Dear Mr. Rockwell:

Thank you so much for sending me the flyers announcing your program in honor of Yoshiko Uchida. I've shared them with other interested individuals, including Yoshiko's sister, who lives in Connecticut.

It is very meaningful to all of us to hear about the program and your continuing awareness of Yoshiko Uchida's work.

Very truly yours,

Enclosed are new fliers announcing our upcoming program in memory of Yoshiko Uchida. Lots of children, including pre-schoolers, will attend the program. Our Alameda County Library system recently purchased copies of THE BRACELET and THE MAGIC PURSE.
