This chart was originally entitled *ALL OF THE RULES AT A GLANCE*. It was compiled and issued by the Education and Research Department of the California Industrial Union Council in the early 1950s. Since then, it has been used in hundreds of training sessions on parliamentary procedure--and probably also in thousands of local union meetings. We haven't run across anything else that gets all the essentials down to a single page.

In the original version, the Council also included the following "Hints for Local Union Presidents" (or whoever chairs your meeting):

1. Plan an agenda so that the meeting will proceed in a business-like manner.
2. Start your meetings on time.
3. Keep your meetings as brief as possible--keep the discussion to the agenda.
4. Keep your meetings orderly--use parliamentary procedure.
5. Be democratic--allow discussion on both sides of the question.
6. Do not allow any person to monopolize the floor--**INCLUDING YOURSELF**.
7. Respect the other person's point of view--even through it differs from yours.
8. See to it that all committees make regular reports to the meeting.
9. Set aside a specific period of time at each meeting for an educational program.

Many international and local unions have modifications of rules cited here, and members and leadership should make themselves fully aware of these changes.

Have a good meeting.
