HANDICRAFT EXHIBIT DRAWS LARGE CROWD

Through the generous co-operation of the residents of Section One, the handicraft and art exhibit was a great success. What was expected to be a sparsely filled exhibit room, turned out to be a well balanced and eye appealing exhibit. Mrs. Nakamura, art and handicraft leader, expressed her many thanks to the exhibitors.

Each article drew praise from the large crowd of people, which attended the four day exhibit. The exhibits ranged from tiny lapel pins to bitterbrush tables. The gorgeous imitation flowers, which deceived many, the beautiful inlaid bitterbrush tables, the intricately designed folding screens, the various needle work all had the crowd oh-ing and ah-ing in ecstatic awe. The younger set looked at the gasoline model plane exhibit with longing and admiring eyes. And one little boy remarked "Gee Daddy, buy me one of those airplanes?"

The attendance for the four days was 1792, which was very encouraging and far more than was expected. On the opening day, Saturday, 400 persons attended the exhibit, on Sunday 1302, Monday 280, and on Tuesday, the extended day, 80 persons attended thus, bringing to a close a successful four day exhibit.

Jiro Aoki, the coordinator of Section One, expressed his sincere gratitude to all, and hopes that in the future all events will be just as successful.

The Girl Reserves of Section I and II were hostesses at a tea honoring Miss McFarland, national leader of the Y.W.C.A.

DANCES! DANCES! DANCES!

Dancing continues to be the main source of entertainment for the younger set. A week is not complete without some sort of dancing being squeezed in their weekly schedule. Therefore, with the cooperation and initiative of the niscis and isseis weekly dances have been and will continue to be sponsored in this section.

Most people had the opinion that dances, until a month ago, were too informal to really be enjoyed. The

Isseis Entertained

The Isseis of this section have been in dire need of entertainment. The recreation staff realizing this situation is trying to remedy the present condition by giving bi-weekly Japanese record concerts in each block.

The first in the series of concerts, began in Block One. The concert which began after a slight delay, proved to be a surprising success with approximately 100 persons attending. And the scheduled one hour concert was extended to three hours.

Block 3 responded with even more enthusiasm as the news of the record program spread. Over a hundred and fifty persons enjoyed a four and half hour concert.

WHAT IS IT GOING TO BE CALLED?

A contest open to all! The prize? A box of delicious Shraft chocolates. And all you have to do is name this paper. A cinch isn't it?

Don't think that your name for the paper is too silly or funny, because it may be just the thing we're looking for.

Contestants may hand in any number of names. The more you hand in the better your chances of winning, but be sure to bring your suggestions to Rec. Hall 3 before Wednesday.

Recreation Department set into motion a systematic, organized circuit of dances. Limited number of couples, charge for admission, issuance of tickets, presence of patrons and patronesses, and refreshments, will guarantee a good time for all.

The gala opening of Section One's new system of dance sponsorship was held on Jan. 23, when dances were given by Block One and Threc. Going to the limit of their funds, they produced a gay party. The satisfaction felt by those who attended the party was a sign of a successful evening.

The week following Block Five ventured to surpass the previous week dances. Not to be out classed by Block One's "Jump and Jive From One to Five," or Block Threc's "Swing & Sway the Block Three Way," they came forth with "Jive at Five at the Star Lite Terrace!" This was by no means the end of poetry. The Block River's with their hand made tickets brought forth a tuneful bit of poetry.

"Star Lite, Star Bright
First Star I See Tonight
I Wish I May, I wish
I might
Go and Jive at Five
Tonight!"

Under a simple yet attractive decorations, the eighty couples danced and ate an excellent snack prepared by the niscis and isseis of the block.

Block Two, not to be outdone, elaborated on it's theme "Pre-Valentine Dance" and really gave the public a sparkling eye-ful. During

CARVING CLASS!

A constant demand for indoor games has created a need for more table game materials. One favorite game of young and old is chess, but a shortage of chess sets has been a handicap to the players.

A class will be formed on Thursday night to carve chess men from any available soft wood. The instructor for the classes will be Mr. Woodrow Rokita, who has kindly volunteered his services.

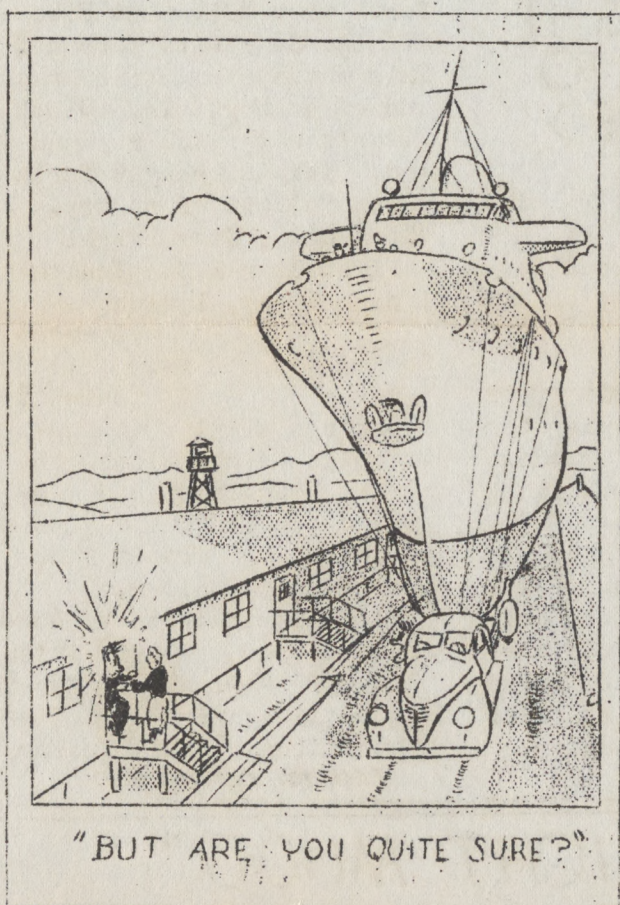

All classes will begin promptly at 7:00 P.M. in Rec. Hall 5.

DANCES - (CONT'D)

intermission refreshment was served, but the surprise was soda pop, which was served for the first time.

Only a few were able to work on Flock Four's Valentine Dance, but the result was a well decorated hall and a appetizing snack. The appearance of Miss Ise Inuzuka and her court enhanced the pleasures of the evening. The entrance was designated by a cleverly lighted sign "Club Valentine", which may start the other blocks to do the same.

If the coming dances are just as successful as the past dances we may be justly proud of our section.

SPORTS

JUDO

Rec Hall 5 has been converted into a judo hall, and is now ready for the judo fans. The delay had been caused by the low beams, but the carpenters have raised the beams to insure safety to the judoists.

The judo program will be under the supervision of Mr. Nishitani, and he will be assisted by a group of competent men.

Practices will be held every evening, and those interested are requested to sign up at Rec. Hall 3.

All those interested are requested to sign up at Rec. Hall 3 soon as possible.

Girls' Hike

It may sound fantastic, but the little girls are raring to go on a picnic hike. The girls between the ages of 9 to 12 years old in Section I and II have organized an Activity Club meeting each Sat. at Rec. Hall 4 from 2:00 pm. By constantly keeping active they have learned to play new games, to sing new songs and to learn new ideas in handicraft.

This Saturday the girls are to go on a hike if the weather permits.

BOXING

Good News for the Boys! An interesting and healthful sport has been added to our sport program. Under the supervision of Mr. Ogawa, an ex-professional boxer, the future ring masters will have a chance to develop their fighting techniques.

Mr. Ogawa has plans for a Section One boxing team, which would probably have boxing engagements with other sections in the near future. The team would consist of all weights.

Frank Tsuboi and George Uchida will assist Mr. Ogawa in training the boxing aspirants. Both of these boys have had considerable amount of training and should be able to assist Mr. Ogawa quiet well.

BROWNIES

We need more girls 7 and 8 years old who wish to join the present organization of the Brownies who meet every Saturday morning from 10 am. The Brownie troops are the little junior girls of the girl Scout program. These Brownie practices are fun, yet the children are learning to become aware of the value of helping others.

TALENTS WANTED

All singers talented and otherwise will have a opportunity to bring down the roof at Rec Hall 2.

The popularity of community singing is a sign that the people in the center haven't any chance to do more exuberant hollering, commonly known as singing. So come along you boys and girls and let the Hagiwara, the M.C., lead you through some new snappy tunes. The Public Department promises some section one block talents, which will be presented intermittently during the singing.

Remember Rec Hall 2 from 7:30 Thursday, Mar. 18.

"GO" TOURNAMENTS

The Isseis of this section will hold an Invitational Open House Go Tournament at Rec. Hall 3 this Sunday at 1:00 p.m.

The purpose of this tournament is to foster a better understanding between the sections so as to have more intersectional games, therefore the Open House will be a get together, or get acquainted meeting for the Isseis.

Sewing machines are now in Rec Hall 3 for the convenience of section I residents.

"CINO" DANCE

"A dance at five!" This phrase is synonymous with good music, a swell floor, and a super time for everybody. The committee is going "all out" with their efforts to duplicate the successful dance they had four weeks ago and only a bomb blitz could stop the committeemen now.

So come along to the palatial Starlight Terrace Ballroom and dance away your Saturday blues under a canopy of sky blue stars.

Get your tickets early or else your going to be left holding the bag.

HIGH HOPES ENTER CONTEST

The kite flying contest has been scheduled for Mar. 18, Saturday on the playfield next to block 21. The age groups will be:

- 12 years old and under
- 13 to 16 years old
- 16 years old and over

Gifts will be awarded as follows:

1. Most fancy kite
2. Largest kite
3. Smallest kite
4. Criniality
5. Pound pulling contest
6. String cutting

There will be 54 prizes and 3 grand prizes. The judges will be chosen from the Caucasian Staff.

Candlelight Service

Replacing Reiko Taguchi who no longer resides in Hunt, Amy Mitamura was elected to the office of Recording Secretary, Fujiye Sakanishi, Inter-club Representative and Amy Mitamura will be installed at the Candlelight Recognition Service on Sunday March 21.

Those girls who were not recognized at the camp-wide service will be recognized as full pledged members of the I.W.O.A. with the Section V and VI Girl Reserves. In charge of the Recognition will be Lily Shitama. Refreshments will be handled by Fujiye Sakanishi, and Eunice Torii will be the Entertainment chairman.

DOPE ON MODEL

This is the opportunity you fellows have been waiting for. No longer will you have to hike all the way up to Block 30 to get your airplane material.

Roy Morihiro, aircraft supervisor will be on hand at the first Model Plane Club meeting to be held in Rec. 10 from 7:30 p.m. on Friday, March 19.

On Sunday March 21, an exhibition of a number of the gas model planes will be demonstrated somewhere between Section I and II by Roy Morihiro and his department.

THE WINNAH!

The winner of the Section One paper was Mr. Rube Hosokawa of Block 2. The prize winning name was "The Activator."

The judges were unanimous in their selection of the name, and hope that Mr. Hosokawa will enjoy the box of chocolates.

The Rec Staff thanks the people who contributed various interesting names, and here's wishing you better luck the next time.

A Success

Block Three's Section I dance was a success from the beginning. The marked improvement in the decoration and the general atmosphere was conducive to an evening of thorough enjoyment although there was a slight disturbance during the dance.

The committee deserves a pat on the back for their efforts and we hope all their dances are just as successful.

MEETING

There is to be a meeting in Rec 10 from 7:00 pm. on Friday March 12 for those interested in stamp collecting. Stamps are not required to join this group because there may be some extra stamps available. If however, you already have a collection bring them to the meeting so you can compare stamps, notes, and exchange ideas with Mr. Yoshio Noma, the advisor.

MR. MICHIZOE "GO" WINNER

The Open House Go Tournament sponsored by the Section I Go Kai was held Sunday at Rec. Hall Three.

The tournament had seventy four participants from all over camp with a fairly large crowd of spectators.

Although the top seeded player Mr. Kimura (Sec. I), who holds a Shodan ranking, was not present, the players started off in the afternoon with zest and fire.

Many of the seeded players went down to defeat, finding the handicaps acknowledged to players of lesser degree a little hard to overcome.

When the tournament ended in the late evening, Mr. Michizoe, a San-kyu winning seven matches, was declared the winner.

There were seven tied for second place: Mr. Yamamoto, San-shi-kyu; Mr. Kihara, Go-kyu; Mr. Hirai, Go-kyu; Mr. Imori, Shichi-chi-kyu; Mr. Hokedo, Shichi-kyu; Mr. Tachikawa, Ku-kyu; Mr. Kouruma, Jue-kyu.

The Go committeemen were: Mr. K. Kawato, Mr. N. Tsuji-Uyehara, Mr. Y. Horiuchi, Dr. Shig Kaseguma, Mary Saito, T. Nakamura, Mr. Kimura.

The hall was attractively decorated, and during intermission a light refreshment was served.

DOWNED BUT NOT OUT

The Section I ping-pong team went down to a bitter defeat in the hands of the local Section III aggregation. All the matches were see-saw battles with the lead changing many times, but as the evening wore on the Rec. 5 boys and a girl were slowly subdued into submission.

The lone defender of our good names was Miss Sumi Nakamura, who with her slashing drives and magnificent returns vanquished her hard fighting opponent. We doff our hats to the gallant Miss Sumi.

The Section III boys and girls deserve a resounding pat on their backs for the hard earned victories, but rest assured, people of Section One, that the humiliating defeats will be rightly avenged, when a return match is held.

The team members of Section One Victory Caravan were: Chet Tomita, Howard Gim (Kay) Taguchi, Mr. K. Kawato, Mr. N. Tsuji-Uyehara, Mr. Y. Horiuchi, Dr. Shig Kaseguma, Mary Saito, T. Nakamura, Mr. Kimura, Su Nakamura, Frank Sugeno.

SCOUT REPORT

Four Scouts of troop 119 passed their test at the regular troop meeting held in Rec. Hall 2 on Saturday evening, they were: James Nishimura, First Aid; Goro Todo, Scout Law; Jerry Fujimura, Knife & Axe; Sam Ishibashi, Signalling.

Membership cards were also presented to Roy Tsuboi, Goro Todo, James Nishimura and Nobuo Yutani.

Yoshio Kano was transferred into Troop 119 from Newell, California.

The best stunt of the evening was given by the hard-working humming bird, which was led by Pete Yoshino, followed by Sam Ishibashi and his Hawk Patrol.

GR. RECOGNITION

According to the Recognition Service chairman, Lily Shitama Section I and II Girl Reserves together with Section V & VI Girl Reserves will hold their joint service in Recreation Hall 6 on Sunday, March 21 from 1:30 pm. The Piano prelude will be played by Sadako Nakashima, followed by a Processional Hymn, and then a musical selection will be given by Helen Kinoshita.

Miss Kimi Watanabe president of Section I & II and Miss Elsie Tateoka, president of Section V & VI Girl Reserves will speak in behalf of their respective clubs and will also recognize their new members. Also on the program will be Junie Oyama and Takuko Semba.

To be installed as officers from Section I & II G.R.'s will be Amy Mitamura, recording secretary and Fujiye Sakanishi, Inter-Club representative.

Invitations were sent to the Hunt YW Board members; Toshie Wakamatsu, inter-club president, and to the Misses: A. Gwinn, H. Amerman, E. Hunt, and the Mesdames: J. Leight, G. Townsend and G. Ishihara.

JUDO?

Perhaps you're wondering why the judo practices aren't going on in full blast. Well, I'll tell you. The lighting facilities at present are "all shot." After the carpenters had raised the beams in Rec. 5, they evidently forgot to rewire the hall, but let's be patient a little bit longer, because I know the Rec. office will see that it will be finished promptly.

After a rousing time of singing camp fire songs led by Dick Imai, a hiking experience was related by Herby Amano.

Report sent in by Herb Amano.

SING, SING, SING

Don't forget the community singing tonight at Rec Hall 2. There's going to be lots of fun for everybody so don't miss it!

Talents from Section One will be presented during the sing.

Due to unforeseen circumstances, Abe Hagiwara will not be able to lead the sing, but Waka Mochizuki, the hard-working humming bird, will take his place accompanied at the piano by Hideko Tsuboi.

BETWEEN

Henceforth this column will be dedicated to the making and breaking of the Section One morale. What appears in this column may be taken as dirt or otherwise, but please go easy with your verbal denunciations of the writer if and when you deem it necessary to do so.

Here we go;

I often times wonder how George (Beautiful Hunk of Man) Iwakiri develops those muscles of his, surely the moon doesn't.....The Akimoto sisters help to enliven the atmosphere at the Three Moss Hall quite abit..The "Mushface Twins," G. and H. Tanabe, seem to find a certain delight in sneaking off by themselves to Section III. May be that the Hunt is much better there.....Evidently Nag Ando doesn't believe that Friday the 13th. has anything to do with Jinx.....but we know!.....Toshiko Kawako isn't the only one in the family that's lonesome because the Kumagai's moved to Block 7.....Seems that Takebo Taguchi and Horace Matsui are far too observant of things that are of no-concern.....Rosie Ichihara seems to be having Barrels of fun each day.....Weight lifting certainly has done much in improving Art Hiroshima's insight into the things of beauty.....

VOLUNTEER WORKERS NEEDED FOR FIELD

The construction of a playfield for the people of Section One is to materialize this week-end. We have been in dire need of a spacious playground for the young and old, and so the forthcoming field will be welcomed by everyone. The field will be situated opposite the west end of Blocks 1 and 2.

The playground will have facilities for softball, basketball, tennis, football, volleyball, handball, and horse-shoe pitching. However, the grooming of the field will be largely dependent upon the volunteer workers of this section, because the heavy work only will be done by the Public Works division. The people of this section will fill the holes and rake the field to obtain a smooth surface.

Block Managers will announce in their Mess Halls the time and the date for all helpers. So come on weak and strong, young and old, yes, girls too, and help make our playfield the best in camp.

L.R.

The Girl Reserves will hold their meeting in Rec. Hall 6 on Monday evenings.

GRUNT FEST

Grunts and grownns will greet the public when the sumo tournament gets underway April 3. This Farewell Volunteer Sumo Extravaganza is being held to get together for the last time the many sumo enthusiasts who will join the army very shortly. And this may also be the public's last chance to see their favorites in action.

The sumo pit will probably be located at the East end of the Motor Pool or opposite Rec. Hall 21. The practice sumo pit will be found near the west end of Laundry room 6 and also west of Rec. 17.

So remember to come to the tournament April 3 and 4 day and night.

RECS IMPROVED

The completion of the new wall boards will give the Rec. Halls a beautified appearance. The addition will be a welcomed sight in contrast with the drab barn like structure.

There are persons who either intentionally or unintentionally mark the surface of the walls, with no concern of public property. With the installation of the new wall board the Recreation Department wishes that such practices or misdemeanor be discontinued.

"8" STOMP!

With the advent of warm spring weather, Section I and II will have a Spring Fever Stomp at Mess Hall 8 this Saturday April 3 from 7:30 to 11:30. The young people will have a chance to shake off their dreamy spring fever and really have a good time amid the atmosphere of the gaily decorated hall. There will be six program dances so get your tickets early and arrange your dances with your friends.

Remember Saturday April 3, from 7:00 to 11:30.

FEWER DANCES

Section One and Section Two have collaborated into forming a wider circuit of dances. Because of a sudden splurge of numerous dances throughout the camp the recreation leaders of the two sections thought it most adviseable to alternately sponsor a dance between the sections, thereby having one dance a week in the 10 blocks. Until further notice, the above mentioned system will continue.

Leaving

A farewell party for Chiye Horibuchi and Mr. and Mrs. Hattori was given by the Block 3 Young Peoples Club.

The comments of this column and the comments referring to the column were shall we say abit "lemony" but we will endeavour to print the dirt as we see it unfit.

It's wonderful what camp life can do.....The decoration committee of Block Two deserve an extra spoonfull of sugar for their bang up job on Mess Hall Two.....Moron jokes are good for a few chuckles, but HORACE MATSUI watch yourself the next time....Have you ever noticed the happy dispositions of the UYEHARA'S?... Speaking of dispositions, the cordial smile of RUTH YOSHINO should melt the heart of any ill tempered individual.....ALFRED RAY, THE ORCHESTRA LEADER, has two constant admirers TERRY MATSUI and SODY NAKA SHIMA....The boys are much concerned about the sudden departure of SUE TAGUCHI from Mess Hall 26 last Friday evening. Old Timers' Dance

The "old timers" will have a chance to dance to their hearts delight without having the young people jitterbugging or shoving them aside with their fancy steps, because Tuesday April 6 the recreation staff will sponsor a dance exclusively for the "old timers". The term "old timers" doesn't mean bearded or gray-haired couples, but those who think that going to dances is an ordeal because they seem out of place among the high school kids.

The music will be furnished at Mess Hall 10 by the Hawaiian Serenaders, and they promise music, the way you like it. A tempting refreshment will be served during intermission. Tickets may be obtained at Rec. Hall 3, 6 and 15.

MORE WORK ON FIELD

The long awaited playground with facilities for soft ball, tennis, volleyball and basketball is no longer to be a dream but a reality.

The section playfield to be situated opposite the west end of Block I & II has been under construction, thanks to the many residents in Section I who have so kindly volunteered their time, clearing the sagebrush and raking the field.

But wait a minute!! Lets not stop with just this one field day. The weak, and strong, the young and old and even the girls are still in urgent need to help with the construction of the forthcoming playfield. Only through your cooperation can we expect to have a baseball diamond or a tennis court.

Announcements will again be given as to the time and date for all helpers, in your respective dining hall by your block managers so let us continue to make our play field the best in camp.

GO GO PLAYER

Ah! here's the chance the "donko" Go players of Section I have been waiting for, an opportunity to participate in the camp-wide "Jue-kyu" and over Go Tournament, sponsored by the Section 4 Go Committee, this coming Sunday at D.H. 21 from 1:30 p.m. So remember the date you Go fans and let's go out and bring back the bacon for the Section I Go Club.

SPRING FEVER STOMP BATTERS UP! PROVES SUCCESS

360 shoes belonging to 90 couples slid smoothly over the well Spangled floor of Dining Hall 8, as a well planned Sec. I & II dance progressed late into the evening. Marked by a striking hallway entrance, and a blinking sign sparkling "Spring Fever Stomp" the mess hall was truly transformed into a cleverly designed ballroom.

Dart throwing by the patroness for the door prizes which were beautiful carnation corsages, was presented as a novel idea during Intermission. With a feeling of satisfaction and immense enjoyment by everyone, we congratulate Minoru Katsuyama and his associates for their untiring effort for this successful dance.

TROOP 119

LOSE SCOUTMASTER

A Farewell Banquet honoring Scoutmaster Robert Higashida was given to him by Troop 119 in D.H. 4 on Wednesday, March 31. For the evenings entertainment, the Messrs Richard Imai, Bain Chiba and Kinjiro Imai gave informal speeches, the troop patrols presented skits and Pete Yoshino, the troop bugler rendered his bit towards rounding the evenings program.

"Troop 119 has lost a great scoutmaster, but we will try and have faith to keep up the good work he has started," so stated Herb Amano, Troop reporter.

With the Section I Athletic field under construction now, the section residents are beginning to get baseball minded and are clamoring for soft ball teams to be organized for both young and old. Realizing the urgent need of organizing teams the Section I Co-ordinator called a baseball meeting last Monday night, April 5 at Rec. Hall 3. Out of the meeting it was decided to form 2 boy's teams with the age limit of 18 to 27 as one group and 2 girls teams of 16 years and up as another group headed by George Akimoto and Hisa Sakanashi. So come on you baseball fans--water boy or bench warmer and oh yes, you Amazon girls too, sign up with George and Hisa and let's form the best Section I softball team in the camp. But wait a minute, we have not forgotten to organize the 15 to 18 years old group or 14 years and under boy's team either, so you young kids of this section come on up to the Co-ordinator's office in Rec. Hall 3 and sign your John Henry and we'll form a junior team too.

As for the Issei's, they too are not overlooking the fact that they wanted to form a softball team too. Although their joints may crack and muscles ache, nevertheless, they are raring to go with Ikoma, Hata, and Takagishi as their organizing committee heads. All in all it looks like we of Section I will have a hard team to beat---so watch out you softball teams of other sections.

SEC 2 EXHIBIT
DRAWS PRAISE

Congratulations! Section II for the efforts put forth for your grand handicraft exhibit. The exhibit certainly showed worthy and inspiring hobbies as were shown by the beautifully carved bitterbrush objects; the well polished Minidoka stones; the realistic flowers; various needlecraft; model aeroplanes as well as stamps. Yes, Mr. Linc Beppu and your staff and committeemen of Section II, you did well in presenting a variety of treasured objects made by the ingenuity of your section residents. Surely, with the articles which drew praise during the Section I Handicraft and Art exhibit and the Section II treasured displays, we'll challenge any other section to try and outdo what we of the west side of the camp has successfully accomplished.

WEEKEND BUSY FOR SEC ONE

With one of the busiest weekends in the way of entertainment for the section I residents coming up, with Fuki-yose for the Issei and dance for the Nisei, the Rec Department has a full program in their hands to entertain all the residents.

Now with the much talked about and long awaited gigantic, super, colossal first section Fuki-yose just around the corner the residents are all waiting for the big event to be held this coming Saturday and Sunday at Dining Halls 5 & 3 respectively.

With the first curtain rising at 7 p.m. sharp we urge the residents to be present early in order to secure the good seats. So come on all you people of the residents bring your chairs with you and lets enjoy one good evening of wholesome entertainment.

7 UGLIES AND 3 BOYS BATTLE SCORE 9-4!

The best game of the weekend was played between Block 3 Boys and the Block 7 Uglies. Featuring with some tight infield plays, together with some timely hitting, the Block 3 boys team humbled the Uglies by the score of 9-4. Shig Motoki for the losers with his fly hawking and T. Akimoto with his home runs were some of the hi-lites of the days game.

The infielders for Block 3 pulled two fast double plays on a slow field which indicates a very promising future and lots of headaches for future teams to come.

The batteries for the day: Block III--Tommy Nakayama, Gim Taguchi and Paul Uyehara, Tomio Akimoto. Blk. 7. Jun Watanabe, Yosh Tamura and Yoshimi Yamamoto.

SKIRTS OVER-HAUL CANE-LEARNERS!

The Section I Girls' Team proved to have a little more on the ball than the Old Men of this section when they played against them during the terrific dust storm on Monday evening, April 19th at the Section I Athletic field. Crossing the plate 11 times, they overhauled a 6 run lead to end the game by a 11 to 7 score.

Sluggers, Yuri Uchida and Lilly Hayashi with their stick and Mary Mitsudo for her fine defensive play were outstanding. With his excellent fielding and the third baseman and the left fielder with their super fielding added interest to the game.

Batteries--Girls: Lilly Hayashi, Yuri Uchida and Hsai Sabanashi, Old Men: Naito and Pops Uyehara.

FIELD READY

Thanks to the cooperation of the people who showed up on Friday night and on Sunday sacrificing their valuable time, the section playfield west of Block I & 2 is now ready for use. Last Saturday and Sunday the baseball turnout proved quite successful, but the 14 yrs. and under and the 15 yrs. to 18 yrs. group will have to be encouraged more. Since these two groups are liable to be most active during the summer season, another try out will be held this Saturday morning, from 9:30 at the field. A Section I league may even be formed depending on the tryout---so everyone under 18 yrs. show up.

INTERSEC. SCHED

The schedule for the Inter-section Softball League will be out early next week.

COMMITTEE TO ORGANIZE CAMP WIDE

HARD BALL SQD

The plan is now under way to formulate the All-Hunt hard ball team so we are now in demand of all eligible players who are interested in turning out for this new baseball team. The committee composed of Kenji Kawaguchi, Jiro Sakano, Tom Takeuchi, Tom Sakai, Roy Sakamoto, Kay Takayoshi, and F. Sano are going ahead and organizing Hunt's hardball first team. This committee will meet sometime during this week to discuss and plan the formation of this group. So everyone who is interested in making this All-Hunt first team sign up at Rec. Hall 3 and we will send these names to the above committee.

There is another new plan underway whereby all boys who are 17 years and under by the first of this year (Jan. 1, 1943) will be eligible to enter into what is proposed to be the American Legion Baseball League. Although nothing definite has been planned the committee is going ahead to contact the American Legion Post so that Hunt can be represented in this League. This Junior League will not begin until June 30. Naturally there will be ample time for all youngsters who are eligible under this ruling to practice their hardball and get into shape. Any youngster whose birthday does not reach 17 before Jan. 1, 1943 should watch this paper for further announcements.

ISSEIS GIVEN MANY ENTER. NEW SHOW SHED

Never a dull month for the Issei. With the estimated crowd of over a thousand attending the 2 night showing of the Section One Fuji-yose last month, and a Japanese drama "Over the Hill" presented this past week, another entertainment is scheduled for the latter part of this month in Dining Hall 1. This selection of campwide talents will consist of dances, instrumental numbers and comedy. Lets save the date, May 29th for an evening of sheer enjoyment at this gala Japanese talent show. Further announcements will be made later both in the dining hall and through the "Activator".

PLANE ENTHU SIASIS URGED TO HURRY

Roy Morihiro, advisor for the Model Airplane Club announced a contest to be held on May 15, between the club members of Blocks 1-19 and the plane enthusiasts from Blocks 21-44. Frank Okazaki, president of the lower Section boys stressed and urged the fellows to hurry and finish the plans being formulated for the whip-power U-control and the Towline Gliders for this coming eventful contest.

Other officers of the Model Club from Blocks 1-19 are Kibo Inouye, vice-president, and Hideo Kogita, secretary. Meetings are held every other Friday in Rec Hall 10, and the next meeting is scheduled for tomorrow nite from 7:30 pm.

SEC 1 WIN DOUBLE HEAD- ER 7-2 2-1

The Section I Reds in the Major League and the Old Men's Team chalked up their 2nd win to keep themselves up in the League undefeated, by taking the Section 6 teams by a score of 7-2 and 2-1, respectively before a huge crowd, Sunday at Block 34 playfield during the dust storm.

The first game was a nip and tuck, fast battle during every inning. Throughout the game, every moment was a heart throb with a masterful pitching duel between Mr. Uchida of Section 6 and Mr. Naito of Section I. Section I Old Men drew the first blood in the opening flame when Pete Yorita first batter up, hit a liner out to the left field for a triple. Mr. Mukai reached 1st on the fielders choice, then Mr. Doi with a double sent Yorita and Mukai home for 2 runs. From then on until the last inning.----Everyone held their breath when Mr. Akimoto went up to bat. Already, he had 2 strikes, 3 balls, and there were 2 outs with the bases full-- Then came the ball. He hit it hard, but Pete Yorita stopped it and touched 3rd to end the breathless moment, likewise the thrilling game.

Mr. Yorita with a triple, Doi and Naito with a double each, starred for the winners, while Mr. Kamoo with 2 singles in 3 trips starred for the losers.

GIRL SCOUT LEADER NEEDED

In dire need of a scout leader, the Intermediate Girl Scouts are anxious to find one. The troop is an energetic and an ambitious, cooperative group of girls 12-15 years of age. Let's not have this Section One and Two troop disband because of lack of leadership.

Although the majority of us young people are much concerned about leaving the camp, we must consider the younger group which should have every advantage of sharing the fun and activities of group work. If there is anyone at all, who would consider giving a lending hand to help the Girl Scouts, will the person please notify the Rec Office in 3.

SEC 1 YOUNGS BETTER SATO SQ'D

The Section One boys, 14 and under were the victors in a hard fought game from Nobi Sato's Section Two 14 and under boys behind the fast-pitching of Ken Yoshino with the score of 5-3 at the Section Two playfield last Saturday morning.

Subscription rates are as follows:

Section One Residents: free, if and when the paper comes out.

Non-Section Residents: free also, if and when you are fortunate enough to get one.

Our policy: we tried, now we leave it up to you.

SPONTA YOUNGSTERS SWAMP ALL-GIRLS

Section One girls all-stars took a big beating from the Section I 14 and under boys by the score of 17-3 last Thursday at the Section I playfield during the practice tilt.

It was a good batting practice for the boys who went up against Miss B. Yoshino's pitching until the fourth inning. Then Yuri Uchida came in to stop the boys to a no hit-no run game to the end.

Yuri Uchida hit twice for the losers while everyone in the boys team hit to help pile up 17 runs.

SECTION 1 LASSIES LOSE THRILLER

The Section I Girls-All-Stars lost a tight game to Section V Girls in their 2nd game of the series, Sat. at the Section V playfield and were taken down from an undefeated line. Yuri Uchida held Section V down to a no-hit, no-run until the 4th inning when the Section V girls, taking advantage of Yuri's sore arm pounded her offering to 9 runs, 10 hits from the 5th inning to win. The timely hit of Miss H. Shioji broke up the tie game in the last half of the last inning.

During the last half of the last inning when the score was 3-8, H. Shioji is up to bats with 2 balls, 1 strike and 2 outs with two girls on base. The ball leaves the pitcher's hands; she swings, hits a long single; brings a runner into home. Games over. Score 9-8.

Y. Ishibashi, H. Tsugawa and H. Shioji with 2 singles a piece in 4 trips, starred for the winners, while M. Mitsudo with a double and a single, C. Iwakiri with a double and a single and I. Mitsudo with a triple and a single in 4 trips starred for the losers.

RECORD CONCERT APPRECIATED

A record concert was enthusiastically appreciated by a large group of Isseis in Dining Hall 2 last nite. As in the previous concerts, the elder folks never seem to tire of good music, so again, with approximately 100 people attending, Block Two should be congratulated.

REDS, OLD MEN CHALK UP THIRD WIN IN LEAGUE

The Section I Reds and Old Men teams chalked up their 3rd victory to keep themselves up in the League undefeated, by taking the Section V team by a score of 3-9 and 13-3 respectively, before a crowd on Sunday at Section One playfield.

volunteers!!!

About 4,000 ft. of pipes lies near the open playfield by Blocks 12 and 16 which is to be laid between blocks 1-10 for irrigation purposes, since the camp irrigation ditch will stop at Block 10 due to the elevation of the land which makes the irrigation impossible.

The water must, therefore, be pumped from the canal to accommodate the needs of Section I and II residents. Think, how vastly improved our Section playground will become in the event that the irrigation can provide lots of water. Our victory gardens can also be assured of plenty of moisture.

We are asking for volunteers to help lay out the pipes, and thru your cooperation, we need not worry about the shortage of water. The manager in your block is eager to get your response so let us support him and Section I.

HANDICRAFT CLASSES

Our daily handicraft sessions in Section I at Dining Hall 3 is gradually losing its enthusiasm. Unless we can interest more of the ladies to attend, to knit and crochet and to receive instructions, these classes may be discontinued. Let us show our appreciation to Mr. T. Nakamura. The instructoress, by attending these classes more regularly. Will you please convey the above to your mothers, for it is for them for which these classes are being held.

There was no worry for Mr. Naito except in the 4th inning when the losers hit twice and managed to pull in 3 runs on some errors.

Mr. Doi starred for Section I with 3 singles in 4 trips followed by Mr. Ishibashi with a big homer with bases full and a single in 3 trips. Another star was Dr. Nakamura with a long homer with 2 men on bases. On the losing team Mr. Kajikawa and Mr. Kunimatsu helped push in some runs with timely hits.

THANKS FOR YOUR COMMENTS

A comment was brought into the office two weeks ago in regard to the omission of the write up for the Major League and for the Girls Baseball game with Sec. V

A request came in this past week regarding the column, "Between the Blocks" and for its revival.

We were mighty sorry we neglected to insert the Baseball articles in one of the issues, but we did appreciate the fact that there are people in Section I who do read this "ACTIVATOR" and therefore, our efforts in trying to have a weekly bulletin is not in vain. Any comments, complaints or otherwise will be most appreciated; also any articles or contributions for improvements will likewise be received with enthusiasm.

Now, for the column, "Between the Blocks." Do you recall that article was dedicated to the making or breaking of the Section I morale? What appeared in that column which was taken as dirt or otherwise has long ago ceased existing because there was no one to write it. Perhaps you can tell us, the latest dope. This being your paper, only you can inform us. Our policy has and always will be: "We tried, now we leave it up to you."

The Section I Reds added another victory laurel to their continued series of wins on Wednesday evening by defeating Section Four, 5-2. They still remain undefeated.

It was a close game with the score 1-0 in favor of the Reds up to the 5th inning until the Reds rallied with 4 more runs to ease the strain. Led by T. Nakayama's 4 hit pitching the Reds held Section Four to a shut out until the 5th inning when they managed to push in 2 runs with 2 hits.

Stars for the winners were T. Nakayama with a triple and a single in 4 trips, and H. Akimoto with a double and a single in 4 trips. Hikida with 2 singles starred for the losers.

The Hunt Team is made up of stars in every section and upholding Section I in action were Hiro Uchida and Shiro Kashino.

Behind Nobu Sato and Ralph Takami's superb 4 hit pitching, the All Stars almost won a shut out game. The only run which the opponents made was in the 5th inning when Blakelsey hit a long single to bring Bishop who was on 2nd into home. After the 5th inning, the score 2-1, Hunt's favor, the boys made runs every inning thereafter to end the pitching duel.

EXECUTIVES REPLACED

"Big Boss" Geo. Ishihara Community Activities director departed from camp which left competent Mr. Shig Osawa, already left holding the bag as athletic super to take over double responsibilities. He was appointed activities director and believe me,---that's a tough assignment.

EXHIBIT SCHEDULED

AT TWIN FALLS

There is to be a general exhibit of greasewood, arts handicraft and flower arrangement made by residents of this project in Twin Falls for which we would like very much to have your cooperation to help secure articles. Your respective block sewanin will be on the lookout so let us show the other sections we are 100% behind this. The date has not as yet been set, but it will in the very near future.

Custodian at Twin Falls will be your own Coordinator, Mr. Jiro E. Aoki and Section II's Coordinator, Lincoln Beppu, so every assurance is given as to its good care. In charge of the articles to be sent out from camp will be Mr. Shig Osawa, Community Activities Director and Mr. Tom Takeuchi, Coordinator for Section VI.

Capable Abraham Hagiwara left. The five supervisors have likewise all departed to seek greener pastures. With all these active and efficient leaders gone the department has been at a truly great loss, especially in trying to replace them. People seem to shy away from this department, yet recreation is most important in building one's morale.

Section leaders have already been understaffed but some of them have devoted their time to make both ends meet.

From Sec. I, Jiro Aoki is already dividing his time to hold three positions, replacing Abe as Mr. Townsend's right hand man, as Entertainment super and as Sec. I Coordinator. Louie Sato, Entertainment Leader of this section has long ago devoted much of his time with the understaffed art department. Yoshi Fuji-hira is also trekking up to headquarters as well as Sec. 3 to give a hand towards Club activities. Sec. One's athletic leader, Sat Miyahara, is doing a grand job promoting active sports despite the fact that he is a full time fireman, thus volunteering all his services towards recreation.

With such handicaps, the department is still endeavoring to provide some form of activity so that those of you who work during the day may find some form of relaxation after hours. It is needless to say that more of you must take the initiative to create leadership to help direct section activities. Those of you in Section I have been swell about co-operating. Let's keep it up.

HUNT HARDBALL TEAM HANDICAPPED

For the first time this season, the Hunt Hard Ball team will play on strange grounds by traveling out to Jerome. For the second Sunday in succession, Hunt will lose their starting pitcher, John Kawaguchi, who pitched last Sunday and who has left for the army. The first to leave was the super pitcher Nobu Sato.

The team will likewise be handicapped by the loss of five other members:---- Kato, G. Okamura, M. Hayashi, B. Yanagimachi and I. Aratani, who have been called to serve the colors but let's hope this does not hamper our style very much in bringing home another victory for Hunt.

CAMPFIRE WARNING

As the evenings become longer and warmer, there is an urge for bonfires where one can sit around it, watching the glow of the embers as one reminisces the past months and years. Any group in charge of bonfires are asked to kindly give notice to the Fire Chief.

If a fire is observed along the canal or out in the sagebrush, the U.S. Grazing Service, which has look out stations manned, will dispatch fire fighters to them. With a permit obtained through the Fire Chief's Office, we can prevent unnecessary fire alarms and save some embarrassments on our part.

HUNT BEAT JEROME 15-5

The Hunt All Stars won their second game in the Magic Valley League by winning an easy game from the Semi-pro Jerome All Stars-15-5, Sunday at 2:30 p.m. before a large crowd.

The Hunt All Star pitcher did not do as well this time for they gave their opponents 13 hits, although all the hits were scattered and harmless. Kawaguchi, Hunt's first pitcher was touched for 6 runs, struck out 6 men and one run was brought in. In the fifth inning, the relief pitcher, Ralph Takami pitched thru-out the rest of the game, and was touched for 7 hits, striking out 2 men and giving them 4 runs. Both of the Hunt pitchers could not stop A. Walter and Kober from hitting. Both of them collected seven hits which was more than half of the hits made by the rest of their teammates. The Hunt All Stars pounded C. Ricketts's offering for 15 hits totaling 15 runs.

J. Okamoto with a triple and a single in 2 trips, Iono with 2 singles in 2 trips, Hiyama with 2 singles in 2 trips and a long homer by S. Kashino starred for the Hunt Team in hitting.

A. Walter with 2 doubles and 2 singles in 5 trips and Kober with 3 singles in 5 trips starred for the losers.

EXHIBIT AT
TWIN FALLS

RED TOP MAJOR LEAGUE

The Arts and Handicraft Exhibit previously announced in the "Activator" will be held at the Twin Falls Library on June 24, 25 and 26. The articles to be displayed by the Hunt Residents must be secured by Monday or Tuesday. A truck will be available for those in Section I who may have things for display and they are asked to contact Mr. S. Ikoma, the Issei recreation leader at Rec 3.

Custodian at Twin Falls will be Mr. Jiro Aoki and Mr. Linc Beppu, who with the help of a few more very efficient people will assure the utmost care in handling and exhibiting.

ALL STARS JINXED BUT STILL WINS

The Hunt All Stars must be jinxed because for the second time, they have been unable to go out to play. The first game to Filer was called off because of a breakage in an irrigation dam which flooded the Filer field, and last Sunday's game with Jerome was postponed because of the terrific rain.

Rupert, however will invade the Hunt All Stars this Sunday at 2:30 at the Central Field. First baseman, Hiro Uchida of Section I who has gone out for work will be missing from action. Of those in Section I who are left on the squad will be S. Kashino, H. Uyehara and T. Oho.

DID YOU KNOW:--

Mr. Kipp, formerly of Chicago has been named as the new Hunt director of Community Activities, and thereby will work solely with the recreation department in promoting activities.

Section I Reds still remain undefeated at the end of the first round in the Major League by taking the Sec. III team by the score of 13-8 Wednesday evening at Blk. 16 playfield.

Taking advantage of the walks offered by pitcher Machida and the relief pitcher Asahara and the errors

BASEBALL CAPS ISSUED TO O.T.S

Section I is very much indebted to Mrs. M. Takenaga of 3-12-B who has made over a dozen baseball caps for the Sec. I Old Timers Baseball team.

There is a history behind these colorful caps which through sentimental reasons is mighty valuable to the players. A Japanese obi of Mrs. Takenaga was taken apart, so that the stiff inner lining could in turn be used for the stiff brim of the cap. The white caps trimmed with the red brim surely gives the Old timers a professional appearance.

SEC. I BOYS vs SCORPIONS

Boys 12 years and under have formed a Kitty-ball League within four Sections. Using a 10" ball, the regulation hardball rules will be put in effect, and games will be played on Saturdays from 9:30. There will be three rounds.

The Section I Cardinals to be managed by the energetic bit of dynamite, Kanji Yoshino will play against the Section II Scorpions at the 12 playfield, while the III Midgets will battle it out with the Section IV Lightning at Blk. 23 Field.

Come on "Fellers," we're expecting you to step into the shoes of your "Big Brothers" in the Major League and your "Pops" in the Old Timers League by walloping the other Section so that you too can be an All Star.

made by the opponents, the Reds started with a bang by scoring 3 runs during the first inning and four runs in the second inning. 4 and 2 runs were made in the 6 and 7th innings respectively.

The starting pitcher Machida was knocked out of the box by the hard hitting Reds in the second inning when 4 runs were tallied. Then relief pitcher Asahara came in and the Reds were held scoreless till the sixth when they found their eye and batted 6 runs from Asahara to end the game.

The sensational double play by the fast, wide-awake Section I Reds in the third inning with the bases loaded surely saved the pitcher Matsuzaki from "losing face" and likewise "faith." Joe Matsuzaki and J. Uyehara with 2 singles in 3 trips starred for the winners while Machida and Kato with 2 singles in 3 trips for the losers.

LEAGUE REGULATION CHANGES

As a result of the wild cry from both the fans and players that certain teams were too strong and that there were too many young players participating in them, a meeting was held under the supervision of Mr. Ikoma. They decided that since there were to be so many changes in the first set of Rules and Regulations, they would begin all over again. They agreed on the following regulations:

1. Blk teams formed for those 28 yrs. and up with 3 players under 28 years allowed to play in each inning. A team may have as many young players as they wish but not more than 3 can play each inning and they cannot catch or pitch.

2. Donations from each Blk. team will be spent on equipment (such as balls and bats) and the prize for the winning team will be a banquet feted them by the other 4 blocks.

3. Prizes will be awarded to the hitter of the greatest number of home runs during the season and to the one who makes the most hits.

4. Only the players on the List O.K.ed by League representatives can play.
