*This index is a digitized version of the physical index, as such, it may contain names or locations that were misspelled by the original creator. We have tried to replicate information exactly as it appears on the cards. Where information is confusing or unclear, we have included clarifying information in brackets []. In such cases, you can consult the original index in the Research Library.

This index contains offensive and outdated language that was used by the creators of the material. We have changed or censored this language in staff-created description. The original index still contains the original terms. Pages that have been edited include a note on what has been changed or censored. If you find any offensive text in finding aids, catalog records, or other description created by library employees, please contact the MVC Research Library to bring this to our attention. You can contact us at library@venturamuseum.org
