hall also corrected the statement on the difficulty of securing cold drinks, which should have stated the difficulty of getting soda pops.

The minutes stand approved as corrected.

The president por-tempore then called for any disagreement on concessions since the last meeting. The Art Club submitted their choice to have a golf course (miniature) for their concession.

There were special request for second choices by the Sophomore and Junior Classes, but it was decided to leave this matter toward the end of the meeting.

It was announced at this time that if ice is not available in Poston by the fourteenth of April, there is a possibility that in Parker it could be purchased.

A question arose whether we should have a Coronation Ball, for it was too similar to Unit Three. Esther Nanamura, G. A. A. President stated that the cabinet had met and decided on the ball. She added that the plans would differ in that there would be no selling of votes, but the voting would be done through core classes. Also, the contest would be for a king and a queen.

In regard to the movies, it was decided by majority vote to have the Junior Red Cross and the Film Committee to come to an agreement on how to work the movies between them.

Upon the suggestion of Mr. McLaren, which was delivered through a telephone message, an election for a student chairman for the carnival was held. George Oki was elected. Mr. McLaren also stated in the message that a faculty

chairman would be chosen at the faculty meeting on Saturday.

In regard to transportation, Mrs. Hall stated she would telephone the transportation department and look into the matter.

The following names were suggested for the carnival: Hi-Jinx, Spring Fiesta, La Fiesta Primavera, and the Campus Capers.

In deciding the name, Mr. Wells suggested that the names be published in El Bullador as a contest and leave a blank line for any other names to be submitted by the members of the student body. It was moved by majority vote to follow this suggestion.

At this time, Mr. Wells asked if the carnival had been officially approved by Mr. McLaren in written form. This could not be answered since no reply was received from Mr. McLaren to this date.

Though dates set for the event were April 14 and 15, the actual opening and closing time was not decided. After a lengthy discussion, it was decided by a majority vote to have the carnival dates as follows:

Friday night.....	7:00 to 12:00 p. m.
Saturday morning.....	10:00 to 12:00 a.m.
Saturday afternoon.....	1:30 to 5:30 p.m.
Saturday night.....	7:00 to 12:00 p.m.

There was some discussion on whether the school should be conducted on Friday afternoon or not, but no recommendations were made on this matter.

Yano Okamoto was elected Food Purchases Chairman, while Marie Sunada was elected Prize Purchase Chairman.

In regard to the disbursement of profits, it was passed by majority vote to have the 60-40 ratio, 60% of the net profit going to the student body, and 40% to each sponsoring organization.

The following second choices were made by the various organizations:

Sophomore Class....	Darts, Potatoes
Junior Class.....	Recording
Freshmen Class.....	Raffles
El Chaparral.....	Bean Guessing

El Bullador..... Candy Sale
Red Cross..... Novelty Shop
 (Junior Red Cross Bazaar articles)
National Honor Society..... Horseshoe Pitching
 (First Choice)

It was agreed by the body to have a Campus Cafe with the Junior Red Cross taking over.

Burton Endo requested to let the Red Cross make arrangements with the Home Economic Department to share profits on food. The body agreed to this request.

Upon the suggestion of Mr. Wells, it was approved by the body to have George Oki take care of further carnival meetings with his committee men. It was suggested to have several representatives from the student body council also present at these meetings and the faculty carnival chairman.

It was pointed out by Mr. Wells that it will be up to George Oki and the carnival committee with the faculty chairman to draw up the ground plans for the setting of the carnival.

With no further business, the meeting was adjourned by Corky Tanaka, president pro tempore.

Mrs. H. Hall

Lefty Kiyohara

Mr. Robert Wells

The meeting was called to order by the president. The minutes of the previous meeting were dispensed with due to the absence of the secretary. Toshiye Ichikawa was appointed secretary por tempore.

Ol business was called for under which Henry Terao gave a report on the coming assembly which is to be sponsored by the Sophomore Class. The report was given as follows: Flag salute, national anthem, radio play, talents.

Since there were no further old business, at this time, the president read a recommendation from the student body cabinet. The recommendation was as follows:

To have the student body sponsor a Victory Ball for the Poston Two Basketball Teams, honoring championship teams B, C, C on April 8 for grades nine through twelve. It was further recommended that an appropriation of \$10 be made to cover expenses. The various potential committees heads were announced for the approval of the council as follows:

Master of Ceremonies.....	Shiro Sato
General Chairman.....	Alfred Terao
Refreshments.....	Sally Imoto
Decorations.....	Hiroko Ichikawa
Entertainment.....	Benny Masatani
Clean-Up.....	Student Body Council
Publicity.....	Hideko Kawashiri

The president stated that the majority of the cabinet favored this Victory Ball for the following reasons: (1) Since the teams requested such a social, it showed how much they were interested in it. (2) The Coronation Ball would probably be a public benefit dance with most likely many elders attending, while the Junior-Senior Prom is limited to the upper classmen, therefore, the majority of the student body would not be going out every week-end. (3) Since the last student body social was in January, it seemed in order to have a social in April for the winning teams. (4) If we do have this social, it will probably help towards building morale and will keep up the boys' spirits for

further victory. (5) The championship teams should be given recognition for their victory.

The president added that Reason 2 was in answer to the questions raised by few cabinet members who were in doubt whether to have the social or not, feeling (1) that the Coronation Ball was to near, and (2) the Junior-Senior Prom was the following Saturday after the carnival.

The question of whether we should or should not have the Victory Ball was put before the group. Though the possibility of sponsoring the ball at a later date was brought up, it seemed out of the question since some sort of activity was going on the rest of the month and the early part of May, and in addition it would be much too late to have a Victory Ball in May.

A discussion was held between pro and anti members. A few reasons from the anti were: The Victory Ball would interfere with the coming carnival, also to some extent with the play.

Several other reasons were also brought up and discussed. An approving motion was made by Elwood Ito. The motion was carried by majority vote.

A discussion concerning the time took place, which was decide upon starting at 7:30 p. m. and ending at 11:30 p.m.

A motion was made by Marie Sunada to approve of the committee chairmen recommended by the cabinet, and the appropriation of \$10, along with the plans fo date and name of social. This motion was carried by unanimous vote.

A question on the coming carnival was broughtup by Corky Tanaka as to whether the student body was going to hold a concession at the carnival or not. An approving motion was made by Elwood Ito, and the result being that the Council approved of the student body holding a concession.

Since there were no further business to be discussed, a motion was made by Henry Terao to adjourn the meeting. The motion being carried, the meeting

was adjourned by President Orden Ichinaga.

Respectfully Submitted,

Toshiye Ichikawa (as)
Toshiye Ichikawa
Secretary Pro Tempore

The meeting was called to order by President Orden Ichinaga in Room 18 during activity period. The minutes were dispensed with as the secretary was tardy. Also present at this meeting were Betty Kado and Miss Wrenchy.

Under old business, a question on assembly dates was brought up by the president. It seemed that the carnival had interfered and offset the schedule previously passed. The Juniors had made arrangements with the high school office and Mr. McLaren to have their assembly on May 5, while it was doubtful whether the faculty was informed that the date for their assembly was this Friday, April 28. Because there was so much confusion and disagreement, Mr. Wells moved to make a new schedule. This motion was carried. The following schedule was approved by the council:

May 5	Junior-Freshmen Assembly
12	Faculty Assembly
26	Student Body Farewell Assembly
June 9	Senior Farewell Assembly

Under new business a memo from Mr. McLaren was read in regard to the Open House. He suggested that a committee be appointed to work out the plans. His suggestion included Open House to be held on May 5, with 5, 6, 7 periods to be held at night.

There was very little discussion on this matter since everyone seem to favor Mr. McLaren's suggestions. Aileen Oita moved to have the president appoint a committee to plan and take charge of the Open House On May 5, and also to have this committee make an announcement in regard to their plans by Monday, May 1. When discussion was called for, Mr. Wells pointed out that if the council approves of this motion, it would be with the understanding that the council would not have any power over the Open House plans. This motion was carried.

Upon the request of the president, the following were suggested as potential members of the committee--Mrs. Courage, faculty advisor, Henry Terao, Tatsuo

Tazumi, Alfred Terao, Makiko Yamamoto as chairman, Betty Oku, Kuniko Kokka, Edna Kato, Ray Kusumoto, and Harvery Kitamura.

The president stated that according to the constitution, election for the 1944 Student Body Officers is scheduled to be held on May 19--four weeks before the close of the school term, and petitions are to be circulated three weeks prior to election day. Thus, the following students were elected to serve on the election committee: Chairman Burton Endlo, Norio Kokka, Doris Sakasegawa, Yano Okamoto, and Mari Hamamoto.

At this time, Spooks Kajihara requested the council to make an appropriation of \$1.63 for ribbons to be presented at the final track meet. He stated that it was decided between the three units--for Unit One to pay double the amount of \$1.63, and Unit Two and Three paying \$1.63 each--amounting to the total expense of \$6.52. Each unit was to ask for an appropriation from their respective council. There was some disagreement on this matter since all other previous athletic appropriations were not approved. In answer to the question of what other means would be taken if the money is not appropriated by the council, Spooks stated that in all probability it would come from the individual participants.

Aileen Oita stated that since the amount was so small compared to the past requests, she didn't see why the council could not meet this request. Aileen moved that the council appropriate \$1.63 towards the purchasing of the ribbons for the track stars. This motion was carried.

Mike Shiratsuki stated that there were several requests from various students to have a social to celebrate the success of the carnival. Though this seemed a very good idea to satisfy the members of the student body, it was pointed out by few of the council members that we have yet to meet the budgets of the different organizations when their request for additional funds will be

submitted; therefore, it would not be wise until this is done to have a social and then see if we have sufficient funds left to put one one. It was moved by Dotty Matsumoto to lay the matter on the table for further discussion. This motion was carried.

Another question raised by Mike Shiratsuki was in regard to the Victory Ball. He stated that it was his understanding that the Victory Ball could be held as soon as the track meet is over with. It was apparent that the council did not agree to have the Ball for the basketball teams, as it was too late; and, in addition, it was useless to have it for the track team since they were "cellar-champs." Dorothy Matsumoto moved to drop the whole affair. This motion was carried.

At this time, the following treasury report on the carnival was given by Kouichi Tanaka. This was not the final report for the expenses occurred.

\$1488.72	Gross receipts	40% cut to organizations	\$268.10
<u>818.48</u>	Expenses	60% cut to S. B. Treasury	<u>402.14</u>
\$ 670.24	Net Profit	Total	\$670.24

\$402.14	S. B. Profit
<u>46.39</u>	S. B. Carnival expense
\$355.75	Net Profit
<u>79.84</u>	Bal. in S. B. Treasury prior to carnival
\$435.59	Bal. to date of April 26, 1944

Miss Wrenchey, who was present at this meeting, asked for the approval of the council to let the El Chap draw from the El Chap fund, the sum of \$14 to pay for the traveling expenses on the trip to Phoenix. There was quite a lengthy discussion on this matter. Some of the members pointed out that they did not see why the council would have to approve of this matter since the El Chap was going to draw from its own funds. A few members pointed out that they thought the sum of \$14 was too much to draw out of the El Chap's account since it is low as of now, and El Chap could hardly afford to pay for the traveling expenses since this money could be used towards the book itself.

Mr. Wells moved to approve this request. This motion was not carried.

Betty Kado, a representative of the Quill and Scroll, requested for an appropriation of \$15 to pay for membership fees. She explained that the amount per membership fee is \$2, which was too much to pay. She stated that there were approximately fifteen members. Mr. Wells added to this by explaining further that the Quill and Scroll was an honorary society for journalist. Students could become members if they have shown their talents in this field either through the school's paper, literary annual, or yearbook. He stated that each member has to be in the upper third of the class, and because of this, there are actually no members--even though Poston Two High has already received their grant to form a chapter--not until the members that were chosen by Miss Wrenchey and Mr. Wells are proven to be in the upper third of their class.

Though this matter was interrupted by other business, it was finally moved by Dotty Sakasegawa to appropriate the sum of \$15 to the Quill and Scroll. This motion was carried.

With no further business, the president adjourned the meeting.

Respectfully Submitted,

Dorothy Sakasegawa
Dorothy Sakasegawa
Secretary

The meeting was called to order by the president in room 18 at 3:30. Since the secretary was absent, the minutes of the previous meeting were dispensed with.

Under new business, Corky Tanaka asked for an appropriation of \$1.50 to pay for the 229 Public Address System used during the Open House and also for \$.30 for postage stamps to be used for general correspondence. Aileen Oita moved that the sum be appropriated. It was seconded and passed.

Another appropriation of \$5.75 was asked to be paid to Mr. Crawford for popcorns used during the carnival since the carnival books were already closed. Through a miscalculation, it was figured that \$4.25 be needed for 25 pounds of popcorn. Later it was found that 50 pounds were used. Esther Nanamura moved that the sum be appropriated. It was seconded and carried.

Burton Endo, chairman of the Election Board, asked that a committee be chosen by the council to plan the installation of officers. After a brief discussion the group decided that the election board should take care of the installation.

The financial status of the Film Committee was given as follows:

	Income	Expense
March	\$ 2.64	\$ 3.25
April	37.69	18.89
May	<u>3.81-</u>	<u>8.45</u>
	\$44.14	\$30.59
	<u>31.20</u>	<u>.61</u>
Balance on hand	\$12.94	\$31.20

Also in order that the Film Committee could carry on next year, the committee submitted the following names as potential members:

Henry Terao	Takuji Tanaka
Haruo Fujitsubo	Hideo Tokushige
Orden Ichinaga	Shigeko Yamamoto
Doris Sakasegawa	Betty Oku

In addition, the council recommended the following names:

Hiroshi Kamei	Toshiye Ichikawa
Charles Nakamura	Frankie Kajihara
Miho Takizawa	Teddy Asami

The committee was given the power to choose its own members.

The Film Committee also asked for an appropriation of \$200 to start a fund to purchase a film projector and to have funds for next year. After much discussion, Esther Nanamura moved that the matter be tabled until the next meeting. It was seconded and passed. A suggestion that a loan of as much as the council could afford be made to the committee was brought up. This would be paid back during the year by showing special movies. This, too was tabled.

Mr. Wells suggested that the secretary be instructed to issue through the school bulletin, an announcement that all organizations desiring additional funds submit a written budget to the council by May 17.

The question of appropriating \$55 to the Senior Class, which, added to their \$50, would enable them to purchase a gift for the school, was brought up. Since there were no records nor report to be made on that subject, the matter was laid on the table.

Mr. Wells suggested that the Student Body Historian give a report at the next meeting on the progress of the historian's book.

Mr. Well's also suggested that each member of the council write a narrative account of what he has done during the past year in order to help the incoming officers. No action was taken on this suggestion.

George Oki asked that another chairman of the Film Committee be chosen since he would be leaving in the very near future. It was the suggestion of the council that he make his own choice.

Since there were no further business, the meeting was adjourned.

Respectfully submitted,

Aileen Oita (ds)
Aileen Oita
Secretary, Pro Tempore

The meeting was called to order by President Orden Ichinaga in Room 21 during activity period. The minutes of the previous meeting were read.

In regard to the Senior appropriation of \$55, an addition was made to the minutes by Dorothy Sakasegawa who stated that by way of a written statement, the council had approved of this appropriation by a majority vote, and when submitted to the principal and was approved by him, the appropriation of \$55 to the Senior Class was officially granted.

The minutes stand approved as corrected.

Mike Shiratsuki announced that the faculty had lost interest in sponsoring an assembly due to the fact that the date for the assembly was changed so often. He stated that he will be making plans for the coming assembly devoted to the installation of new Student Body officers.

George Oki reported that at the last Film Committee meeting the following were chosen to serve on the committee for the coming year.

Chairman	Lefty Kiyohara
Secretary.....	Doris Sakasegawa
Treasurer.....	Hiroshi Kamei
Librarian.....	Helen Morimune
Business Manager.....	Takūji Tanaka
Projector Manager.....	Henry Terao
Assistants.....	Charles Nakamura, Jack Oda, Hideo Tokushige
Publicity.....	Ritsuye Hatashita

Under new business, the various budgets for appropriation was brought forth for discussion. The president announced that the organizationa submitting a budget included the Film Committee, El Chap, El Corriente, and the Freshmen Class.

The appropriation to the El Chap was not discussed very much. Mr. Kanagawa pointed out that it was necessary to have a \$75 appropriation to cover the cost of the books. The deficit was due to lack of advertisement and the total number of books expected to be sold was not sold. He brought out the fact that the students will have to be charged around \$1.75 unless other

means can be found to raise the money. He stated that if any money is left over, it was the wish of El Chaparral staff to keep it in the annual fund for next year.

Dottie Matsumoto moved to appropriate \$75 to the El Chaparral. This motion was seconded and carried.

In regard to the appropriation of \$10 to the El Curriente, the body agreed that through the sales of the books the El Curriente should be able to finance their own expenses. Because the \$10 was needed before the actual money from the sales would come in, the council unanimously agreed to grant a loan of \$10 to El Curriente.

The Freshmen Class requested for an appropriation of \$18.75 to cover the cost of their dance. At this time, George Oki stated that the Community Council in giving approval to sponsor the carnival pointed out that the profits of the carnival should not go to social affairs, but rather to events beneficial to the students, such as scholarship funds.

It was further pointed out that part of this appropriation should be given to the Freshmen Class to help finance the dance. Dotty Matsumoto moved to appropriate \$10 to the Freshmen Class. This motion was carried.

It was brought out later that the treasury of the Freshmen Class totaled \$36, a sufficient sum and then still some more. Mr. Kanagawa pointed out that the sum given to the Freshmen Class could be used for other worthwhile doings, and unless the class was down in "rock bottom" he felt that no money should be granted.

Contrary to the previous motion, Mits Ikeda moved that no fund be given to the Freshmen Class. This motion was carried.

At this time, the appropriation of \$425 to the Film Committee was brought up (\$225 in loan, while \$200 in actual appropriation).

George Oki stated that the projector would cost around \$425. On the bud-

get submitted it was stated that a hopeful income of \$1500 was expected. There was some doubt whether this income would come in because of the special movie now shown by the community council. In answer to this, George stated that the movie could be shown in Unit I and thus a larger income could be assured. Another point brought out was whether it was wise to purchase such an expensive article for this school, not knowing how Poston would be a year from now.

After due deliberation, George Oki moved that a \$225 loan be granted to the Film Committee to be used only towards the purchase of the Film projector. This motion was carried.

In regard to the \$200 appropriation, this was laid on the table until further developments.

In order to work with the dates set for Senior Activities, the body agreed to shift the day of the S. B. Farewell Social to June 9 from June 8. Though the matter of finance was brought up and discussed, Mits Ikeda moved that the money to be used to cover expenses be granted after a budget is made by the Vice-president, and then submitted to the council. This motion was carried.

Burton Endo, chairman of the Election Board, stated that only seven petitions were out--three in, while four were still circulating. He asked whether the campaign speeches should go on as scheduled or whether petitions should be circulated for another day.

After a very lengthy discussion, it was unanimously agreed by the council to act as a nominating committee. Those nominated by the committee would run, in addition to those nominated by members of the student body.

After a list of nominees was put up, it was discovered that this procedure could not be taken into action until an amendment is made to the consti-

tution. Seeing that this would take too long, the entire matter was dropped

The council agreed to have petitions out for another day.

With no further business, the meeting was adjourned by President Orden Ichinaga.

Respectfully Submitted,

Dorothy Sakasegawa

The meeting was called to order by President Orden Ichinaga in Room 18 during activity period. The minutes of the previous meeting stand approved as read by the secretary.

Under new business, the president announced the cabinet's recommendation of the \$100 appropriation towards the scholarship fund. He further stated the opinion of the Community Council to have the proceeds of the carnival go for worthy activities.

In answer to Goro Kudo's question of whether sufficient funds are available in the student body treasury, the treasurer stated that since two of the appropriations granted at the last council meeting were loans, the money drawn out of the treasury was not too great.

Dottie Matsumoto moved to appropriate \$100 from the S. B. Treasury towards the scholarship funds. This motion was carried by unanimous vote.

At this time, the secretary read a memo from Mr. McLaren in regard to the Rules and Regulations for Conduct of Social Events, and Rules and Procedures for all School Social Events.

Going through the entire suggestions made by Mr. McLaren, very few comments were made. Goro Kudo asked if an exception could be made to Rule 1. He stated that if a school party is held after the commencement exercise for the seniors, it would be impossible to close at 11:30 p.m. The body agreed that, though this is true, it would be unwise to make any exception, but to secure special permission from the approving authorities whenever an occasion arises to find it impossible to close an evening social at 11:30.

In regard to Rule 1: There will be positively no smoking permitted on the school campus or within one block radius of any building or area used for a school social event of any kind, the body agreed that a one block radius was too great of an area to cover. As Goro Kudo stated, it would be wiser to stop all smoking in a small area which is possible, rather than to try to cover

a large area and only stop a few from smoking.

The body agreed to change the radius to 100 feet of any building or area used for a school social event of any kind.

With the exception of the above rule, all other recommendations and suggestions made by Mr. McLaren were accepted.

Since it was near the end of the school year, the body agreed to hand these rules over to the new cabinet to put them into the order of three categories as suggested, and then finally publish them for the student body.

Discussion was held on the S. B. Farewell Social. Though the location was not as yet settled, the council agreed to have the social even if the last resort was to have it held in Room 13 and 14. Several block kitchens were suggested as possible locales, as well as Kitchen 202. The vice-president said that he would look into these various locations.

Because the movie date was changed from the seventh to the ninth to accommodate the Senior Class, the date of the S. B. Farewell Social was set for Saturday, June 10. When the subject of finance was brought up, many pointed out that a few more dollars could be spent since this was the last social of the year. It was suggested that the sum should not exceed \$25. Aileen Oita moved that \$25 be appropriated to cover the expense of the social. This motion was carried.

With no further business, the meeting was adjourned by President Orden Ichinaga.

Respectfully Submitted,

Dorothy Sakasegawa

Secretary

Special Meeting

May 29, 1944

A special meeting of the Community Administration, faculty members, Senior Council and committee heads, and the Student Body Council was called to order by Mr. McLaren in Room 13 and 14 during activity period.

Mr. McLaren stated that the purpose of this meeting was to consider the change of the school name. He stated that Unit Three had already changed their name to Parker Valley High School. It was the assumption that if the name is changed, there be some affect on the accreditation of the school for the better.

This matter led into quite a lengthy discussion. Some of the teachers were in favor of not changing the name for it would be very confusing, the students explained that if changed it would not be very good for the class pins and also applications blank to Student Relocation Council was sent as from Poston Two High School. Mr. Uyeno stated that the change of the school name would have no affect on the community.

Others felt that the name should be changed if there would be any affect on the accreditation of the school.

Contrary to previous action taken, a final motion was made by Mr. Wells stating that the name of the school be changed to take effect on July 1, 1944. This motion was carried.

It was agreed upon by the body that the head of the organizations present here--Senior Council, faculty, Community Council, the P. T. A., Student Body Council and the Block Managers--or any member representing the organization form the nominating committee and then submit the names to the student body has a whole.

With no further business, the meeting was adjourned.

Respectfully Submitted,

Dorothy Sakasegawa

STUDENT BODY ASSEMBLY MINUTES

The meeting of the first student body for this year was called to order by President Orden Ichinaga in front of Room 18 at the beginning of sixth period. The minutes of the previous council meeting stand approved as read by the secretary. A summary of the past student body activities was also read by the secretary.

A treasury report given by Corky Tanaka stated a balance of \$79.84 in the student body fund.

A report on boys' athletics was given by Spooks Kajinara. He announced that Teams B, C, and D were champs of the Poston Basketball League.

At this time, messages were delivered by both Mr. McLaren and Mr. Wells.

Further reports were made by Burton Endo, President of the Junior Red Cross, in regard to the bazaar; and by George Oki, Chairman of the Students Film Committee.

With no further business or announcements, the meeting was turned over to Esther Nanamura who lead the school yells assisted by Eiwood Ito and Frances Yoshida.

Under the chairmanship of Mike Shiratsuki, entertainment was provided for the group. Those participating included:

Haruo Yuki----harmonica solo
Ruth Miyasaka----two selections on her accordian
Vocal solos rendered by Gene Nakata, Kats Shiba,
and Lillian Yoshizumi

At the close of the assembly, the president announced the meeting of the Student Body Council and representatives from the various school organizations immediately after the seventh period today.

With no further business, the meeting was adjourned by President Orden Ichinaga.

Respectfully Submitted,

Dorothy Sakasegawa

The meeting was called to order by President Orden Ichinaga in front of Room k8 at 1:45 p.m.

The assembly was opened with the salute to the flag led by the president. The National Anthem, directed by Mrs. Viola Kerber, was sung by the group.

The minutes of the previous meeting stand approved as read by the secretary.

With no further business, the meeting was turned over to the president of the Sophomore Class, Tatsuo Tazumi, who gave a short address.

Under the chairmanship of Henry Terao, a radio skit was presented by the Sophomore Class in addition to vocal solos rendered by Tatsuo Tazumi and Fusako Imoto, and a harmonica solo by Jeanette Goto.

At this time, Orden Ichinaga gave an appreciation message in behalf of the student body to Mr. Giles Liegerot who planned to leave Poston in the very near future.

Mr. Liegerot made a farewell address, and also presented the Sportsmanship Trophy to the 'C' Football team to Co-captains Fib Hirayama and Tommy Matsumoto.

In response to a special request, Mr. Liegerot sang "Old Man River" for the group.

With no further business or announcements, the meeting was adjourned by President Orden Ichinaga.

The meeting was called to order by President Orden Ichinaga in front of Room 18. The minutes of the previous meeting stand approved as read.

Mr. Kanagawa, co-chairman of the carnival committee expressed his appreciation to the students, faculty members, and administrative staff in making the carnival a great success.

The approximate figures for the carnival financial report was given by Kouichi Tanaka as follows:

Gross Receipts	\$1484
Expenses	<u>815</u>
Approximate Profit	\$ 669

Lefty Kiyohara, Junior vice-president announced the coming of the Junior-Senior Prom and urges the attendance of all Juniors and Seniors.

All National Honor Society members were reminded by President Ichinaga to report to Miss Wrenchey's room to have their picture taken after the assembly.

The meeting was then turned over to Esther Nanamura, G.A.A. president, who gave a short speech followed by Miss Ferris, advisor.

Under the chairmanship of Tomiko Sniba, entertainment was provided by various G. A. A. members.

A vocal solo was rendered by Fusako Imoto, while Jeanette Goto played two selections on her harmonica.

Two recitations were also presented entitled "What to do in a Air Raid" and a "Letter from a Soldier," the latter read by Chizuko Kitamura.

With no further business or announcement, the meeting was adjourned by President Orden Ichinaga.

The meeting was called to order by President Orden Ichinaga at 9:15 in front of Room 18. The minutes of the previous meeting stand approved as read by the secretary.

Corky Tanaka gave a treasurer's annual final report--balance up to date totaling \$214.17.

Following the report, the school yell leaders lead the student body in a few yells.

An announcement was made by Gene Nakata requesting the seniors to turn in their individual pictures to Senior Core Teachers in order to complete plans for the Senior Banquet.

The meeting was then turned over Burton Endo, chairman of the election committee who gave the opening remarks for the installation of officers.

Beginning with the school yell leaders, the incoming officers exchanged places with the outgoing officers as follows--each expressing a few words,

Assistant Yell Leader	Frances Yoshida----	Fusako Imoto
" " "	Elwood Ito-----	Elwood Ito
Head Yell Leader	Esther Nanamura----	Setsuko Kawashiri
Girls' Ath. Manager	Dorothy Matsumoto--	Kinuye Kadani
Boys' Ath. Manager	Harume Kajihara----	Ben Dohi
Historian	Aileen Oita-----	Fujie Fukutomi
Treasurer	Corky Tanaka-----	Betty Oku
Secretary	Dotty Sakasegawa---	Chizuko Kitamura
Vice-President	Mike Shiratsuki----	Isao Kiyohara
President	Orden Ichinaga-----	Mitsuo Ikeda

President Orden Ichinaga then administered the oath of office with each new officer repeating the pledge in unision.

A short message was given by Mr. McLaren with a word of heed to the new officers and a word of appreciation to the outgoing officers.

At the close of the installation of officers, the meeting was turned over to the new vice-president Lefty Kiyohara who took charge of the entertainment.

Vocal solos were rendered by Fusako Imoto, Tatsuo Tazumi, and Sally Imoto.

Before dismissal of the assembly, an announcement was given by Mr. McLaren in regard to the school bulletin, requesting each organization to have their announcements of meeting in by Friday afternoon in order to complete arrangements to put out a bulletin for the next two weeks.

Miss Smith make an announcement in regard to those planning to attend the Senior Play in Unit III to meet at the bus station at 7:30, Saturday night.

With no further business the meeting was adjourned by Mitsuo Ikeda.
