Abstract: A collection of user's manuals for a variety of offset presses, cutters, trimmers, and other pieces of book production machinery.

Administrative Information

Information about Access: The materials are open for research use.

Ownership & Copyright: All requests to reproduce, publish, quote from, or otherwise use collection materials must be submitted in writing to the ABM Librarian, American Bookbinders Museum, San Francisco, California 94103. Consent is given on behalf of the American Bookbinders Museum as the owner of the physical items and is not intended to include or imply permission from the copyright owner. Such permission must be obtained from the copyright owner, heir(s) or assigns.

Restrictions also apply to digital representations of the original materials. Use of digital files is restricted to research and educational purposes.

Preferred Citation: [Folder name], Harris Intertype Manuals. American Bookbinders Museum Library and Archives.

Biographical/Historical Note: Originally separate companies, Intertype Corporation and Harris-Seybold merged in 1957 to become the Harris-Intertype Corporation. Collectively they produced a variety of presses, paper cutters, and typesetting machines, and slowly merged into IT and defense contract work.

Scope & Contents: The collection includes manuals for a variety of Harris-Seybold machines, including offset presses, stock control, hydrodrills, folding machines, roll dampeners, stitchers,

cutters, and trimmers. Many manuals are for very specific models, and most are unnumbered. There are also a few brochures, advertisements, and pieces of sales information ephemera.

Access Terms:

Harris-Intertype Corp. -- Handbooks, manuals, etc.

Printing industry -- Handbooks, manuals, etc.

Typesetting machines.
