Processing Information:

Inventory created by Isaac Fellman, based on a preliminary survey completed by Kelsi Evans in 2018.

This inventory uses terminology for LGBTQ people that was in current use at the time of its creation. Descriptive language for queer identities evolves quickly and some of these terms may now be dated or even offensive. Finding aids are themselves historical documents; they reflect

the moment in which they were written and often reflect the terms that subjects used for themselves. Please contact the GLBT Historical Society Archivist with questions or comments.

Biographical/Organizational History Note: David Valentine operated several printing companies from the 1960s to 1998, including David's Print Shop, Paragon Press, and Dave Valentine Graphic Services. He was the principal printer for many queer organizations, businesses, and individuals.
