2. EXECUTIVE COMMITTEE RESOLUTIONS

The volume contains handwritten summaries of actions taken by the Executive Committee of the Pacific Electric Railway in Southern California. Most actions relate to the acquisition, lease or disposition of property, leases for oil and gas exploration and development, abandonment of rail lines and substitution of bus service, creation of the Motor Transit Lines and the development of bus routes, and removal of overhead wire. In addition, the volume covers the purchase of buses by the Motor Transit Lines, and has a few entries for the Fresno Traction Company and the Visalia Electric.

Arranged chronologically.
