SF TRADES UNION COUNCIL 34

CENTER FOR LABOR RESEARCH AND EDUCATION

UNIVERSITY OF CALIFORNIA

The leadership of your local is concerned about a number of issues which face the Printing Pressman's Union today, and Local 14 in particular. Among these are issues such as membership involvement in local union affairs, the problems facing the printing industry today, the direction of collective bargaining priorities, and the state of printing as a vocation. Since you are the union membership, we are attempting to find out what you think about these issues. We hope you will appreciate the importance of these issues and your stake in them.

We should like you to feel that you are expressing your true feelings as you answer the questionnaire. Please write your comments in the margin when you feel a question is unclear or doesn't allow you to express how you feel. We are *not* asking you to sign your name so you can be sure that your answers will be confidential.

You can answer most of the questions simply by checking the appropriate box with a pen or pencil. Please disregard the figures at the right-hand side of each page. They are for scoring purposes.

Thank you for your cooperation.
