

**California State University, Northridge (CSUN)
Oviatt Library Map Collection**

Title: *Campus Map & Guide Collection*

Dates (Inclusive): 1951-2010

Dates (Bulk): 1980s

Collection Number: MC/04

Creator/Collector: California State University, Northridge (CSUN). Oviatt Library. Map Collection

Extent: Approximately 50 items

Repository: California State University, Northridge. Oviatt Library Map Collection, Northridge (CSUN), CA 91330

Abstract: The *Campus Map and Guide Collection* contains campus maps from colleges and universities throughout the United States, Canada, and England. These maps, generally produced by each individual university, were created for campus visitors and the wider community. They show roads, pathways, and parking lots, as well as highlight important campus buildings and points of interest. Some maps include building and department directories, illustrations, campus facts and statistics, as well as maps of the surrounding areas.

Language of Materials: English

Processing Information: Processed by Chris Salvano and Emilie Ducourneau in 2020, with initial processing work done by Thomas St. George in 2019.

Access

The collection is available for research. Viewing hours may be limited. Please contact the repository for access information.

Publication Rights

Please contact the repository for publication information.

Preferred Citation

[Identification of item], [date]. *Campus Map & Guide Collection*. Oviatt Library Map Collection, California State University, Northridge.

Arrangement of Materials

Materials are arranged alphabetically by state and institution name. Campus maps of California State University, Northridge (CSUN) are arranged by Library of Congress classification and housed in the Map Collection's flat files. CSUN campus map holdings are cross-listed in the finding aid.

Scope & Content of Collection

The *Campus Map & Guide Collection* contains campus maps of institutions throughout the United States, Canada, and England. The majority of the collection focuses on institutions in California. Many of the maps are pocket-style or folded maps, and map orientation, color, descriptive information, and scale vary across the collection.
