

Ingeborg Gerdes Photographs and Papers

Series 8: Digital Files: Directory

This searchable document lists the digital files in the Ingeborg Gerdes Photographs and Papers: Series 8: Digital Files.

General note

This directory includes file or folder name, file type, size, and date last modified for each file.

Access information

Open for research. Digital files are available in the UCSC Special Collections and Archives reading room. Some files may require reformatting before they can be accessed. Technical limitations may hinder the Library's ability to provide access to some digital files. Access to digital files on original carriers is prohibited; users must request to view access copies. Contact Special Collections and Archives in advance to request access to digital files.

Processing information

The digital materials in this collection were processed by Alix Norton in 2022-2023. Digital files were transferred from one external hard drive in June 2022 via logical copy. Digital photograph files in RAW format, Adobe Lightroom files, and materials marked as restricted by the Gerdes Trust on the hard drive were not transferred. Scanned film photographs were not transferred if they were identified by the Trust as being well represented in the Exhibition Prints series. Tools used in the analysis of files included DROID and TreeSize Pro to identify duplicate files and calculate file sizes, and Print Window to create a file directory PDF. Original order of the digital material, including file names and folder arrangement, has been retained without intervention by archives staff, with the following exceptions: the four sub-series folders (Digital Capture Photographs, Professional Files, Scanned Film, Snapshots of Ingeborg and Friends) were renamed for clarification, and some file names were edited to remove non-ASCII characters.

Organization and Arrangement

This series is arranged in 4 sub-series:

Sub-series 1: Digital Capture Photographs

Sub-series 2: Professional Files

Sub-series 3: Scanned Film

Sub-series 4: Snapshots of Ingeborg and Friends

Files in each sub-series are in their original arrangement.

See the [Collection Guide to the Ingeborg Gerdes Photographs and Papers](#) for more information.
