

# Asian American/Pacific Islander Resource Center records Digital Files Directory

---

This searchable document lists the digital files in the following series:

Subseries 1.2: Digital Administrative Files

Subseries 2.2: Digital Events

Subseries 3.2: Digital Resources

## Access Information

Digital files are available in the UCSC Special Collections and Archives reading room. Some files may require reformatting before they can be accessed. Technical limitations may hinder the Library's ability to provide access to some digital files. Access to digital files on original carriers is prohibited; users must request to view access copies. Contact Special Collections and Archives in advance to request access to audiovisual media and digital files.

## Processing Information

Digital files were received on 35 CDs, 7 3.5-in floppy disks, 2 zip disks, and 18 DVDs. Files were copied off physical media in 2022. Duplicate files were not retained. Files were not reformatted and file names are original to the creator. Original disks were retained and are included in the collection.
