1946 - 06 - 26	FEINSTEIN, LILLIAM	Chicago, Illinois/yes		unknown/Deceased	elliott fish operator		reject	written on back: applicant appears to be older than her years and since she was evasive about the age discussion that would seem that she is probably older than stated in the registration form. Lilliam pleaded that she be admitted stating that she is very lonely and has experienced some difficult housing situations. she is the youngest of six children. Two brothers living in the east are married and have families. one married sister and a single sister and brother live with them. the three adults, a niece, and a grandmere occupy a four room small apartment. Lilliam is a small petite well-groomed person. she is attractive, well-spoken, and seems intelligent. She admits that she does not eat all foods but feels it will not be a problem for herself at the club. Admitted on basis of social and housing needs but for one year only because of age. 8/46 - did not keep appointment to make final plans for residence (temp) at the club
