Attorney General Kenny,  
State of California  
Sacramento, Calif.

Because the proceedings of Los Angeles County in filing legal action, under the Alien Land <sup>law</sup> to returning all Japanese farm land to the state is in harmony with the major Native Sons project to forever rid our Golden State of these dual citizens holding land under dummy owners.

Therefor Santa Cruz Parlor No. 90 applauds Los Angeles County and congratulates Attorney General Kenny in urging all counties to follow Los Angeles counties action.

Therefor be it resolved that Santa Cruz Parlor of the Native Sons of the Golden West joins Attorney General Kennys urgent appeal for Santa Cruz County to start proceedings as soon as copies of the Los Angeles County proceeding arrives.

Resolved that copies be mailed to Los Angeles County, Attorney General Kenny and Santa Cruz County Board of Supervisors, because this action will remove the major excuse for return of the Japs.
