Access information

Digital files are available in the UCSC Special Collections and Archives reading room. Some files may require reformatting before they can be accessed. Technical limitations may hinder the Library's ability to provide access to some digital files. Access to digital files on original carriers is prohibited; users must request to view access copies. Contact Special Collections and Archives in advance to request access to audiovisual media and digital files.

See the [Collection Guide to the Cabrillo Festival of Contemporary Music records](#) for more information.
