### SCHOOL AGAIN....

Once again we pulled our school clothes out of the trunks as September rolled around. Some of us walked briskly, knowing that this was our last year of school, others dully because we just despised the thought of having to go to school again.

#### STUDENT LEAVES

We suffered a great loss this month due to the transfer of an active senior, Haruo Yuki, to the Topaz Relocation Center in Topaz, Utah. Here's wishing you all the luck in the world, Haruo, and may we meet again sometime when this chaos is over.

## Mr. McLaren HEARS from FORMER STUDENT

Letters were received by Dallas C. McLaren, principal, from two of last year's alumni, Aileen Oita and Kouichi Tanaka.

Aileen writes:

"I am now quite well settled in college life and like it immensely. Having no major yet, am taking a general course, and am trying to fulfill as many requirements for graduation as possible.

In all, there are nine Niseis on the Campus. I was sorry to hear that there is no Journalism class this year, but I hope the students will carry on with the paper. I know that they could have a good paper if they tried."

Kouichi writes:

"I have noticed that many high school text books used in Poston are identical with the ones used here, for example, Dull's physics book, and the biology book.

Pictures were taken of the crowded conditions at Wayne University. By chance, the government class in which I am enrolled was taken as an example. Thus I have enclosed a copy of the picture as it came out in the Detroit News. (This picture is now posted in the school library.)

There are many Niseis enrolled in Wayne U. Most of them are Freshmen."

These letters and other letters received from former Poston students who have relocated to different sections of the United States will be published from time to time.

 EDITORIAL.....A "WASTE-TIME" SCHOOL

The previous school year concluded in a rip-roaring fashion, bubbling with school activities such as the "Spring Fiesta", the Junior-Senior play, "Ever Since Eve", school socials, assemblies, movies, etc. However, this first quarter, we find the school in a dull, monotonous and dreary state. Except for a student body social and few other activities, the progress of dear ole' Poston Two High has been more or less, in a stand-still. Except for the newly organized and quite active "Lettermen's Club", few other extra-curricular activities seem to be taking shape.

What's become of the spark the students seemed to possess last school year? The student-activities should have been in full swing by now.

In speaking about school to students, one hears replies such as "Waste Time", "Lose Fight" and other similar quotations.

Students, let's change all that. C'mon now, guys and gals! Let's let loose and let 'er rip! Let's make the 1944-45 school year something you could talk about for the many years to come.

HITHER 'n YON

 The X-Ray Camera Club had their second meeting with the election of Jean Culp as President.  
 Hi-Lites--Rowher, Ark.

 Hi-Times' editor received his scholarship from Woodstock, Ill.  
 Hi-Tide--Rivers, Ariz.

Quill and Scroll, which is the honorary society for journalists in high school, held the election of officers.

The loss of two popular faculty members was felt heavily by the students, especially by those who were her students, and the teachers of the Poston II High.

Miss Elsie Banning, who taught the seventh and eighth grades, left the center with Heart Mountain as her destination where she will continue her teaching. She left due to her mother's illness.

Miss Barbara Van Slyke will return to New York in the near future to regain her health. She taught the Sophomores and Spanish I.

The unselfish services rendered by these teachers is greatly appreciated, and in behalf of the staff and students of Poston II School, El Bullador extends the best of luck, health, and happiness.

#### JANITORS URGENTLY NEEDED BY SCHOOL

It seems like the manpower shortage problem has finally hit Poston II School. Janitors (even Janitress will do) are urgently needed! Anyone who is 14 years or over, unemployed, and is willing to do this sort of work please contact Mr. McLaren immediately. Students, now is your chance to show your co-operative attitude toward the school.

MON, BOYS AREN'T YOU GOING TO BE THE HEROES? APPLY FOR THIS JOB.

## FASHION---

by Fad

Dear Fashion:

If there is any girl in Boston II School who has not worn a skirt this school year, she will have a hard time convincing me of it, for skirts and blouses seem to be the larger part of every girls wardrobe this year.

Among the many different varieties of skirts to be worn, the gathered cotton ones are by far the most popular at the present time though pleated skirts of heavier material are coming in with the cooler weather.

Not only the girls have gone off on certain kinds of dress but the boys seem to have done so also. If we would ask the boys why they wear levis and jeans so much instead of other kinds of trousers they would probably give the same answer as the other boys all over the Southwest. Not only have they gone off on levis and jeans but a more puzzling subject is the brightly figured shirts which several of them have worn. Is this because they are trying to out-color the girls or have their tastes changed and have gone back to the time when the men were the ones who wore bright colors? Which is it?

Can anyone answer these questions? If not I won't trouble you, for fashions were always puzzling anyway.

Just,  
Fad

WHAT'S THE MATTER WITH  
YOU FRESHMEN?

What happened to the freshmen this year? It seems as though no one is interested in any kind of social events except for one or two. No party, no "nothing" in fact. Come on Freshies, that happened to all your pep? Let's pep up a little and keep up with other classes!

STUDENT BODY  
SOCIAL

The first Student Body Social, which was sponsored by the Student Body, went over with a bang. Sharing in the evening's frolic were the new teachers, who were introduced at the opening of the social, and alumni members as well as the students.

Acting as "emcee" for the evening was Isao Kiyohara. Refreshment was served during the intermission, and vocal solos were rendered by Sally Imoto, Lillian Yoshizumi, and Gene Nakata.

ECONOMICAL AND  
ATTRACTIVE 211

Smart? Well, you could call them that. They seem to have gotten ahead of the rest of the girls in school. Didn't you notice their nifty looking navy blue skirt and white blouse combination? It certainly does look neat, girls.

Who? Why none other than the 211 girls, of course.

Why? Because they figured that would be the best and easiest way to do away with clothes competition.

## RADIO CLUB NEWS

"Next week we will take up parallel circuits," stated Kaz Oshima as he concluded the second instructional Radio Club meeting which was held October 13 in room 32 at 7:15 p.m.

The thirty-five members were all seated quietly with their mental power in action. Their advisor, Mr. Sullivan, listened with the rest of the members as Kaz explained Ohm's Law.

Plans of the Club are to learn the fundamentals of radio, to repair, to make and experiment with a complicated machine, and in addition to that, a stable club with various activities.

The officers of the club are: President-----Takuji Tanaka; Vice-President-----Orden Ichinaga; Secretary-Kenji Harada; and Treasurer---Tomio Hirota.

## NEW BOOKS FOR LIBRARY\*-NON-FICTION AND FICTIONS

RHAODES AND GODFREY  
SPEAK HERE

Enthusiastic listening and high hopes were in the air last week as Mr. Walter Godfrey and Miss Esther Rhoades spoke to the members of the secondary classes last Tuesday. Their topic was centered on the accomplishments thus far made by the Fair Play Committee for the purpose of Japanese-Americans relocating back into California.

Miss Rhoades has spoken previously to the members of the secondary classes. This, however, is Mr. Godfrey's first visit to Poston.

The news heard was exceptionally acceptable for person's desiring to relocate to the West Coast.

## JOKE

Teacher: "Bill, you can't sleep in my classes."

FIRST ISSUE OF  
EL BULLADOR

The long-awaited El Bullador is finally off the press. Many questions concerning the paper, as to when it was going to come out and as to what it was going to look like were heard, but behind the curtain, the staff has been putting much of their time and effort into it.

This issue was published by the seniors and the freshman with a temporary staff of 34 members, and the next issue will be published by the sophomores and the juniors, also with a temporary staff. The third issue and the following issues thereon, will have a permanent staff which will include anyone from grades 9 to 12.

Last year, the students were handicapped because none had had experience previously. However, this year, the El Bullador has met some improvements: better paper to print on, and starting off with a staff which knows the functions of it. The Freshmen, who were left out last year, are included this year.

## COMMERCIAL NEWS

Due to the shortage of commercial teachers Short-hand II and Typing II were not offered to second year students, but with the volunteer instructors, Misses Hisaye Matsumune and Mary Yokoi, classes promptly began during period 3 and 6.

## Roy Nishimoto SENIOR CLASS TREASURER

Roy Nishimoto cut the string last week as he came through as Senior Class treasurer. This office was vacated by Tommy Matsumoto, who relocated during the summer.

The election was held through the Core classes to avoid confusion and to save time for all those concerned.

## Senior High STUDENTS RECEIVE TUBERCULINE TEST

The Poston Public Health Department has given all Senior High School students a tuberculin test without charge as a means of helping the students and physicians to know whether anyone has ever been exposed to tuberculosis. This is another opportunity for Poston young people to receive expert medical attention at no cost to themselves.

The test consisted of the application of a small amount of serum upon the surface of the arm.

The test was given to all students of grades 10, 11, and 12, last Saturday morning at the Unit II Clinic.

## PRESIDENTIAL CAMPAIGN TO BE SPONSORED BY SENIORS

### FRESHMAN CORE CLASS DIVIDED

Due to the shortage of teachers, the Freshman Core class has been divided into two classes. Since Miss Ferris is taking over the General Science and Spanish I and II classes Mrs. Courage has assumed the responsibility of taking over one of the two Core classes during the 3rd and 4th periods.

This change has been made possible through the alteration of the schedule.

### CLASS REPRESENTATIVES FOR EL CHAP ELECTED

In order to get all names of person and activities of various classes in the El Chapparel representatives for the classes were chosen at a meeting held on November 3.

Those selected were:

Miho Takizawa-----Junior  
Zora Lutz-----Freshman  
Doris Sakasogawa--8th grade  
Tayeko Kitamura--7th grade

Since there were no sophomores represented at the meeting, their representative will be selected through the sophomore Core classes.

In conjunction with election day throughout America for president, the Seniors will sponsor an assembly which will open with the salute to the flag, followed by the "Star Spangled Banner" led by Mrs. Kerver. This assembly is solely for an informal debate on the presidential campaign, and will take place in front of rooms 18 and 19 at 8:15 a.m. on November 7 instead of November 6 as was previously stated. Elwood Ito will lead in a few yells.

Acting as general chairman will be Goro Kudo. Placards for the Democrats and Republicans are being made and will be carried by students representing the different parties. Votes will then be taken in each Core Class. The 7th and 8th grades will also have the privilege of voting. Shig Imoto is head of the election committee.

The representatives for the two parties again are Republicans: Chiz Kitamura, Ben Dohi, Kenji Harada, and Shiro Sato; Democrats: Shigeko Yamamoto, Pete Hironaka, Ordon Ichinaga, and Norio Kokka.

EDITORIAL-----OUR HIGH SCHOOL

High school is a part of every student's life. It is a place where students meet their friends, study and work, laugh and play together. It's where he is a brother or sister to the lower classmen.

Literally, you may say that school is a couple of adobe bricks put together and painted to look like a school, but doesn't school mean more than that to you? Doesn't it mean a place where you have your school assemblies, rallies, socials, games, clubs and organizations. It is a place where girls come to gossip and boys come to talk about football, basketball and baseball or even their favorite girls, but above all, where you learn about people and life.

Yes, it's all this, students---all this combined into one is four of your most memorable and precious years of life. In order to make this into a blazing reality, let's all pitch in---once, twice, three times---and make this one of the best years that Poston II High has witnessed.

## CORRECTION

El Bullador will be published by a permanent staff beginning with the fifth issue instead of this issue as was presented in the first edition. The temporary staff will be the same throughout the four issues.

## PRESS BOX MAY BE USED

Anyone who has new of any kind may leave it in the "press box" which is located in the school office.

FOUND: A green Parker pen at school library. Owner will please call for it at the desk immediately.

## IN APPRECIATION

The Poston Two High School felt a great loss as Mrs. Georgia D. Robertson, one of our mathematic teachers, left due to ill health and returned to her home in Laguna Beach, California. She had been with us ever since the birth of Poston Two High in the 210 barracks.

We are all grateful and indebted to Mrs. Robertson for her untiring efforts to help the student of this school. She is home on sick leave.

## Dirt by Jerk

## WHO'S WHO?

To friend of Jerks:

Hello! Here we are again to feed you with some of our genuine dirt. Don't get indigestion--

We overheard Terry giving the whereabouts about her better half since he entered camp. We put it in our own words: He's formerly from 216, left for Oregon, was inducted into the army, and is now stationed in Camp Shelby, Mississippi. She wouldn't give us his name, but we hit the nail on the head.

Thomas seems to be getting "way up there" with the girls---the Seniors as well as the Freshmen. You are giving your brothers pretty stiff competition aren't you, Thomas?

Phil never keeps his mind on his school work. It seems like he wants to be in 1 & 2 Core where all the girls are---especially that certain one.

Did you girls all get your Christmas catalogs? Those chocolate candies certainly are eye-catchers. Pssst, can't you take a hint, boys?

Now why are the woodshop boys so anxious to get to their Camp I classes? Could it be that certain girl that you're always whistling at? What a number!! (they even go there for three periods now----- ambitious, aren't they?)

Then we called Fat when he walked in the room the other day that someone wanted to see him by the window, he certainly got red---was it on account of (con. on col. 3)

hat's wrong, Harold? You  
going to let Kunio get

Since the Freshmen Core Class was divided, it seems much quieter. Is it because all the noisy pupils went to Mrs. Courage's class, or is it that every one is getting tired of making so much noise?

This certainly is a break for Miss Ferris.

That's about enough for your system now, so 'till next time--s'long---

# MIGHTY ZOMBIES COME OUT ON TOP AGAIN; BRUISERS DEFEATED 7-0

## FFA HOLDS INITIATION PARTY; OFFICERS ELECTED

Hitting the road as an undefeated team, the mighty Zombies defeated the star-studded Bruisers 7-0, in an intramural football game. With the plays of Capt. Oden Ichinaga, "Fat" Ito, Mits Nakano, and Lefty Kiyohara totting the ball and flipping passes, consistent gains for the Zombies were made.

Keeping the Bruisers in the game were Phil Matsuo, bullet passes of Capt. Sus Hayashi and the rugged defensive play of Tom Kojima.

The Zombies score came in the last quarter when Ito took the 25 yd. line, faded and flipped a beautiful pass to Tommy Nanamura on the end zone. Conversion was also good on a reverse to Kiyohara, who shot a pass into Frank Kajihara's arms to make the score 7-0.

Due credit goes to every player on the field who displayed the type of football Camp II is noted for--Rough, rugged, and tough.

### M. FERRIS SPEAKS ON NURSING

The students of the General Science class were all ears last week as Miss Martha Ferris, sister of Miss Mary Ferris, spoke to them on the topic based on nursing in general.

At present, Miss Ferris is an industrial nurse in Dayton, Ohio. She told of her many experiences throughout her nursing career. Her desire was focused on becoming a surgical nurse.

Agriculture I & II boys went to the "sand dunes" to carry out their postponed initiation party on October 27. After they got a roaring fire started, Elwood Ito, who was in charge of the entertainment, got some games started. In one game, Mr. Ketchum galloped across the finish line, carrying a lighted candle, and nosing out Easter Tokiwa for a victory.

Officers for the F.F.A. were elected as follows:  
Pres.-----Jim Yaji  
Vice Pres.--Tamotsu Gyotoku  
Sec'ty-----Easter Tokiwa  
Trea.-----Hisao Nishimoto

Effective last Monday, the Poston II High School went according to a new schedule. This new schedule consists of four 55 minute periods in the morning, and two 55 minute periods in the afternoon. The noon hour is 75 minutes. To sum it up, school begins at 8:05 and ends at 3:15 with the Activity period following.

According to the students opinion, this change is much more satisfactory than the 70 minute periods. (Con'td from Page 1)  
assembly over successfully the Senior Class requests the utmost cooperation of each and every student.

THE REMAINS OF LIL' MANJOO  
AFTER SENIORS' ASSEMBLY  
ON ELECTION DAY...!

## DEMOCRATS vs. REPUBLICANS

The Senior Assembly hi-lighted the month of November. This assembly was sponsored in conjunction with election day throughout America, and was solely for an informal debate on the presidential campaign. It opened with the salute to the flag, and after the opening address, Elwood Ito led the audience with yells for the Democrats and Republicans. Placards such as "Kill all Rumors," "Vote for Roosevelt," and "Vote for Dewey" were made and carried by students representing the two parties. Following the assembly, votes were taken in the Core Rooms.

The Republicans pulled away with 212 votes, which was closely trailed with 143 votes from the Democrats.

Both parties were well represented by the capable and scrupulous speakers in defense of their parties. the Democrats were Shigeko Yamamoto, Orden Ichinaga, Norio Kokka and Peter Hironaka. The Republicans were Chizuko Kitamura, Kenji Harada, Ben Dohi and Shiro Sato.

READY? NOW SMILE...

"Hold that pose....," and "Click!" went the camera as the Seniors had their pictures taken for the EL CHAPARRAL.

#### CLASS TREASURER

Roy Nishimoto, a very capable senior, broke the string to take first place for the office of treasurer.

He filled the vacancy which was created by Tommy Matsu-moto who relocated during the summer.

### CHRISTMAS VACATION IS HERE!

With trimmings and all, the Christmas tree in the Senior Core room was elaborately decorated with tinsels and other decorations for the tree received from Miss Joan Smith, our former Junior Class teacher. Since the morning Core did not favor a Christmas party, the 5 & 6 Core enjoyed a hilarious time on Friday afternoon, Dec. 14, 1944.

Games were played, and refreshments topped the fun of the after noon. Comments such as "Hurrah! a week's vacation is here, and we surely deserve it!" were heard, because this was the last day of school for the year 1944.

Refreshments were served by the Sophomore hosts. During the brief intermission, President Norio Kokka and the Camp I Senior Class President Richard Shindo gave a few words. A farewell message was presented by Robert K. Kanagawa who was the honored guest. Mrs. Mary B. Courage, senior advisor, gave a brief interpretation of "Lullaby Time." ### "DITCH DAY"

On the 11th of this month, we all gathered at 7:30 a.m. at the bus depot to leave for Camp III for our "Ditch Day." Upon arriving in Camp III we walked around to find a suitable spot to picnic. Nothing bothered us more than the flies which kept following us wherever we went. We wondered why, and the question still remains unanswered.

In the afternoon, we went to the Kampus Karnival. Some of us went to the movie there, and some of us just walked around. Ah, what merrymaking!
