Dear Mr. McGiffert:

I am just in receipt of your letter of July 24th informing me of the honor conferred in appointing me a member of the Advisory Board of the Pacific Coast Committee on American Principles and Fair Play, for which I wish to express my sincere appreciation.

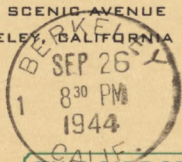

As to being included in the Executive Committee of nine, due to the fact that I am out of the city more than half the time I feel it would be unfair to the others to have an inactive member such as I would of necessity be. Therefore I regret that I must ask to be excused from serving on this Committee, although I can assure you of my cooperation and sincere support of this very essential organization.

Very truly yours,
