Dear Mr. Haraden,

Larry Such's secretary was to mail you a copy of my Thesis. I hope you have it by now. Because of its completion + acceptance, the Degree, Master of Publication Administration was conferred at USC's mid-year Commencement Feb 3, 1966. I hope you will pass on any comments you may have, as I hope to submit a 10 question short questionnaire for follow-ups + to write a condensed publishable article.

Thanks again for your courtesy and help. Incidentally, I was 43rd on the FEP Consultant list with my VETa preference overlooked + not added. In the meantime, I have accepted an appointment with the Faculty + Staff Affairs Office of the California State Colleges where I'm sometimes involved with ^{the} FEPC + Human Rights Commission.

Perhaps I can be of assistance to you one day in the course of my work. Please call on me.

Very sincerely,

Charles A. Miller
