Mr. Harold Fistere
Relocation Supervisor
944 Union Commerce Building
Cleveland, Ohio

Dear Mr. Fistere:

Subject: Leave Permits
in Effect

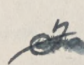

Several Relocation Supervisors have requested lists of persons now in their territory on indefinite and seasonal work group leaves. After considerable research during the last ten days, we have compiled lists of all persons on leave from this Center and have broken those lists down by Relocation Supervisor's territories.

Enclosed herewith you will find lists of persons on the various types of leaves in the Cleveland area. You may find that in some cases the name and address of the present employer is in error or that the person named has recently returned to the Center. These discrepancies, of course, will be due to the fact that it is nearly impossible to compile an accurate list for any one day. If you have questions about individuals, we shall be glad to furnish any additional information that you may need.

It is not contemplated that it will be necessary to compile such lists in the future since WRA Form 178 "Departure Advices" are being promptly mailed to Relocation Supervisors.

Sincerely,

DM Todd
