

## **Container List for the BML Videos videotapes, 1977-2002 (#2014-10)**

### **Scope and Content of Collection**

The collection is made up of over 400 VHS and SVHS tapes, including master and duplicate tapes, raw and edited content and multiple and single camera footage as part of BML Videos of San Francisco. The videos capture many San Francisco and Bay Area LGBT social and recreational events spanning from 1977 to 2000 such as contests, athletic competitions, award shows and fundraisers, parades, drag shows and more. The collection is accompanied by a 14-page tape inventory originally written by BML producer Luis Pérez-Cordero; the list, which enumerates items according to thematic categories, differs slightly from label notations on the physical VHS and SVHS tapes. The container list below outlines the main themes and categories of videos in each collection container and can be used in conjunction with Pérez-Cordero's item-level inventory to create a more comprehensive collection listing (for access to Pérez-Cordero's inventory, please contact the GLBT Historical Society archivist). The video collection is maintained according to the original order and organization established by Pérez-Cordero and was consolidated down to 15 cartons from an original 16 during archival processing.

Cartons 1-5, box 1, and oversize box 1 include footage of the Mr. Leather Daddy, Mr. Bare Chest, Mr. South of Market, Mr. San Francisco Cowboy, Mr. and Ms. Cheeks and Chaps, Ms. Leather International, Mr. Drummer and other bodybuilding and chest contests. Other videos included are recordings of beer busts and Halloween events at the historic San Francisco Eagle Bar in the early 90s.

Cartons 6 and 7 offer a comprehensive look into the San Francisco Imperial Family events, including Court Silver Jubilees, candidates' presentations, investiture ceremonies, and coronations and galas from 1988 to 1993. Also included in carton 14 are videotapes with footage of drag shows, such as the San Francisco God Damn Independents' Minsky's drag performances, ranging from 1985 to 1994.

The final carton in this collection, carton 15, contains various “miscellaneous” VHS and SVHS tapes as well as “Life Tapes”: videos of memorialized community members who lost their lives to HIV/AIDS from 1990 to 1995. Also included are Inter Club Found (now known as the Leather Alliance) Folsom Follies events, as well as recordings from an all drag production of The Odd Couple (1989).
