Oct. 16, 1945

HONORABLE TOM CLARK  
Attorney General of the United States  
Department of Justice Building  
Washington, D. C.

Dear Sir:

On January 26, 1945, I signed an application for renunciation of U. S. nationality form at the W. R. A. Segregation Center situated at Tule Lake, Modoc County, California, at a perfunctory appearance before a government official, and I have received a letter dated March 22, 1945, from Mr. Herbert Wechsler, Assistant Attorney General, approving the same.

I hereby repudiate, withdraw, retract, and revoke the said renunciation upon the following grounds and for the following reasons:

(1) The circumstances under which said renunciation form was signed by me did not constitute a fair and impartial hearing and was a denial of my constitutional guaranty of due process of law and of the equal protection of the laws;

(2) I was not a free agent at the time when and the place where said renunciation form was signed but was then and there held in duress and was the victim of fraud, menace and undue influence and mistake of fact and law;

(3) I then and there was and continuously from May 1942, had been detained in the said W. R. A. Segregation Center by official authority and was deprived of substantially all my constitutional rights, liberties, privileges and immunities as an American citizen by birth and by choice and was thusly discriminated against solely by reason of the Japanese nationality of my ancestors;

(4) I was intimidated and compelled to sign the said renunciation form by display of force and intimidation to myself made by the Hoshi Dan, a pressure group of aliens in said camp, and by members thereof, and I was in constant fear, that said threats would be carried into execution if I refused to sign it. I was acting under the menace and fraud of said group and its members and the undue influence exerted by them upon me and I signed said renunciation form under duress.

Because of the foregoing reasons the said renunciation and approval thereof were, and each of them is, invalid, null and void.

I am not a citizen or subject of Japan and I do not and never have owed or given that country or nation any allegiance. I am not an alien enemy. I am a native American by birth and also by choice. I recognize as my sovereign the United States of America and I give and ever have given the United States my undivided loyalty and allegiance. I have no dual citizenship.

Therefore I demand that you withdraw and set aside the said renunciation form which is repudiated, withdrawn and revoked by me and that you recall, withdraw, cancel, and revoke your approval of said renunciation form.

I am ready and willing to have this matter re-opened and a hearing be granted to me in order to prove that said renunciation form was signed when I was not a free agent in any sense of the words but was acting under duress and under menace, fraud and undue influence and mistake of fact and law.

I respectfully request your immediate consideration of this urgent matter.

Very truly yours,

Yuzi Tatsu

Dear Mr. Kato:

I received your wire this afternoon dated  
February 15th reading as follows:

"Received letter from Japan requesting my  
sudden return on this voluntary ship on  
Feb. 19th staying permanently please release  
me from suit inform me of my fees."

Upon receipt of your telegram I immediately  
telephoned to Mr. Ivan Williams who informed me  
that you are entirely too late to be repatriated  
on the ship scheduled to leave. Consequently I  
shall retain you in the court cases until you  
notify me that you desire to be dismissed from  
them under the circumstances. I suggest that you  
discuss the matter with members of the defense  
committee and if you should decide finally to be  
repatriated kindly give the defense committee a  
letter requesting that you be dismissed from the  
suit. If you desire to be repatriated you could  
still remain in the equity suit so that your right  
to citizenship in this country could be preserved.

Very truly yours,

WMC:cnw

P.S. I sent a wire to Mr. Ivan Williams requesting  
him to enable you to repatriate on the coming  
boat if it is possible for such to be done.

Dear Sir:

I received your post-card on December 19, 1946 which you submitted to the court about our citizenship.

At present there is one consular office at Kobe too, so I'm going to try to get my citizenship certification. Before that consul was set up, there was only one at Yokohama but unfortunately I couldn't get a chance to go there because many applicants are going one time and over full of the traffic from Wakayama.

Before I go to the Kobe U. S. Consul, how about sending me a affidavit or some thing to prove my citizenship. If I could get the certification of my citizenship cleared, it will help me out a great deal in many ways. This will be happiest thing in my life. Mrs. Collins will you please help me out from my difficult situation.

I wrote two same letters - one was mailed yesterday but my mother put on three yen stamps instead put four yen stamp. So in order to make sure I wrote today again.

Thank you very kind,

Yuji Kato

Dear Sir.

Excuse me for such a long silence. I, Yuji Kato, wish to ask you a few questions about my citizenship again.

The other day I read in a Japanese newspaper an article announcing that "THE U. S. DISTRICT COURT ORDERS NISEI CITIZENSHIP RESTORED" as stated in the letter to the Kobe Consul a copy of which is herein enclosed. It is my greatest pleasure that such awaited good news has come to being by your constant and determined efforts. I appreciate it very much.

As this announcement was made in an English edition of a Japanese news-paper. I am very anxious to hear from you concretely and in detail how this matter in my case atands. I am sending a letter today to the American Consul in Kobe, a copy of which I am enclosing with this letter for your reference. So will you kindly get in contact with American Consul in Kobe and explain my situation.

It is more preferable for me to get in touch with the Kobe Consul owing to transportation convenience.

There are two suit numbers mentioned in your letter No. 25294-S and 25294-G but which is the correct number of my suit?

Your immediately answer will be greatly appreciated.

Thank You,

Dear Sir:

I wish to ask you a few questions concerning my citizenships.

I, Yuji Kato, arrived in Japan on March 11, 1946 and registered at your office on April 23, 1947. During the war, I had been in a few relocation centers. Last of which was the Tule Lake Center. While I was in Tule Lake Center, a part of the renunciants brought forward a suit in order to reclaim their citizenship pooling a hundred dollar each for the suit fee.

In the mean time I have received letters from Mr. Wayne M. Collins, Attorney at Law, 1721 Mills Tower, San Francisco 4, California. I wanted to go your office immediately but I received the notice from your office dated July 2, 1947 that "at present all appointments at this office are filled for several months and there is a fairly long waiting list. Hence it will probably be several months before your turn for an appointment." Circumstances being as above, I refrained from going to your office.

Recently, however, the State of affairs has changed as per below stated letters received from our lawyer in U.S.A. and the articles of the Nippon Times, therefore I would like know what procedures must be taken as I desire to reclaim my citizenship as soon as possible.

Reference:

1. Letter from Mr. Wayne M. Collins dated Oct. 23, 1946.

"You are in equity suit No. 25294 in the U.S. District Court for the Northern District of Calif., in S.F. The suit is also one to declare your nationality so you are entitled to return to the U.S. under Title 8 U.S. Code, Sec. 903, by preparing a sworn application stating that your claim to U.S. nationality in said suit is presented in good faith and has a substantial basis. Take or obtain such application from a diplomatic or consular officer of the U.S. in Japan. He will issue you a certificate of identity stating your nationality is pending before the court. If he refuses to issue you the certificate you can appeal to the Secretary of State, Washington, D.C. If you are re-admitted to U.S. it will be on the condition that if the court declares you are not a U.S. national that you will be subject to deportation."

2. Letter from Mr. Wayne M. Collins dated Dec. 19, 1946.

"The cases have been submitted to Judge St. Sure of the U.S. District Court for the Northern District of California, Southern Division, for decision on the citizenship issue. We are expecting his judgment to be rendered within a few days or a few weeks and as soon as we learn of the decision you will be notified."

3. Letter from Mr. Wayne M. Collins dated April 8, 1947

"I wrote the U.S. Consul General in Yokohama informing him of the fact that Equity Suit No. 25294-S to determine your U.S. nationality has been filed and is pending before the U.S. District Court here. I have also sent him a certified copy of the amended complaint filed therein. Consequently, you are entitled under Title 8 U.S. Code, Sec. 903 (this is part of Sec. 503 of the Nationality Act of 1940) to apply for a certificate of identity from a U.S. consular or diplomatic official in Japan. Upon obtaining the certificate of identity you are entitled to return to the U.S. when passage is obtainable upon the condition that if the court declares that you are not a U.S. national you will be subject to deportation."

4. Other day I read the "Nippon Times" of May 1, 1948 announcing that the U.S. District Court Orders Nisei Citizenships Restored.

SAN FRANCISCO, April 30-- The United States District Court today ordered American citizenship restored to 2,300 Japanese-Americans who were interned during the war and renounced their citizenship in 1945.

Judge Louis E. Goodman criticized the government for accepting the renunciations. He expressed doubt as to the constitutional authority for imprisoning these American citizens during the war year.

The court's decision climaxed years of litigation. The Japanese-Americans said they renounced their citizenship under duress from nationalistic Japanese interned with them at Tule Lake, California.

Judge Goodman said, "if a confession secured in a manner obnoxious to Congressional policy may not be used in a criminal case, it is equally true that a document releasing the priceless insignia of American citizenship should not be validated when executed in a like manner... It must be kept in mind that Tule Lake relocation, but for segregation" of aliens who placed loyalty to Japan, Americans of Japanese ancestry suspected of disloyalty, and others of Japanese ancestry whose loyalty to the United States was not questioned.

Of the persons involved in today's decision, 254 previously were ordered deported as enemy aliens. Some of these were voluntarily released by the U.S. government.

The government was given 90 days in which to name any individual among the 2,300 against whom it may want to offer additional evidence.

It would be a matter of profound gratitude if this matter could receive your due consideration and a prompt reply.

Yours respectfully,

*Yuzi Tats*
