NATIONAL STUDENT RELOCATION COUNCIL - WEST COAST COMMITTEE  
1830 Sutter Street  
San Francisco, California

December 24, 1942

To the Project Directors, Counselors, and  
Student Relocation Committees on the various projects:

Word has just reached us that we may add the following colleges to our list of those cleared by the military authorities for students from VRA projects. The last such supplement to the list was issued October 31. This list of December 22 is therefore the second supplement to the master list dated October 14, copies of which we believe you have on file.

If you find you do not have copies of the master list and the previous supplement, please let us know.

It is important to realize that just because a college is on the cleared list does not necessarily mean it is now able to take students. Quotas fill rapidly, community sentiments change, Army air corps move in and fill up dormitory space, etc. Please, therefore, ask students to clear with us before writing to colleges.

Yours sincerely,

THOMAS R. BODINE  
West Coast Director
