## **REPORT OF CERTIFIED PUBLIC ACCOUNTANTS**

San Francisco, California  
March 2, 1950

California Labor League for Political Education  
995 Market Street  
San Francisco, California

Gentlemen:

Pursuant to your request we have audited the cash receipts and disbursements of the California Labor League for Political Education for the fiscal year ended February 28, 1950. In connection therewith, we examined or tested accounting records and other supporting evidence and obtained information and explanations from the Secretary-Treasurer and employees.

The special commercial account maintained with Bank of America N.T.&S.A., Humboldt Branch, San Francisco, was reconciled with the bank statements on file for the fiscal year ended February 28, 1950. Cash receipts, as recorded and evidenced by duplicate receipts on file, were found to have been regularly deposited in the bank. Disbursements were evidenced by paid canceled checks on file which we compared with the cash book entries as to payees and amounts, and scrutinized as to signatures and endorsements. Disbursements were either supported by vouchers or approved for payment by Mr. C. J. Haggerty, Secretary-Treasurer.

We attach for your information:

**EXHIBIT A**—Statement of Cash Receipts and Disbursements, Fiscal Year Ended February 28, 1950.

**SCHEDULE 1**—Detail of Contributions to California Labor League for Political Education, Fiscal Year Ended February 28, 1950.

Very truly yours,

SKINNER & HAMMOND,  
Certified Public Accountants.
