SUBJECT: What Goes On At Manzanar

The Community Activities Section is planning on getting out a calendar that will show all the activities going on in the month of May. This will help both residents and visitors not only to know what actually goes on, but to make a better choice of the way they spend their spare time.

The information will be put out in the form of a calendar in two parts.

I. Regular events and classes

II. Special events

We should like to have all the events which will be sponsored during the month of May listed in this calendar. So will you please give us all the information you have at your disposal pertaining to public leisure time activities.

WHAT GOES ON IN MANZANAR?  
A Calendar of Public Activities  
Scheduled for the Month of May, 1944

Prepared by:  
Community Activities Section

Issue I  
Published May 1, 1944

Foreword

This calendar shows the public activities scheduled for the month of May. The need for a coordinated list of activities open to the public has been apparent for sometime. It is hoped that this guide will be of value to both residents and visitors in helping to acquaint them with the opportunities offered at Manzanar.

The Community Activities Section plans to publish a similar calendar every month. Any constructive criticism and suggestions regarding this calendar are welcome.

The calendar is divided into two parts: I. Regular Events or Classes;  
II. Special Events.
