Biographical / Historical

Sports negatives are not included in this collection. According to Gary Phelps, Star photographer, the Sports Department kept their own negatives.

[^ Return to Table of Contents](#)

Scope and Contents

This collection contains negatives of articles published by the Ventura County Star Free Press newspaper from 1958-1981. Each negative is stored in its own envelope and many have a print copy of the article included. A variety of topics are covered including, but not limited to, local events, ceremonies, elections, crimes, and accidents.

Processing Information note

The collection consists of approximately 26,000 envelopes and spans 1958 through 1981. Because of the finding aid size, the finding aid has been split into three sections, collections numbers MVC49A (1958-1969), MVC49B (1970-1979), and MVC49C(1980-1981).

[^ Return to Table of Contents](#)

General

Envelopes from 1958 to 1969 have a number beginning with an A (ex: A9175) on the upper right side. This is a unique number for each envelope.
