[Note from Carol: “Tim, There are 2 kinds of files in this box.

1) Originals of Ads placed in FBN. These all duplicate what’s published in FBN.

2) Correspondence w/ advertisers.

You could trash the #1s, but the #2’s – the correspondence – has some gems in it – starting w/ 18-04 w/ a letter from Anyda Marchant (Co-founder of Naiad – her post naiad venture. Plus a wealth of correspondence from virtually every feminist publisher – in US, Canada, UK, Australia...Plus our range of dealings w/ corporate pubs.

Note: I did not read through these files, so if there’s scandal – be discrete. – And send me copies of any love letters! -- Carol”]
