DART BOWL

Since the Stafford Library has moved from the front end of Rec. Hall 31, the Area B Rec. Office has taken over the entire hall. Dart Bowl has been secured for the use of those who are interested in playing the game. People are invited to play during the Office hours of 8:30 am - Noon, and 1:00 pm - 5:00 pm.

THE GRIPE-VINE

Use of Social Halls 28 and 38 for dances, parties, and fun??? Yes, yes, but why leave them in such a wreck? Broken windows and locks, muddy floors, and ashes dumped into paper boxes certainly are unnecessary acts of mischief or "I don't care, let the other fellow clean this place" attitude. These social halls are for the use of Young People to have fun and for a place to get together socially, but unless the halls are left in better condition the privilege of such use will have to be cancelled.

After all, you wouldn't treat your own home with such carelessness. Then why not replace the furniture where they belong after the party is over? Why not leave the halls in good condition?

Permits are issued to people who want to use the social halls and dining halls at Rec. Office 31. The Fire Dept. and Internal Security have asked the Area offices to report all activities in recreation halls to them as a safety measure against fire and emergencies.

Your co-operation is asked as permits for the social halls cannot be obtained under the present RA employment policy.

Attention is called again to the rough-house tactics of some people who take delight in destroying property at the Spotlight Theater. If you want the movies to continue being shown, let's keep the place in order!!

Since the membership fee is only 25¢ a year, we urge every fan to become a member. Those wishing to sign up may do so here on the course before teeing off. Since this is the initial tournament and the various handicaps of players are unknown, this will be a "NO HANDICAP" event, participants will be divided into 2 classes, A and B by the committee according to known or judged ability.

It is the fondest hope of the Minidoka Golf Club that this simple course will help to pass many enjoyable hours of the golf fans of this center. May the spirits of America Sportmanship and Comradeship govern your conduct while here in Minidoka.

#MILLION DOLLAR EXHIBIT#

An exhibit for the people, by the people of the people..... An exhibit to satisfy the whims of the "wakinos" as well as the old..... you'll ah!...you'll oh!.....

When you see the miracles (that's what I call 'em) of man's ingenuity in the use of his 9 fingers and 2 thumbs... unless he's got a mean swing with a wicked axe, or he's had a mental relapse with a buzzing saw.. then it's 7 fingers and 1 thumb, perhaps.

If you want to know how they do it..... then.....fect, start traveling.....take the Burma Shay Road as far as Rec. 31, also known as the Area B Rec. Office.

You'll see the best of Mr. Noma's prize winning photographs.....

You'll see Hunt's best in greasewood art.....

Paintings by the talented hands of Mr. Nomurawho ranks as one of the top ten artists of Washington State.

Carvings, home-made furniture.... and everyother thing under the beams of the solar except gremlins (those things will eventually turn up before the exhibit is over.)

Forget Pearl Harbor, forget the Maine, forget the Alamo, forget-me-not, but don't forget the "million dollar exhibit" april 29, 30, and 31 at Rec. Hall 31.

A touch of tear moistened the production managers eyes as the curtain came to a close on the show to end all show "The Showdown" This was his final major production in camp for he was leaving for the east. You, the people of Hunt, all know him as a swell trouncer and a fella that's willing to help anyone or any group that's down and out. His never relaxing energetic figure was seen scurrying here and there livening up the camp with dances, talent shows and what have you. His flashing and captivating smile captured many a feminine heart for the smile was relayed from the depth of his heart. You all know him as Stogie Toki. Since Stogie's leaving, yours truly would like to write a little something about his exciting (oh hum) life..burp

On the morn of a bright dull evening cr..a..during the snow blizzard on a hot summer day..cr. Brummp' well..l..l during some time of the year of 1921, a bouncing baby boy was born? Three doctors, five internes, two nurses, and one and a half nurses aid piled on him to keep him from bouncing. After the pile unraveled, the Good Year Rubber Company examined him closely to see if he was a new discovery in synthetic rubber..but

alas, he was only a human being? After becoming a ripe old age of 7 months, he was known as "The Tacoma Playboy. He had such a large and expensive wardrobe that he used to change oshi-me's every five minutes.... blush blush. Aren't you clothes-crazy women jealous??

Being a brain, he graduated from kindergarten through bribery on his 21st boithday. Count to ten for the folks..Stogie. I'll wait. Doi doi doo... What's that? What comes after seven? Take your shoes off and count your athlete toes. Whew..... first time I've seen a foot with halitosis ...cough cough..... Seriously, Stogie, from the bottom layer of my worn out liver I'd like to say 'You're one great guy I'll never forget.... duchess...

GOOD-BYE MR. KIPP
1-A in the army, but it's the ocean blue for him..5'5" of TNT Tiny and Terrific. Not quite one year in this project, but when he goes he'll leave us with memories of an year well done. It is amazing how much he has accomplished with a staff of a mere 50 or so "w-reckers" Yes, we say, Goodbye Mr. Kipp, but the things he has done for us will remain with us for a long, long time. Good luck and may God Bless You and your family.

SPORT PARADE

As the sun peaked from behind the dancing clouds, he was amazed to see leaping and running figures challenging the stubborn wind.

The Area B basketball league's overhauled machine began to roll the Forty and Thirty court. The Forty KT's toppled the 34-39ers by marking up a figure of 35 to 22, as the Shinada brothers potted 13 and 10 pts. The heavily favored B24 Bombardiers out fought the All Shot 58 to 44. Bombardier Giichi Yoshida set a new high as he bombarded the basket for 21 sinkers, while his team mate Bob Ohashi sank 20 pts. Hank Iwata for the losers made 16 pts. Tex Irinaga with 17 pts. spearheaded the attack on the Block 39 as the Lancers outplayed them 42 - 23. In the Jr. League Roy Tsuji led the Stardusters to a victory over the BI Giants with 11 pts.

Shots...17 to 6. Referee Duke Tanaka had a harrowing experience trying to dodge their widespread background.. Down below the equator at Court 30, the Bonerettes was upset by Blk. 74. Rulie Kaneko topped the scoring honors of the week, by piling up 24 points. Seen in the thick of the battle, clawed by the players was referee Stogie Toki..and they say this universe is a Man's World...Ouch

On April 6 the Toppers highbatted the Lancers 55 to 39... with Geo. Takatsuka relative of Queenie strutting 18 points. Joe Hamanaka for the Lancers potted 15 sinkers.

When you walk by the Area B Hdq. at Rec. 31 and hear moans, groans and blurps floating from within it's atmosphere, it's not the rehearsal of Inner Sanctum. The 'mysterious source' is...er...a burp Barbell Training.

You are welcomed to walk in anytime of the year, month, day, and hour to moan and groan with fellow barbell enthusiasts. So discard your rationed girdles, fella's and take some of that excess fat off your delicate tummy.

A KA CHAN'S ATHLETIC DA DA CLUB

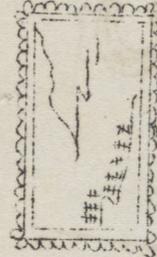

Children, are you tired and weary before your napping time comes? Does your eyes look black instead of violet-green? Are your oshi-me's sagging due to overwashing? Then my dear lads and lassies, eat O'tsukemono's Corny Corn Balls for breakfast. They're so crispy and crunchy and when you pour milk over them, they're so soggy. Now, a word about our A-ke-chans Athletic membership card, you just simply tearoff any old father's safe top and mail us the insides. Don't fail to send us everything in the safe. And a word about the members sterling silver badges.. "We haven't any".
