**Historical Note:**

Organizations represented in this collection are concerned with dangers to the community posed by power plants and with the dangers of nuclear power, weapons, and waste on national and global levels. These organizations promote peace and a nuclear-free and carbon-free world, as well as promoting conservation and the use of sustainable resources.

**Scope and Content:**

1 box (.5LF) of materials created between 1980 and 1989 relating to power plants and the promotion of alternative energy sources and sustainable resources.

**Arrangement:**

The collection is arranged as a single series. Original organization of the records has been preserved where possible. Materials may have been reorganized or rehoused for preservation and access purposes.

**Related Collections:**
