- Re + letter of 3/7

"..the I are as loyal as other
citizens. Yes, to Japan. Even
the youngest child is taught
allegiance to Japan.
... " Since you left here

Nevada has had time to
grow up + has plenty of
abundance of her own who are
better gardeners than the I
& more reliable."

Sacramento Bee
p. 22 c 7
+

3/11/42 L

"He may, after all, be merely cutting off our noses to spite our face by such drastic action as the wholesale evac. of all J. aliens unless the army finds or deems it absolutely essential.

"Those who just yell evac. after know nothing about a truck

garden or what it means to
run one. It is not everybody
who can run one. "

^{Quintin}
Sacramento Bee
p. 20 c 7

3/10/42^L

- Re + letter of 3/3

- I planning an attack on the country
for 20 yrs.

"In so doing they have sent
!! over their full quota of
immigrants every year to
settle the West Coast."

- also leased land near head,

gained control of veg. raising.

"Personally, I think it is
high time tho I were sent
home."

Sacramento Bee
p. 22 C7

p. 6

col. 1 & 2

"Editorial Circuit Rider - excerpts from various Calif. newsp.

"Removal of enemy aliens - particularly the Japanese - from w. coast defense areas is desirable & long overdue in the opinion of Calif. editors." Then goes on

to quote from, e.g., Ontario Daily
Reg., Stratford Record, Orange Daily
News - all favoring evac., altho
some expressing sympathy for
loyal Haps.

San Diego Union
p 2 B c 2

3/10/42

- Only 'shadow hoping' by moving it to Owens Valley.
" Yet, the Owens R. is the source of L. A. drinking water & the aqueduct which carries it to its destination passes thru the proposed

d colony.

...
"Unless we wake up & get
tough on this proposition, we
are asking for trouble."

San Diego Union

p. 2 - B C 142

C
3/16/42

"The protest of the Gov of Idaho, against the sale of land in that state to 1 who hold Am citizen, brings up a point that eventually may have to be settled by the fed. govt. The point at issue... will hinge on whether it

is possible for I... to be regarded
as loyal Am. regardless of citizenship
status. Evidence, so far, is to the
contrary.

"They (I) have contributed
nothing to the cultural, political,
or economic life of this
nation"

3/12/42 ^C

"Make Dem. Safe"

"Godus of Is to have grave
effect on food situation, but
we can take it"

"But in excluding the dese-
alien & citizen alike - we may
be sacrificing something far

more serious. We may be making
the first sacrifice of those dem.
principles which most of us
value far more than food. We
have said - & said it officially -
that not all Am. cit. are the
same kind of citizens. / Is going
& without complaint. "It's a hard
assignment. We wonder how
readily we other Am. would
accept a similar edict... None of

1. Gabrielle 2 3/12/42
us, save the Am. Ind., is of pure
Am. ancestry. Yet the Am. cit of
I see descent is the only one deemed
dangerous to the national welfare.

"It is getting more & more unpopular
to say it - & we may yet be
lynched for repeating it - but we
still stake our reputation on the
essential loyalty of the Am born
city of I see descent. And that goes

also for the vast maj. of the law-
abid. Here aliens who...

"And so we in L.G. & the valley
prepare to say goodbye to our friends
& neighbors of these decent. We say
it with genuine sadness, but we say it
with the hope that the time will not
be far away when we can welcome
them back to a peaceful Cal which
they have done so much to build up, to
a great st. in a great nation which will
be glad to restore to them the dem. rts & priv. which
we are now forced to relinquish."

- Factionous acct of 'etrap labor' problem if I's moved out.

" But I'm wondering if maybe there won't some good come of it. ... A white man wouldn't live out to do etrap labor for the

wages the big ranches have been paying,
but if prices of those veg. were up,
some, &c. I imagine a lot of small
farmers would take to growing veg.
"If things did turn out so we had
a lot of small farms with white
families on them, in the valleys & in
the Delta, instead of a few big
holdings in the hands of corp.,
that, it seems to me would be worth
going thru a temporary shortage
in spinach to get."
