\* As of June 23, 1943, 6286 persons had requested repatriation; the 4901 persons included in this analysis are those for whom the Individual Request for Repatriation (WCCA Form R-100 or WRA Form 230) were available in Washington for tallying. Of the 1385 not tallied, approximately 700 are known to be children under 18 years of age whose parents requested repatriation for them in the WCCA Assembly Centers, but for whom separate Repatriation Requests were not filed; the remainder of the 1385 are believed to have substantially the same age distribution indicated in this analysis. More complete results will be available at a later date.
