Trinh-minh - The March
savior of the country

—
Song about Nui-Bat-Dien
gilt ringing balled on brows of
Hien Minh forces there.

One not worth fighting against a
thousand enemies among colonialists,
Communists. "By sacrifice, we defend
the country"

#2 (Part 1)

The communist's and colonialist's peace-

The Com's and Col's peaces are bloody - The people will become homeless, hungry and deathful -

Listen, listen to the colonialists - They said they will bring the pence to us many times - but nothing at all besides the bloody bodies of hundreds of Vietnamese young men.

Let's be happy together..

Who divided our country into 2 parts ?

The King of the soldiers.

— The 17th parallel.

— Who remember the old history, There was a river which divided the country. And now, another river separates the people.

The communists, who are guilty will be punished by the people. We the people, we will try to reunite the country, build up the country. Bring back the peace. Make ~~disappear~~ ^{disappear} the hate, tears, the blood which are all over the country ~~running away~~.

The jungle's fire in the night

around the fire, let's hold the hands together, we will build up our country, we will fight against the enemy, ~~we will~~ dismiss them out of our country, and we will enjoy the peace that comes soon.
