Dear Friends:

You have my name
because I sent a dollar
bill to Frank H. Smith
of Berkeley to pay for
sending me some
copies of letters from
a Japanese former
student at Berkeley, I
believe. He turned my
bill in to this cause,
I have been pleased

to receive your communications. As yet I have been able to do little to warrant being a member. I have told several people that there is such an organization which pleases many. I have quoted from your material in my work as L.A. County Director of International Relations for Peace - W. C. T. U.

This gives me opportunity to contact women from all denominations. But the field is so limited - women - and they mostly elderly. Perhaps sometime I can work in and thru an organization reaching

more widely those
who can do something
more definite.

However, these W.C.T.U.
women do write to
proper sources to
accomplish consider-
able. The enclosed
printed sheet shows
one of my emphases.
I call this project
my child. I have sold
2000 sheets of the printed
heading in a little
more than 3 months.

I have sold for study
and reading groups
about 75 each - Six
Pillars of Peace and
The Churches and a Just
and Durable Peace.

Wish my contribution
might be much larger.
Cordially yours
Mrs. B. L. Jennings-Minister

Dear Mr. Fisher,

We are sorry to have been so long in answering your letter asking us if we can't raising our \$2.25 donation of last year. I truly wish we could but Mr. Sears' ^{monthly} inefficient retired teachers' payment of \$32.92 and our small income from other sources makes it impossible.

If you will send me some more of the leaflets giving aims & of the Committee on American Principles & Fair Play and membership cards if you have such I'd be glad to pass them round in our Inter-racial Committee and elsewhere to get new members. Mr. Sears and I are taking an active part in this Committee ~~which~~ is composed for the most part of a live bunch of young folk. We are glad to keep young with them.
